PROMOTING SELF-ESTEEM & RECOGNITION

My name is Ana Phillips. I have been dancing since I was 2 about to be 3 years old. I have danced the whole time with Scenic City Dance. This is my 2nd year on our company team. I love my studio. I want to continue to grow as a dancer and hopefully be recognized by my dancing abilities some day. Dancing so much fun. It's so exciting to be up on that stage and

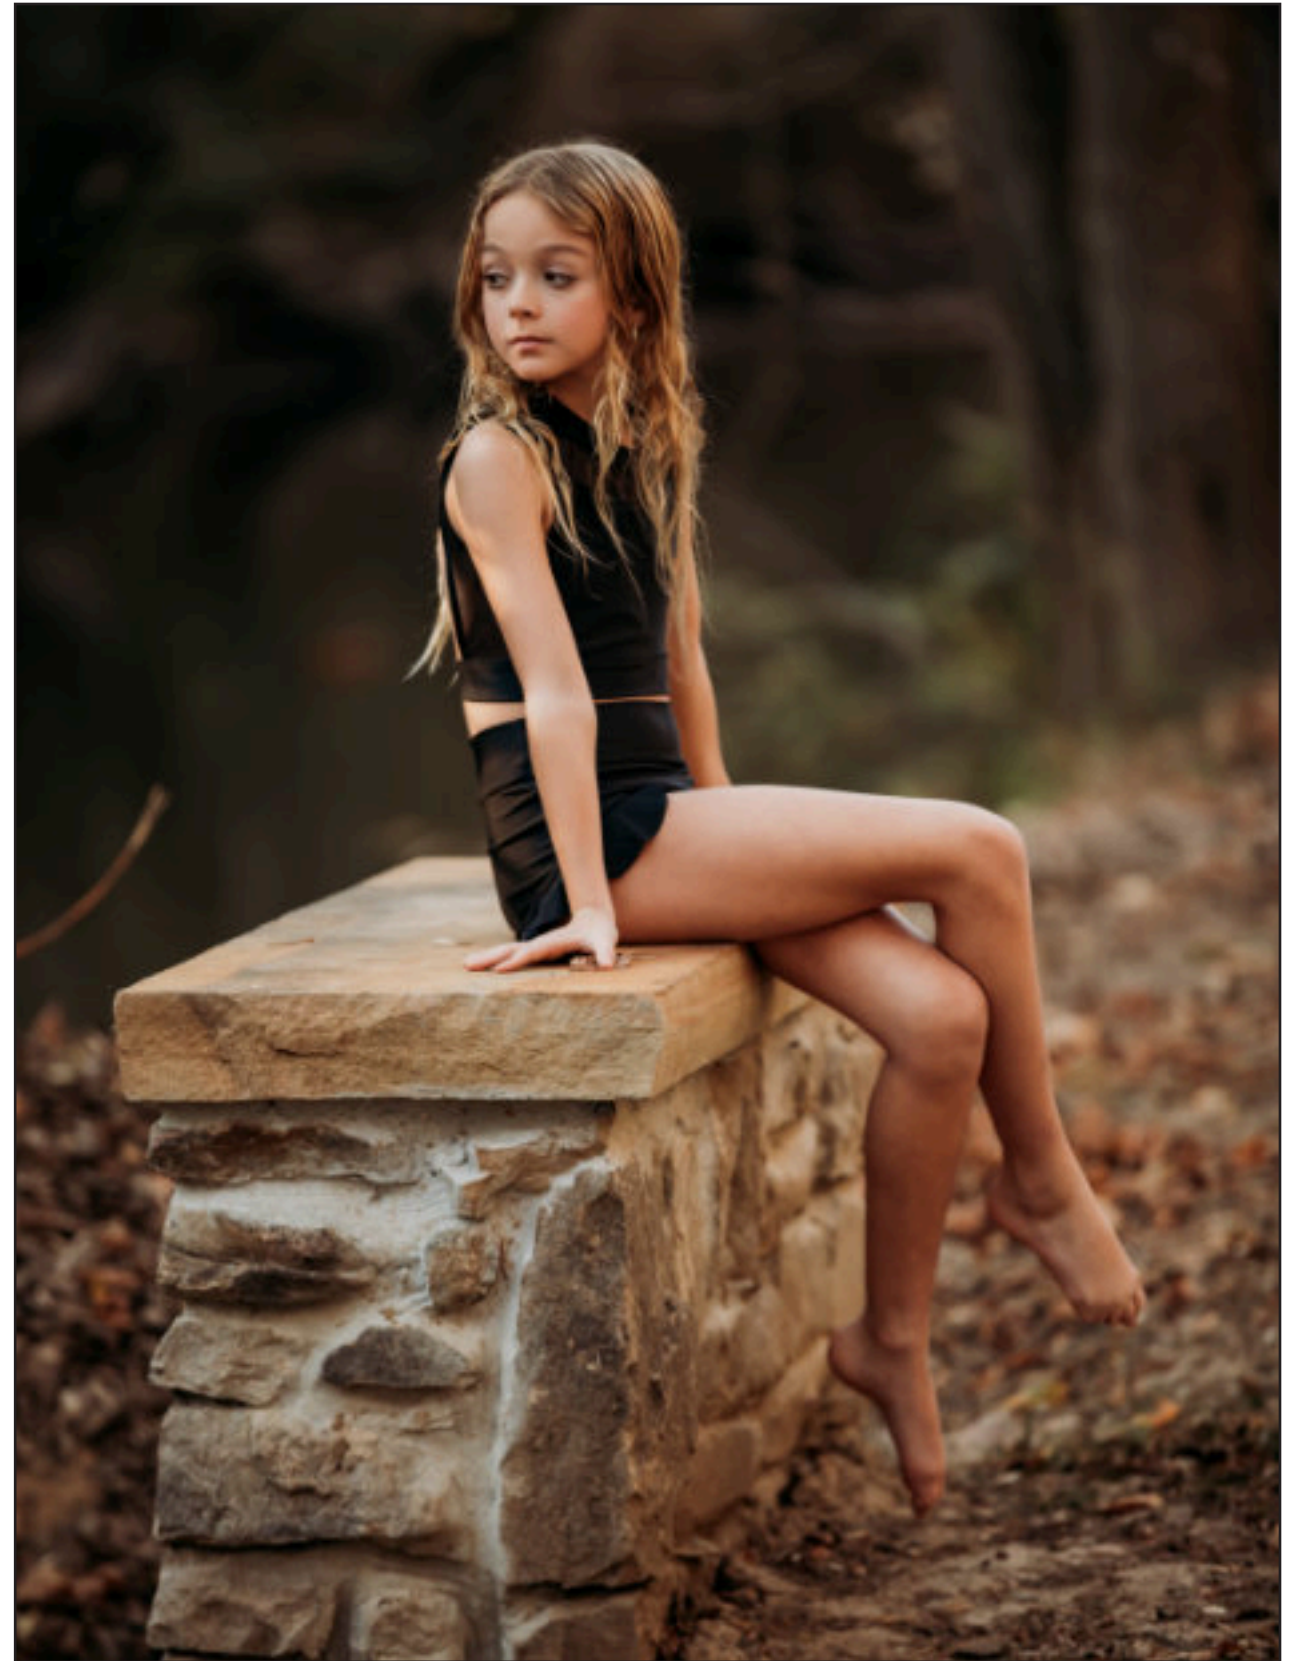

entertain people. This is my 1st year performing a solo and so far I've had two 1st place wins, a 3rd place, and a 5th place. I love getting 1st but probably learn more when I don't and know I need to put in more work. Dance is everything!!!

My names Faye Delune, and I'm A Professional Model, Musician, Artist, Writer and Photographer, of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Art, Writing, Music, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, Artist, Writer and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My

Career, I Have Also Been Awarded and Published Over 5 Thousand Times! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave

impacts on me and vice versa.
 I love making art, and love showing it off.
 I hope you enjoy my work, and I welcome you to my world.

My name is Kingsley McGrath, I am 8 years old and the youngest of 4 children. I have been dancing competitively for 5 years and love every minute of it. Dance has helped me grow in so many ways, it has given me so much confidence on and off stage, it has taught me hard work and dedication, and best of all it has given me some of the best friends I could ask for.

I am hoping to one day be a professional dancer and model. Besides dance I love doing makeup, and filming youtube videos. I am also a huge animal lover, I have 2 dogs a cat and a hamster and just love every animal I see.

I have had the opportunity to be featured in a couple of magazines and hope to do more as well as start acting and being on the runway. Photos Credits: @leannerosephotography

My name is Olivia Spiro, but my family and close friends call me Liv! I started dancing when I was 2 1/2 years old. I am currently 7 years old. I train 5 days a week in ballet, lyrical, jazz, tap, hip hop, musical theater, and ballroom. I joined the competitive dance company at Perfect Pointe Performing Arts Studio, run by director Jessica Barlow, in Sparta, NJ three years ago and haven't looked back! I compete in 4 group dances, jazz, lyrical, tap and hip hop. This is my first year competing a solo! My solo, "Cool Kid" is a musical theater number choreographed by Jessica Barlow.

About 2 years ago I decided to give ballroom dancing a try! I joined The Ballroom Dance House in Pompton Lakes, NJ. I train in the Latin dances, Cha Cha, Samba, Rumba, Paso, and Jive.

About 1 year ago I started competing at ballroom competitions as well. I found that all my previous training really helped in ballroom!

When I am not dancing I love to model! I am currently signed to Take 3 Talent in NYC. Through my dance and modeling experience I've been signed to represent a few dance brands. I am proud to be a CB Girl for Chelsea B Dance Wear and a brand rep/model for JD Dance Designs by Julianna D photography.

My ballroom dance experience has brought numerous opportunities. I am thrilled to represent The Ballroom Project dance convention by Lacey Schwimmer as a Killer "mini" Bee.

I hope to continue with a dedication to my training and aspire to become a professional dancer one day!

I want to thank all my teachers, who I am lucky enough to work with each week and who push and challenge me everyday:

The Bald Gawdez

I Am The Bald Gawdez, a very humble soul filled with love and light. I am a mother to my throne of five kings and a glamflower (grandmother) to my two lovely, awesome extensions of my lineage, a six year old princess and a seven year old prince. My greatest accomplishment in life that definitely holds the most weight is being a mother.

For the last 15 years, I have navigated through life as a Lupus Survivor and Warrior. I was medically diagnosed in 2016, however I lived with the excruciating symptoms for years, while doctors tried to figure out what seemed to be a long lived medical mystery. Within the last two years, this battle has presented me with many challenges. Although I push through with a positive attitude and good energy, the fight can sometimes take a toll on me mentally and physically. There have been many short lived moments where I wanted to give up. The emotions of defeat somehow gave me the fuel and ammunition to not only start advocating for myself more vocally, it also led me to slowly get involved with advocacy as a whole. My intentions are to be a voice for the voiceless, to empower those that feel powerless and to become as knowledgeable as possible about this unpredictable disease in an attempt to be proactive. There is also a dire need to make medical professionals and especially lawmakers aware of the effects that this chronic, life altering, debilitating disease has on the lives of people living with it. This disease is so vicious and erratic that medical professionals possess very limited knowledge about the root of the disease which leads to a very limited ability to properly treat it which ends up in a lot of trial, error, and failure.

Through it all, the good, bad, and ugly, my motto is, Do It Anyway! As a

challenge to myself and because my inner child didn't think we were good enough, I started modeling with TLA as a 40 and over model in June of 2022. Terri Stevens casted me to walk in my first fashion show. I was an extra in my first movie, The Lyricist, produced by the amazing Kei LaGuins. I also worked with the very talented Jonathan Perry in preparation for one of his stage plays. Lupus slowly started getting aggressive with me towards the end of 2022 after being in remission for a while. By March of 2023, I was experiencing all kinds of problems including going bald. I was so emotionally devastated and felt like my hair loss was the end to everything. I took time to sit with and process through my feelings and emotions and was able to quickly come to the realization that lupus, going bald, and all the other challenges that I have conquered and have yet to conquer has happened for me not to me. I know it sounds crazy, but in hindsight combined with reflection, being diagnosed with Lupus and all its challenges along with going bald was the best thing that could've ever happened for me. I didnt need anyones validation except for my own, and once I validated myself, I felt amazing. So many strangers, men and woman, old and young, gave me accolades, embraced my baldness and commended me on how I confidently rocked my baldie. On the flip side, I also discovered a group of women that I was totally oblivious to until I

The Bald Gawdez

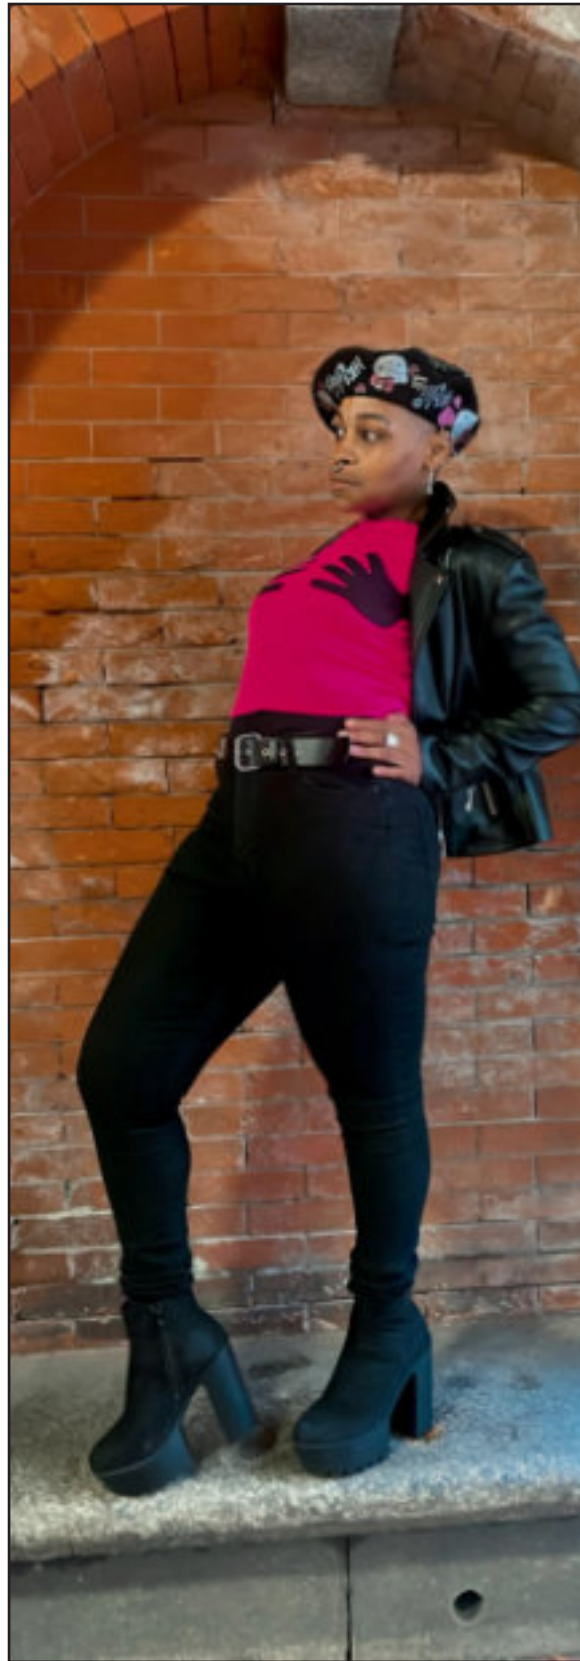

went bald. So many women in so many different settings pulled me aside to give me their testimony about how they were suffering in silence from hair their loss, hiding behind weaves and wigs, and how it had shattered their world and confidence. I pondered creating a platform to inspire, encourage, motivate, and celebrate women experiencing hair loss; but upon research I discovered several amazing platforms that already existed. With more confidence than I have ever possessed in my life, I made my debut into the world as a bald model not knowing or worrying about if I would be accepted because I was content with knowing that being bald is a being a beauty standard. I walked in my second show June 2023 with TLA. In October 2023, I walked for Gina T Fashion and Pop Vintage in a Pose fashion show with one of America's Next Top Models. I also had the pleasure of being in a music video produced by the talented A.R. Crown. In February 2024, I had the great honor and privilege to be apart of Glynn Jackson's fashion production, An Untold Story, at the Bronner Brothers Hair Show. I was recently casted to model for Bald Boss Beauty, in an upcoming show that I'm extremely excited to participate in because it is exclusively for bald women. I also have four other shows that I'm currently casted to walk in, including a fashion show for Lupus Awareness, put together by Dyamond Nytes, where I will also be a guest speaker. I always pace myself and cross paths with opportunities that align with my spirit. Just like my look may not be for every designer and what they'relooking for, I am just as selective in who I choose to cast for. I am a bald model, over 40, living with the challenges of a chronic and debilitating disease that has no cure. I am the epitome of no matter how massive the odds are against you, Push Through With Confidence and Do It Anyway! Much love and light to you all. Peace!
