**Faye  
Delune**

My names Faye Delune, and I'm A Professional Model, Musician, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Music and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

I AM SHE & SHE IS ME: Who is she? Isha Larie!

I'm a confident forever young 51-year-old, mature woman. Who has accomplished a great deal within a short amount of time. In this new chapter of my life, I have walked in 10 different fashion shows throughout central PA/ NYC and Atlanta GA.

I believe in investing in myself, because if I don't believe in myself, how can I convince others to believe in me! I strive for success by keeping my portfolio current and vibrant. Attending networking and community events is a way of me keeping active in my present with and others.

One of my dreams is to walk the runway in NYC during Fashion Week for a major designer. Then be featured on the front cover of Essence magazine. As far as my acting aspiration, I would love to have the leading role in a Tyler Perry Film alongside a box office actor/actress.

The biggest challenge I've faced in this business is people are not loyal or honest and you have to be very mindful of whom you decide to trust with your career.
