My name is Ariana Mendoza. I am 13 years old. My biggest dream is to never give up on my dreams and keep struggling to achieve whatever I want in life. I

train every weekend starting from Friday. Like other gymnasts, my dream is also to represent my club at a higher level. I am also thankful for all

the training and opportunities I am receiving in life. Thanks to everyone for the blessings. I want to go after my dreams whole heartedly.

# Faye Delune

My names Faye Delune, and I'm A Professional Model, Musician, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Music and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

# Madalyn Dixon

Hi, I'm Madalyn, I was born in Maryland, USA 17 years ago and then moved to Florida just before my third birthday. In Florida I used to love spending time at the pool and the beach. I moved to England when I was 7 years old and have loved travelling to different countries in Europe since we have been here. I used to cheerlead and have been to a number of cheerleading events around England and Florida. I have recently started

studying Criminology at college and I am really enjoying it. I can't wait for the college trips to London, Poland and Alcatraz next year. I have a big interest in photography and modelling too. I am hoping to use photography in my career as a detective when I am older.

I'm Chris and I am a part-time photographer. I am an event photographer such as: wedding, reception, birthday... Sometimes I shoot portraits photos including man, women, teenagers, adult and children photos.

In my life I would like to be a true photographer because I really like to take photos and working them on photoshop. One of my best wishes is to

be a landscapes photographer. But it doesn't really matter if I can just take other photos even if it's not about landscape. Here in attach I sent portraits photography. These are not my best but unfortunately my Hard disk went off and I lost mot of my collections.
