My name is Beckett Peacock. I'm a 10 year old multi sport student athlete from Daphne, Alabama. I play baseball, football, and wrestle. In baseball I play for the Gulf Coast Edge (AAA/Major). I am a First Baseman, Pitcher, Outfielder or whatever is needed from my Coach. In Football I play Quarterback and Outside Linebacker at Daphne. In Wrestling I've finished top 4 in the State of Alabama 3 years in a row for Gulf Coast Wrestling Club. In school I maintain straight As. During my downtime I enjoy fishing and weight training. My goal is to keep getting better everyday. A big part of my success is from my work

ethic my parents have instilled in me and from my many great Coaches. Baseball would probably be my favorite sport and hope to one day play for a SEC school, but every season I change gears and love each sport equally. My favorite part of playing sports is playing at a high level with my friends and enjoying the process. You get to meet a lot of great people along the way all of which share the same goals and work ethic. I just try to stay focused on the end goal and strive to keep getting better. Hopefully one day I make it to the top until then I'm just enjoying the journey. You can follow me on Instagram @beckettpeacock.

My name is Cedric Mcpherson Jr but I prefer Baby Ced. I am a student athlete at Danny Jones middle school and I've been playing football since I was 4 years old. Football have always been a positive outlet for me and throughout my years of playing football I've managed to compete all over the world practically.

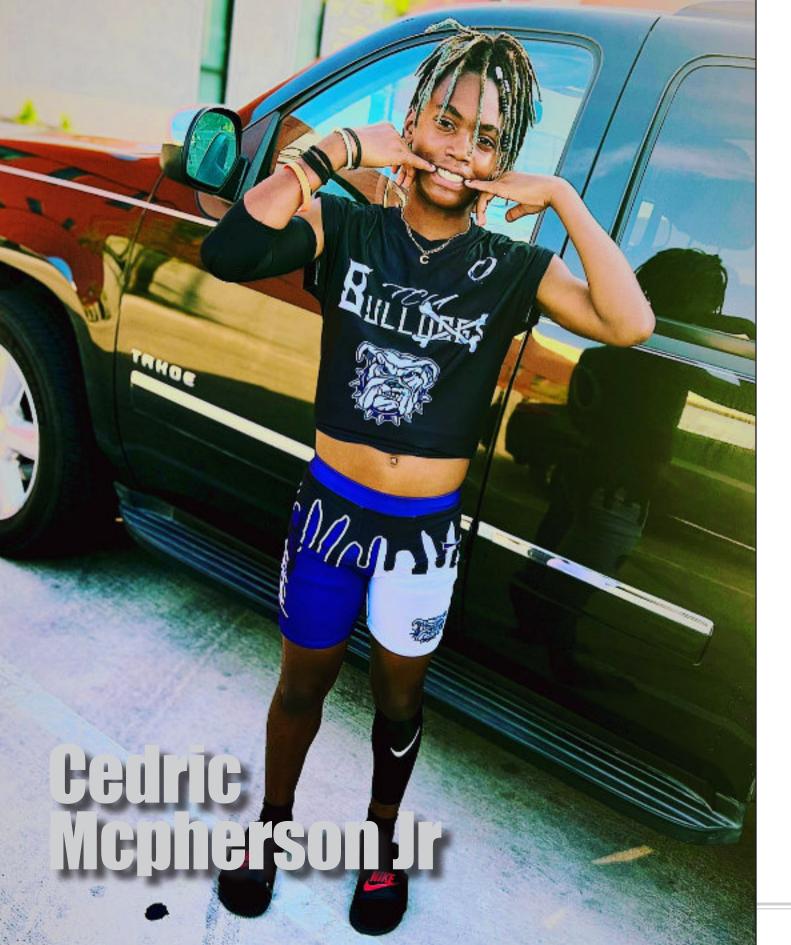

2021- Regional Champs

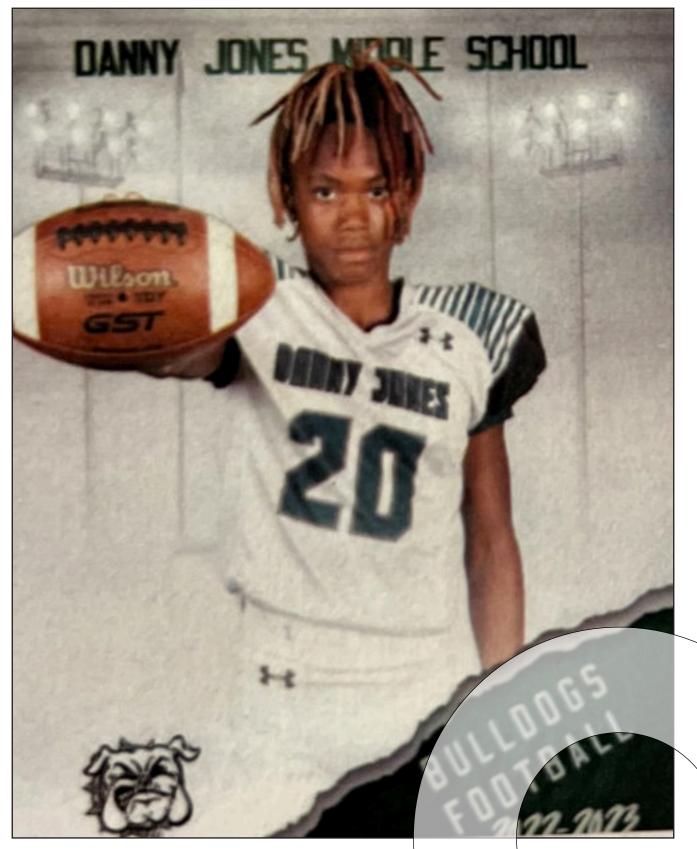

2021- Battle Champs

2022- UYFL National champs

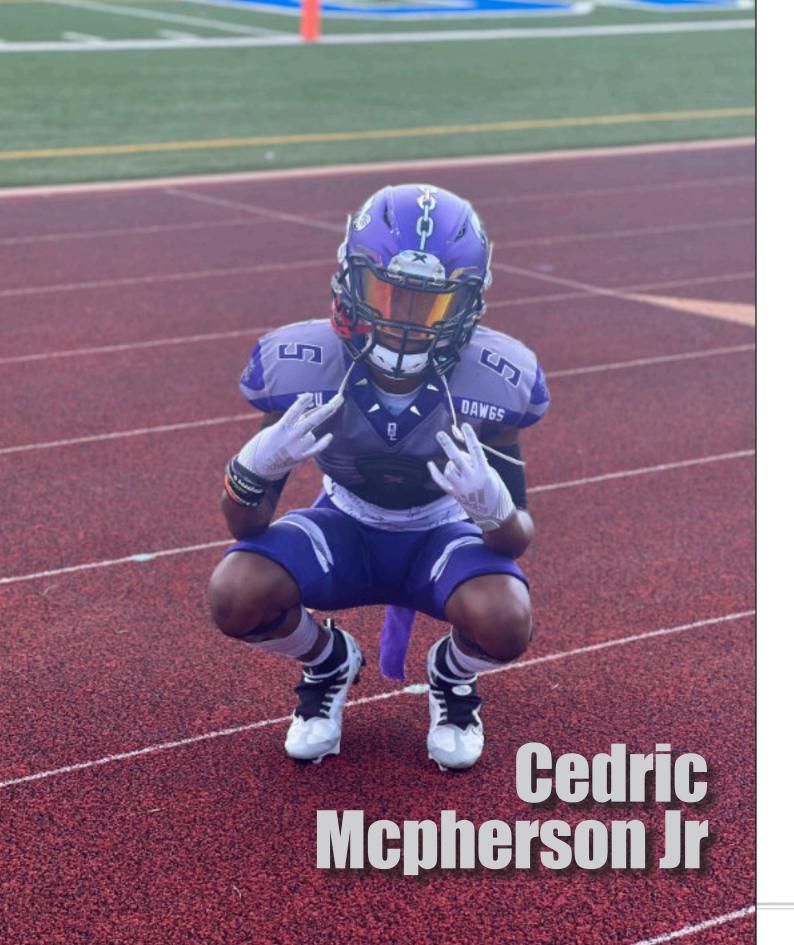

And I'm looking forward to more opportunity to compete and add to my resume. My dream is to one day play in the NFL as a Slot Receiver.

One of my dreams is to play for San Diego Wave Team when I grow up. I also want to go pro and play representing my country. I was able to make it to Pre-ECNL Elite team this year. I started playing soccer two years ago and one of the challenges I face was even I started knowing nothing about soccer the first time me and my team lost I used

that to better myself and train harder instead of letting it defeat me. We all have to start somewhere I was a beginner and didn't know anything but I didn't let that stop me. I work harder and I trained even harder to get to where I am and I'm looking forward to get better every single day to get to where I want to be.
