I have been playing year round for going 10 years. My biggest challenge was transitioning to the bigger field 60x90. It takes longer to run between bases. As a pitcher and shortstop you need a stronger arm to reach home plate and make plays in between bases. I have achieved on my speed being faster in the bases and stronger in the arms

My dream is to play for England or Turkey Womens football team. I am half Turkish so I could play for either.

My achievement was winning the goalkeeper wars competition and since then I have started doing goalkeeper training every week.

Some challenges are that I play for a team that is all boys apart from me and sometimes other teams say I shouldn't be playing or say girls shouldn't play football. I want to prove them wrong I love playing football and my team are all my friends.
