Harper Rae

My name is Harper Rae, and I am 10 years old. In the world of dance, I find my greatest joy and purpose. Every day, I immerse myself in the rhythmic flow of movement, driven by an insatiable passion for the art form.

For me, dance is more than just steps and sequences; it's a powerful expression of self. I thrive on the energy of the dance floor, pouring my heart and soul into every performance. With each graceful leap and every powerful turn, I feel alive, invigorated by the freedom of expression that dance affords me.

To fuel my love for dance, I commit myself to rigorous training five days a week. Despite the demanding schedule, I never tire – the thrill of mastering new techniques and perfecting my craft keeps me energized and motivated.

But I am not alone on this journey. Surrounded by

a supportive group of dance friends, we inspire and uplift each other, striving together towards excellence. In this community, encouragement flows freely, nurturing our growth as dancers and as individuals.

My goal is simple yet profound: to keep dancing, to keep expressing myself through the language of movement. Challenges may arise, but I face them with determination and resilience. With every obstacle overcome, I emerge stronger, more determined to chase my dreams.

As I continue to pursue my passion for dance, I am reminded of the boundless potential that lies within me. With each step I take, I move closer to realizing my dreams, leaving an indelible mark on the world of dance and beyond

Hi My name is Krystiana Grace. I'm from San Antonio TX. I have been cheering for a total of 4 years. I am 8 years old. I am currently in All Star Cheer. My cheer organization is San Antonio Spirt. I absolutely love my gym and my coaches. My favorite thing has to be flying and stunting. I have been working hard to become a better tumbler as

well as the best flyer I can be. Sometimes it can be scary but I will not let that stop me from continuing to grow into a better athlete. My dream would be to continue to cheer all through high school and one day continue my journey through college.

Mackenzie Jade Santos

Hi my name is Mackenzie Santos and I'm 10 years old. One of my dreams is to own my own dance clothing line. I love fashion and dance so much! Both of them are such a big part of my life. Another dream of mine would to own my own dance studio. When I dance I feel I'm the best

version of myself. I love shining on the stage and being in my element. Lastly, I hope to inspire others to believe in themselves, and no matter what to always follow their dreams. Everyone is special in their own way.

I love to dance and perform my Acro tricks. One of my goals are to keep working hard, and grow as a dancer. Sometimes it could be challenging when I'm so tired and just want to relax, but to be a great dancer you have to push yourself even harder at those moments. One of my greatest achievements was when I nailed my round off

back tuck after working so hard, practising it over and over again. A dream of mine is

to be someone that people can look at and say she's such a great person and performer.

My name is Olivia, I'm 11 and dance at Dance N' Dazzle Studio.

I started dancing when I was 2 and I've always loved dancing around whenever there is music playing. My favourite dance style is Ballet

followed closely by Jazz.

One of my challenges is my confidence, but it's something I am constantly working on and aiming to increase.

My most recent achievement is placing 1st in an eisteddfod with my classical dance. I have been featured in a local dance book + local newspapers with my dance school, won dance photoshoots, collaborated with a dance artist and have been apart of my school dance group.

My dance goals are to get on pointe, dance in a stage show and to constantly improve my ballet technique to be the best I can be.
