My name is Ellie Mae Smith. My dream is to become a published model, writer, actress, director and on Broadway. So far I've been published in fashion magazines and in several fashion articles for modeling online. At the age of 10 I've wrote one feature film that was filmed Jan 2023 in Orlando called Hope. I've done 9 feature films, 9 theatre shows, and 2 podcasts. Challenges faced, obviously this would be rejection after an audition. But you cant take it to the heart just

know it wasn't you. You just didn't fit the persona they were looking for, it could have been something as simple as eye color. Just jump back up and do it again! I appreciate this opportunity to connect with you all! And remember Go for your dreams!

# Faye Delune

My names Faye Delune, and I'm A Professional Model, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Photography, and Modeling at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

My name is Indie, I am 8 years old. I have been a model for 5 years and an actress for 1 year. I am represented by bubblegumtalent. I love being a model because I get to wear beautiful outfits and I can express myself in so many different ways. In addition to my modelling and acting career I have lots of hobbies which I really enjoy, like drawing, painting, dancing and skating. I also love being outdoors and tending to my little fruit and vegetable garden. It's great watching the vegs and fruits grow, and then eating them when they are ready. At present I am studying acting at a film and

screen school and I have just had a role in a short film, which I really enjoyed. I can't wait to be cast in more roles in the future. I love being on stage and pretending to be someone else. My aspirations are to continue to work as hard as I can so I can fulfil my hopes and dreams, and grow in all areas of my life. I would love to work with animals one day as I am passionate about the welfare of vulnerable creatures. The only thing I want more of is time, to fit in more of my exciting projects.

I've been modelling for about 11 years now and it has been challenging but I have not given up. I enjoy everything about what I do.

Its a breath of fresh air when times are hard and it helps me just be the creative person I am. I have also met a lot of really nice people along the way and some of them are now part of my team !!.

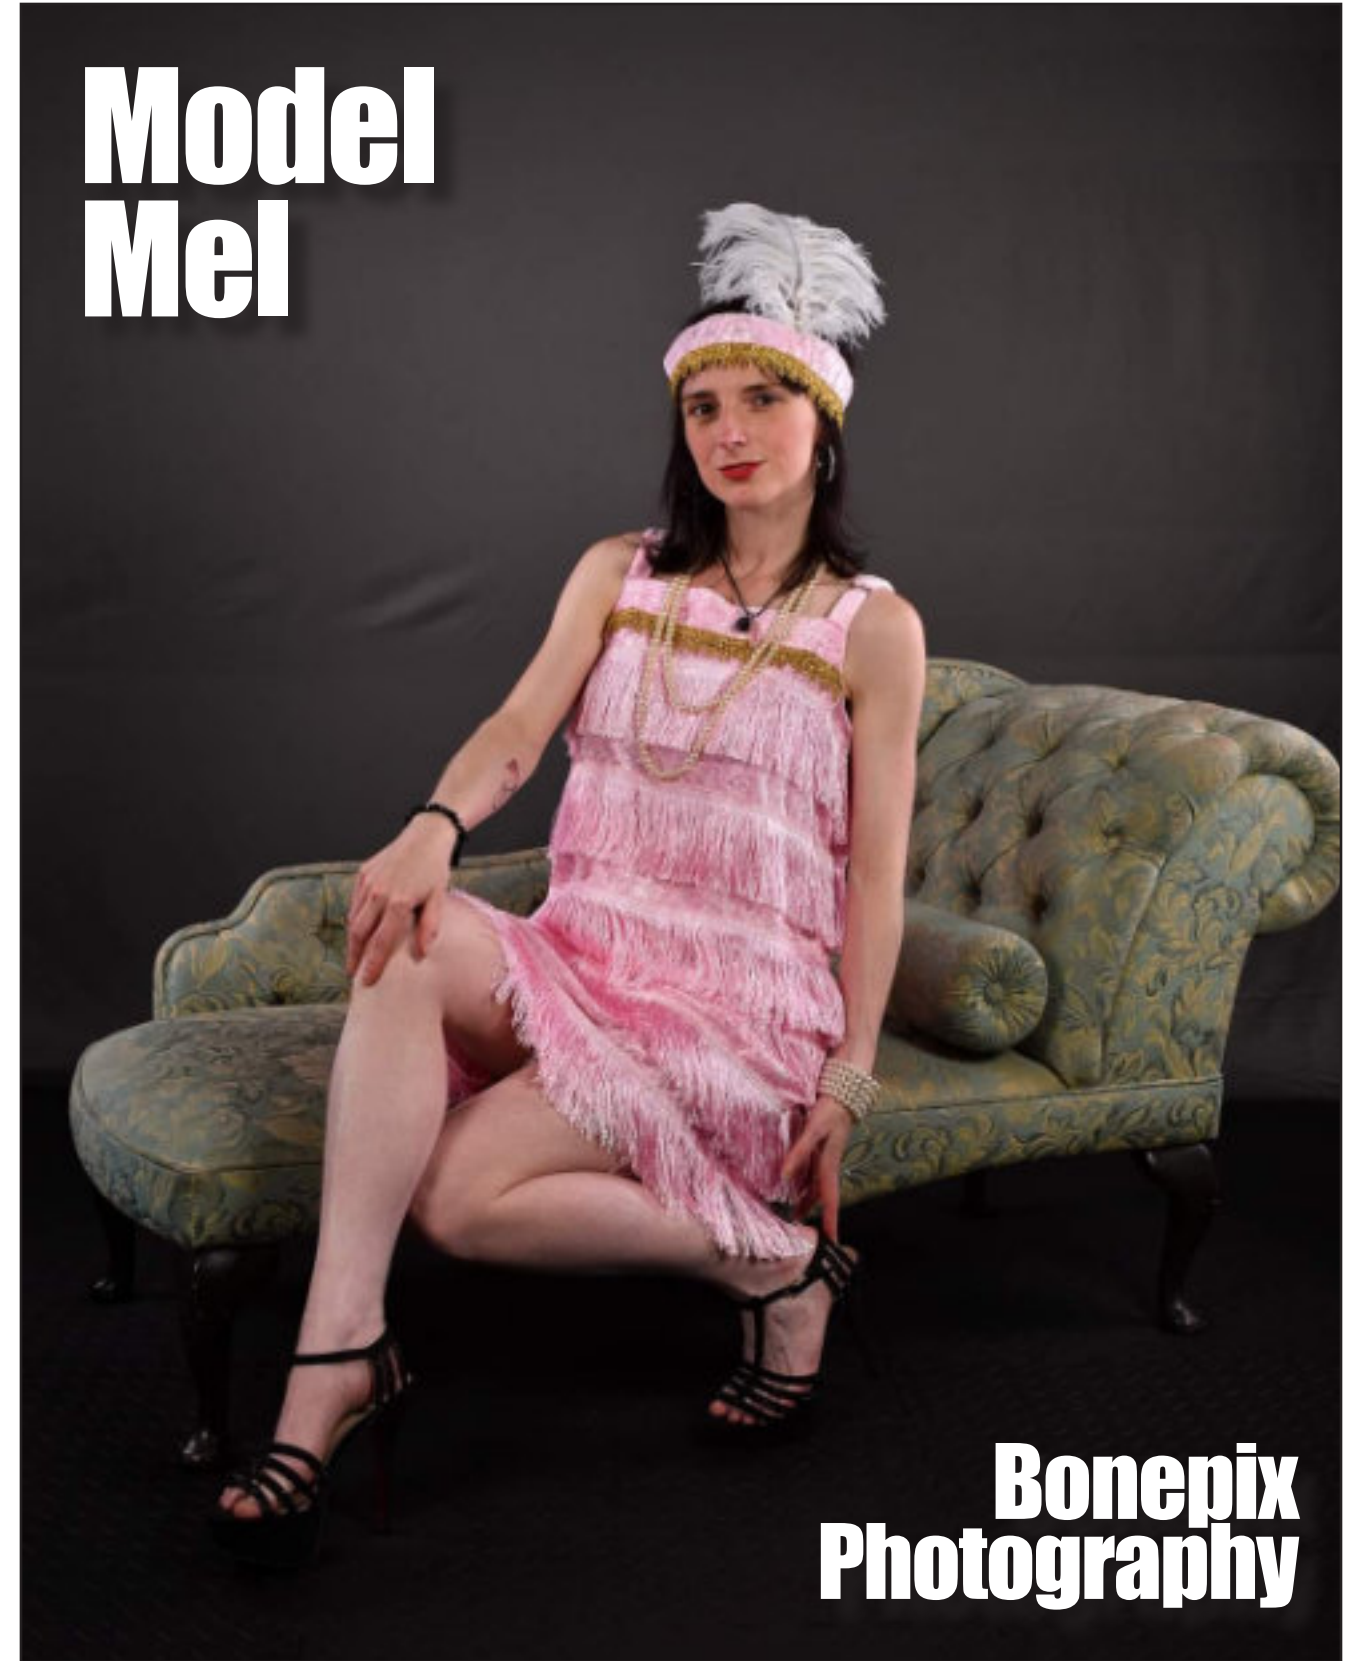

I have always had a passion for art and dressing up since I can remember ! The

moral of the story is don't give up on your dreams and be the magical person you are despite the challenges you face and keep on going and smiling.

My goals are to prove and to show the world you can achive your dreams no matter what!! it takes time and dedication but in the end you will reach where you want to be.

Keep on going and keep on smiling.  
Love MEL.

**Rory  
Lena**

My name is Rory Legg and I'm a 17 year old dancer living in Tokyo, Japan. I have loved dancing for longer than I can remember. My favorite styles are ; jazz, musical theater, salsa, and hip hop; but I am well versed in many other styles and I love experimenting with new styles of dance that aren't in my comfort zone. I have been competing in dance competitions since I was 6 years old, and have been pretty successful! I have been recognized for some of my more popular acts like, "Legally Blonde", "Run the World", and for group pieces I've participated in like, "Apocalypse". During the 2022 dance competition season I received awards like "13 and up high score", "Fusion Show Star", and had the opportunity to perform as a fusion star over summer at Fusion National Dance. I have also gained a vast amount of supporters after touring with IGNITE Dance Competition as a brand ambassador in 2022. I am a natural and charismatic performer that loves being in front of big audiences, but I also love all the other elements that go into putting on a performance! I work hard on my choreography, costumes, hair/makeup, and props to make sure that I put on the most fun and entertaining show I can for my audience. My stage presence along with my outgoing personality has led me to receive a great support system in person and on social media over the years. I hope to eventually become as big as artists like Todrick Hall, Jojo Siwa, and Meghan Trainor. Along with these hopes I dream of becoming a pop star or dancing on Broadway someday. I also have a passion for fashion and strive to have my own dancewear company when I'm older. I am so grateful to everyone who has supported me on my journey and for the opportunities I have been given. Performing is my favorite feeling in the world and it's something I want to continue doing for the rest of my life.
