Hello

My name is Raphaela Gabrielle

I'm a mature woman age 51. It's never to late to fulfill your life's dreams. I'm what I call an old soul in a young body. Fearless and petite I am. I am a full Spiritualist who loves to tell her

story with anything mystical or anyone else's as well. I have always loved to face a camera and express deep emotions from my deepest cores. Combining these two skills can't make me any happier. They are my deepest wishes. I am learning Hebrew as well, and would love to play Mary Magdalene on screen, as I do not believe we

have really ever told her story. I have as well met my true soulmate who I have married. We share too beautiful boys, and a love that would stand a test of time. To ever see it written and acted on the screen by me, I could live and die tomorrow so to speak. We will be a happy LA Family by the end of this year. That's when my Story begins.

My names Faye Delune, and I'm A Professional Model, Musician, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give

Me A Story To Tell" / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. Through the years, I've been studying and learning Modeling, Music and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands,

and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world. ~ Faye Delune
