I have been playing year round for going 10 years. My biggest challenge was transitioning to the bigger field 60x90. It takes longer to run between bases. As a pitcher and shortstop you need a stronger arm to reach home plate and make plays in between bases. I have achieved on my speed being faster in the bases and stronger in the arms

and legs.

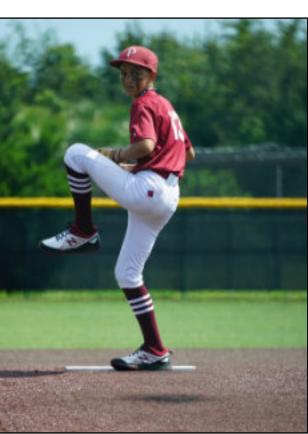

My goal is to continue working hard everyday and become a better ball player then what I was yesterday. Also to sign a division 1 scholarship. My dream is to be drafted by Mayor League Baseball.
