My name is Sabina Košárková, I'm 16 years old and I'm from the Czech Republic. I'm professional cyclist riding for SUNN BMX TEAM and Kellys Factory Team. At the age of 9 my dad brought me into bmx racing. In the Czech Republic I've been trained and raced a lot with the boys and I think this really helped me, I wanted to be like them, I tried to jump big jumps and it was even more fun to keep moving forward like that. Since 2017, I've been collecting great successes in international competitions and my biggest successes are 2nd

place, 2x 3rd place at the World Championships and 2 times European vice champion. My goal is to win the world championship and make it to the 2024 olympics. In addition to BMX, I'm racing downhill since 2020. I get a lot of adrenaline there and I enjoy it a lot, I was 3rd at the European Championship in 2021 and that's one of my great achievements. Unfortunately, both don't go well together, so the priority for this year is more BMX.

I am a big fan of Erling Haaland, and also Dusan Vlahovic. But closer to home I have some idols too: like Paul Gladon, center forward of Fortuna Sittard, Eredivisie team in my hometown. In January 2021 (9 years old) I started playing football at a club near my home, after I did athletics for several years. Football virus suddenly had a grip on me and I started playing, reading and watching football more and more. So decided to join a club. The playing level of that u9 team was low, they did not really want to achieve goals, nor they thought winning is important. But I liked playing the game and scoring goals. I started training more often, from two club trainings to even 5 training sessions per week. Why? I dream of becoming a pro football player. To reach that goal you need a good portion of talent plus you

need to invest in yourself. Technique, pace, ball handling, football IQ, reaction speed... the whole package. Hard work is necessary. And I love it!

After the summer period of 2021 we skipped u10 and became a u11 team. Sadly I did not feel good in that team. A position in another club and team, playing at higher level, was offered and I joined them. Perfect choice because I feel great, we play great together, always battling for the win. We managed to promote from 2nd to 1st level. Meanwhile I keep working hard to become better, on my way to my goals. I love to be a pro striker. But first things first: I would love to get the chance of playing and showing my talent, dedication and mentality with a pro youth team soon!

for 2022. Prevailers Elite went on to win multiple tournaments and competed in the Kansas state championship tournament.

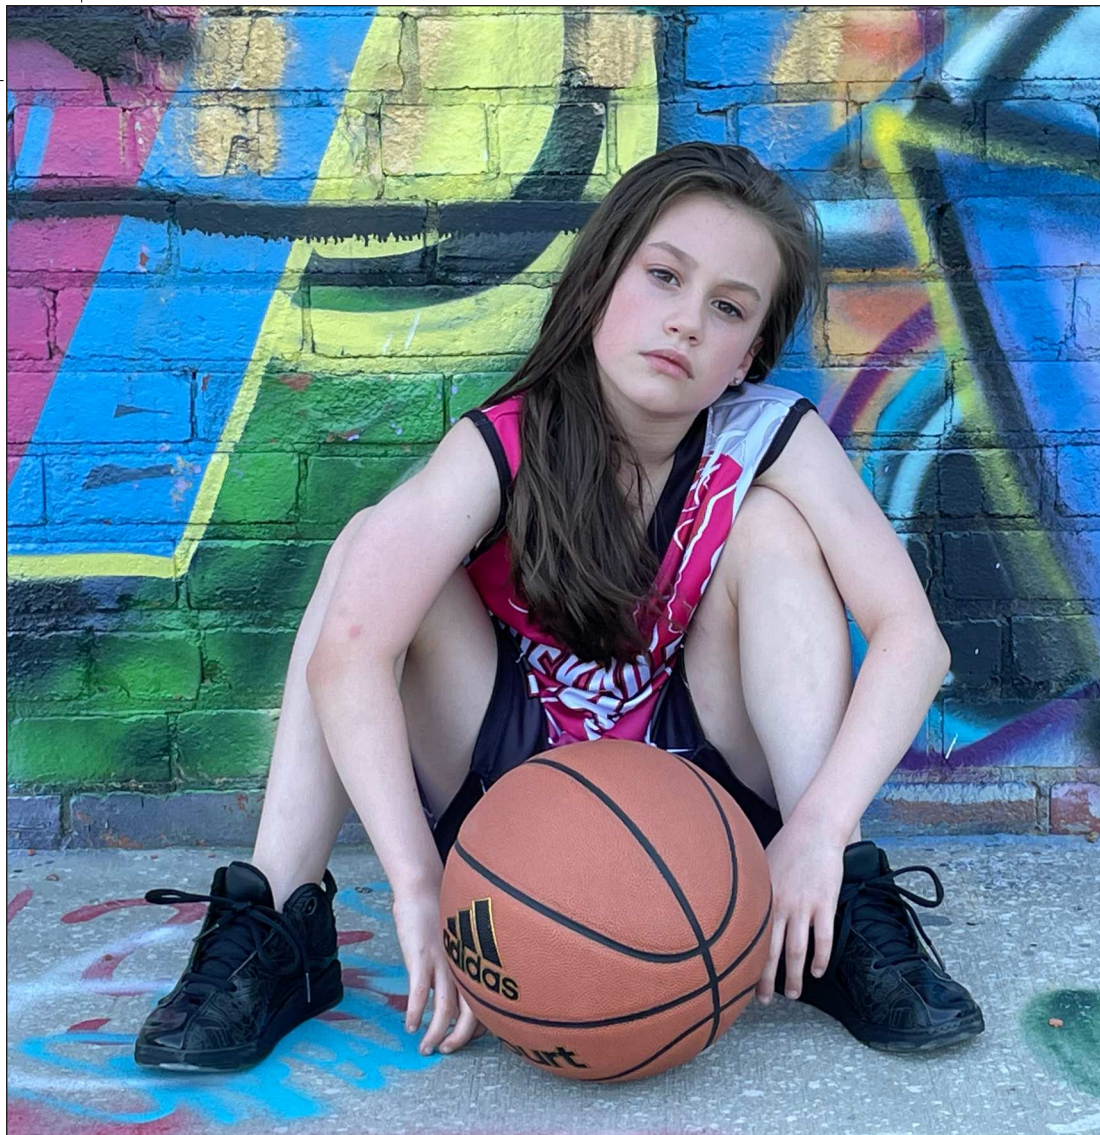

Maddison is also a very talented dancer. Maddison started dancing at the age of 2. She became a member of a competitive dance team (Limelight) by the young age of 6 and won her first national championship at the age of 7. Maddison's favorite type of dance is tap and Jazz. Maddison also loves training in Acro. Maddison values the increase in strength and flexibility her dance training brings to her sports.

# Lucia Lubrano

My name is Lucia. I am a footballer. Football is my everything. From goals to practice sessions, I have always dreamt of becoming a better player everyday and the sweat I put in practice will definitely yield results one day.

My name is Luka Krenak, I'm 9 years old, from UK and I my biggest dreams are becoming famous footballer and actor.

I have been playing football since I was 4 or 5 for a local team and now I also train with Norwich City FC and Cambridge United football teams at regional level.

Most recently I played as a right of left wing but also like goalkeeping.

To help with my flexibility, strenght and stamina I also do gymnastics and compete at regional level.

I have started my acting journey playing Little James Musgrove double in Netflix film Persuasion with Dakota Johnson.

Getting a great feedback from her and the 1st asst director on the set encouraged me to join performing arts school Stagecoach where I stayed for 2 terms.

Since then I have been really busy with other projects.

Just to name few, I play Daniel in upcoming short film Grimaldi and Panda in Grey Matter.

I also filmed a commercial for Ryobi tools.

When not acting or playing football I play piano, sing and dance.

I love trying on and buying cool outfits and take every opportunity to pose in front of a camera.
