My dream is to become a professional soccer player and play in the English Premier League. I also want to be the USMNT all-time leading goal scorer.

I have managed to achieve some really cool things already. I was selected to train at Pure Soccer Katy's - Academy Elite program. This program has helped my development more than any other

training program. As a result, I was selected to the All-American Youth Series 2021 and when I was there, I was selected for their Allstar game where I scored 2 of the 4 goals that night. I was also selected to participate in the "Barcelona Soccer Experience" after being noticed at a local Houston camp. I went and trained in Barcelona with Barcelona FC coaches for 10 days. It was exciting!

On the field my teams and I have won a few tournaments and trophies.

- 2020 TYSL Fall Champions U8
- 2021 Reliant Energy Power Cup Champions U9
- 2021 Dutch Lions 3v3 Champions
- 2021 3v3 Turf Cup Champions
- 2021 South Texas Showdown U9 Champions

I also love to go fishing. My personal best is a 4.0lbs. bass and a 5.0lbs. catfish.

One of my challenges has been my size. I've always been the smallest guy on the field and so I've had to learn to play smarter and use my abilities to my advantage. Getting knocked down and finding the strength to get back up is hard. I have taken a lot of fouls, but it has made me a tougher player. Another challenge I've worked to overcome is dealing with the negativity that all players must deal with. Whether it's other players on the field, coaches, or sometimes teammates it's hard to overcome the negative comments, yelling or insults, and keep my mind focused and clear of these distractions. I still struggle at times, but I like to think I have come a long way since I started playing.
