Aiden enjoys all sports. His favorites are wrestling, football, track and trap shooting. He also plays baseball and basketball. He plans to run cross country this year as well. He excelled in track and field this year qualifying for sectionals in all four of his events. He also won best jumper award for track. Even though

he is currently in middle school, he plans to attend Eastern Illinois University once he graduates high school and continue his athletics there. He hopes to some day play professional football as tight end for the Pittsburgh Steelers.

Beckett Peacock

My name is Beckett Peacock. I'm a 10 year old multi sport student athlete from Daphne, Alabama. I play baseball, football, and wrestle. In baseball I play for the Gulf Coast Edge (AAA/Major). I am a First Baseman, Pitcher, Outfielder or whatever is needed from my Coach. In Football I play Quarterback and Outside Linebacker at Daphne. In Wrestling I've finished top 4 in the State of Alabama 3 years in a row for Gulf Coast Wrestling Club. In school I maintain straight As. During my downtime I enjoy fishing and weight training. My goal is to keep getting better everyday. A big part of my success is from my work ethic my parents have

instilled in me and from my many great Coaches. Baseball would probably be my favorite sport and hope to one day play for a SEC school, but every season I change gears and love each sport equally. My favorite part of playing sports is playing at a high level with my friends and enjoying the process. You get to meet a lot of great people along the way all of which share the same goals and work ethic. I just try to stay focused on the end goal and strive to keep getting better. Hopefully one day I make it to the top until then I'm just enjoying the journey. You can follow me on Instagram @beckettpeacock.

”

“A quitter never wins-and-a winner never quits.”

My name is Rob Friss and I'm a bodybuilder in his mid-fifties looking to add a few International titles to my competitive achievements. I will be competing in Northern Cyprus and Mexico in two and three weeks from now. And then it is my intention to compete in Mr. Universe contest this November...the culmination of years of hard work...and years of manifesting what began in a basement with a box of weights in my hometown

of Edmonton, Alberta.

Challenges...who doesn't have them? It's only a "hurdle" if one perceives it as such. So it's up to us to jump over or sit there. I will jump over. Mindset is everything.

The world I've created in my mind is the only world I'm concerned about. This whole "lifetime"

Rob Friss

we are all experiencing presently is just a dream anyways right?

Rosalie Wood

My name is Rosalie Wood, I am 8 years old and I am involved in club soccer with the Solar soccer club, Wrestling with my future high school team and Jiu-jitsu with CAYA martial arts, I even gave Lacrosse a try for a season. I love just competing in all sports, this summer I am considering trying out judo, horse riding and gymnastics.

I love walking onto the mats at the tournament and can't wait for the ref to blow his whistle to start the match! Before and after every competition I always pray with my family to help calm my nerves and get my head in the game. I love that my family members compete in the tournaments too so we get to spend the day together cheering each other on.

I still get very nervous before the fights but I try and remember our family motto. We are Star Wars Fans so our motto is from Master Yoda "Do or Do Not There Is No Try." because of this motto I always want to be the best at whatever I do in life so I go into the match with everything I have.

I started jiu-jitsu in April of 2021 and after 3 months the coach said I was ready to compete! I have competed at jiu-jitsu world league in gi as a white belt 4 times and won 2 golds and 2 silver. I also competed at AGF and got 1 gold for gi and 1 gold for no gi. Soon I will be a grey belt and hope to compete in some submission hunters and IBJJF tournaments.

This April my sister's high school coach asked if anyone had siblings that wanted to do spring freestyle wrestling so I joined the team! After only 5 lessons I went to my 1st match and got 1st place in freestyle wrestling going against boys. I also tried out Greco-Roman and got 2nd place! I went to several other tournaments and ended the season the last week of May winning Gold at the Texas State wrestling and the Womens National wrestling tournament that was held in Fort Worth Texas.

I have been playing soccer since I was 4 years old. I love my teammates and my coach, together we have

brought home many trophies and medals over the years for indoor and outdoor soccer.

I tend to be very quiet and shy but I do enjoy the friendships I have made with other competitors as we sit on the sidelines and in the bullpits before the matches and games.

One day when I'm older I hope to be a world champion in at least 1 sport. I have thought about maybe joining the military when I am older so I can travel the world competing for them. My ultimate career choice when I am grown is to be a dentist. I love teeth and I enjoy going to the dentist, so I hope one day I can help others not be nervous of the dentist so everyone can have healthy teeth.

I want to be a NFL player. If that doesn't work out I would probably be a personal trainer. The reason I want to be a personal trainer is because I like to help others get better. Ryan Rivera.
