My name is Adrianna Marie Guerra and I am a 9 years old aspiring gymnast. My parents have signed me up in recreational gymnastics from the age of one. At first I was not to fond of it but each day I was influenced by other athletes in the facility. It finally grew onto me and here I am now. I am currently in Level 6 and my dream is to compete in the Olympics. I aim to become successful and to show everyone that we can all make things happen no matter what obstacles we may face in life.

Society continues to struggle each year in order to succeed. Many cannot afford to continue towards their education. My parents work hard for me to proceed further just like their parents did for them. They believe in me and continue to be supportive. I want to be able to give back. I am grateful to have such talent in gymnastics. My goal is to obtain a scholarship and become an athlete in a college team.

My biggest challenge in gymnastics would be combating my fears. There are certain skills that can be spine-chilling and my fear would hinder me from moving forward. However, I make every effort each day to build my confidence. Being a multi-sport athlete has helped me immensely. As a goalie in Soccer I am able to incorporate my gymnastic skills with strength, balance, flexibility and, coordination.

Madison Hope Eaton

Madison Hope Eaton, affectionately known as Maddie or Maddie Hope by her friends, embarked on her journey in the world of dance at a local studio in Southern York County, Pennsylvania, when she was just 18 months old. Since then, she has been captivating audiences with her remarkable stage presence and talents, mastering various dance styles, including ballet, lyrical, jazz, tap, acro, and most recently, hip hop.

Despite her young age of five, Maddie has already proven herself as a rising star in the entertainment industry. Her exceptional skills have garnered her several top ten placements in the 8-and-under mini division, and she proudly holds the title of Tiny Miss Talent Olympics 2022. Being the youngest member of the esteemed competition team, the Shooting Stars at MgM Dance Studio in Shrewsbury, Pennsylvania, speaks volumes about her dedication and passion for dance. To further refine her craft, Maddie attended two dance intensives in the summer of 2023: one at Greater Dover Dance Academy, focusing on ballet, and another at Powerhouse Dance Alliance, where she honed her musical theater and jazz talents. Additionally, she participated in a virtual tap intensive with renowned artist Anthony Lo Cascio from Tap Dogs. Eager to expand her skills and connect with fellow dancers, Maddie is looking forward to attending two dance conventions in the fall, WILD and DECA.

Beyond her achievements in dance, Maddie has also set her sights on the modeling world, receiving invaluable mentorship from Menina Fotunato since May 2023. Under Fotunato's guidance, Maddie's social media presence has flourished, leading to a remarkable opportunity to grace the runway for Willow Bean Studio at New York Fashion Week in September 2023.

Living in South Central Pennsylvania,

just an hour away from Philadelphia and less than three hours from NYC, Maddie shares her life with her biggest supporters: her mother Heather, father James, big brother Jack, and lovable puppy Mickey. In her free time, she relishes exploring the world through travel, indulging in downhill skiing and rock climbing, and cherishing moments with her family. Maddie's passion for experiencing new cultures fuels her desire to collect passport

stamps from around the globe.

With an innate talent and an unwavering passion for the performing arts, Maddie is destined to shine brightly in her pursuit of a fulfilling and exciting future.

My name is Scarlett and I'm 4 years old. This will be my second year of competitive dance. I love performing and being on stage. My favorite type of dance is tap and I love learning new steps.

When I grow up, I want to be a dancer and veterinarian. This year I want to continue learning and improving my technique. I can't wait to see what this season brings!
