My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist and Photographer, of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art, but Online Content is my main form of art. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, writer, artist and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

Faye Delune

Hi, my name is Dee Hefner, and I'm 11 years old. I've been acting since 2020, and I can honestly say I love it more than anything else! There's something magical about being on set, getting to step into a new character's shoes, and telling a story with a team of creative people. It's exciting, challenging, and just plain fun.

I'm really proud of some of the things I've been a part of. You might have seen me as Ivy in *Attack of the Corn Zombies* (2023), *The First Harvest* (2023), on *Union House Hotel* (2024) or on *Chicago Fire* (2023). I also played Wendy in *The Evil Three* (2024), which is currently in film festivals but will be available to the public soon. I can't wait for *Bad Apples*, *Grind*, *Nahual*, *The Ties That Bind* and *Return of the Corn Zombies* to come out in 2025! It's been awesome to be a part of so many exciting projects!

I'm also really proud of the awards I've won. I got Best Young Actress at the Hollywood Blood Horror Festival for my role in *Evelator* (2023), and I got the Scene Award for Best Lead Actress in a Short Film for *Echo* (2023). Plus, I won Best Child Actress at both the Roshani International Film Festival and the LensFame International Film Festival for *Manic 3: The Bloodline* (2023). All these awards remind me to keep working hard and doing what I love.

When I'm not acting, I enjoy singing and creating art. I like to draw characters from shows I love as well as original characters, and it's a fun way to use my imagination when I'm not on set. I also have recently started attending Horror Cons, as a special guest! It is really cool to be able to introduce horror fans to some of the films I have been a part of, sign articles and show off some of my original designs. I love spending time outside, it is so soothing and calming to spend time in nature.

I'm represented by Gray Talent Group in Chicago and managed by my mom, Michele Hefner. You can connect with me on Instagram, X and Facebook. You can also see more of my work on my IMDb page [atimdb.me/Delilah.Dee.Hefner](https://www.imdb.me/Delilah.Dee.Hefner).

I'm so thankful for all of the amazing experiences I've had in my acting journey so far, and I can't wait to see where it takes me next! I'll keep working hard and learning, and I hope you'll keep watching!
