My name is Mason Biondi, I am almost 7 years old and play on 2 lacrosse teams. I started playing lacrosse at 3 years old in clinics. When I was 4, I was put on my school PAL K/1 team. I've continued to play up a year or two. I have always loved the game and enjoy getting better each season. Last year I was offered a spot on the Rebels East travel team for 2033 Mustangs. I excitedly accepted. In my PAL season this year I was the high scorer on the team, and also won many faceoffs for them.

I dream about playing college lacrosse for Syracuse or Stony Brook. I hope to continue to play attack and wing while also working on my faceoff skills. My goal as a player is to score at least 1 goal per game and have 3-4 shots on net. I also strive to make good, complete passes to my teammates and remember to shoot when the opportunity arises. Never hold onto the ball too long.

In the 3 plus years I have played, I have always worked hard both on and off the field to make sure that I am an asset to my teams. I know that playing up and also playing travel are a big opportunity and I am lucky to have them and always want to maintain my position.

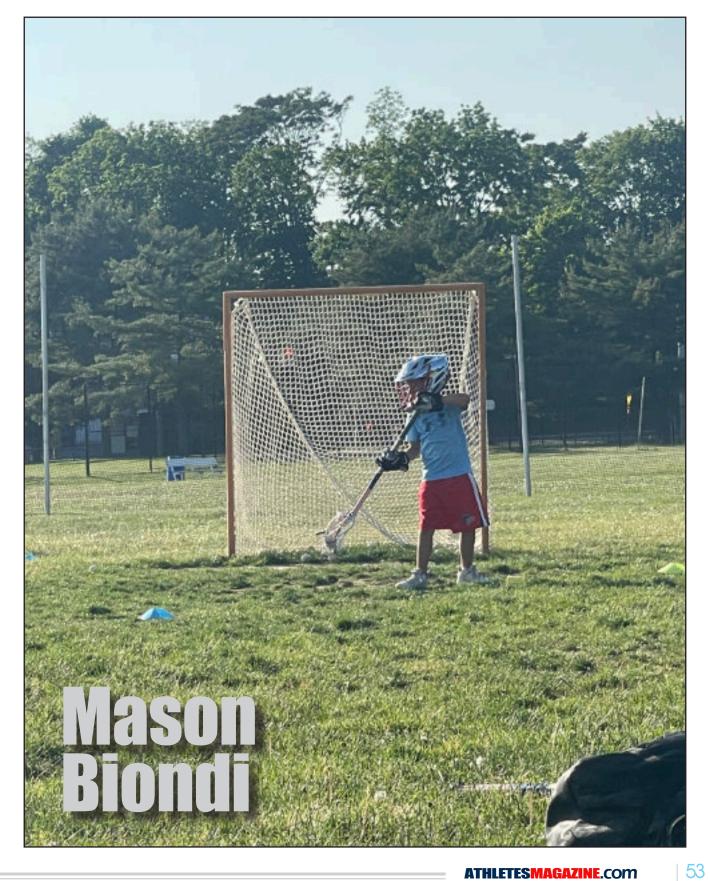

The biggest challenge I have when playing lacrosse.is when we have new players on the team, and they have trouble completing a pass. I am also working on throwing and catching with my non dominant hand as well as throwing on net behind my back.

I am looking forward to many more years of playing lacrosse and helping my teams win games and becoming a better player. I am thankful to have had great coaches over the years in both PAL and travel who spend time with me and teach me a lot. Thank you both Coach Ward and Coach Miller.
