My Name is Braylon Ragins, and I am an athlete from Bristol, Connecticut. I am 11 years old, and I am heading to the 6th Grade. I play Football, Basketball, and Lacrosse, but I love all sports. Some of my favorite things to do outside of sports, is hanging with my friends and family, playing video games, and coming up with jokes to tell my friends.

**Dream(s):** My Dream is to become a Professional Athlete and a coach or sports commentator after. I willing to do whatever it takes to make my dreams come true.

**Goals:** My goal is to be the best student athlete I can be. I understand being a student come first, and I understand not handling business in the classroom can stop me from pursuing my dreams. I just finished 5th Grade, and I'm so ready for Middle school.

**Achievements:**

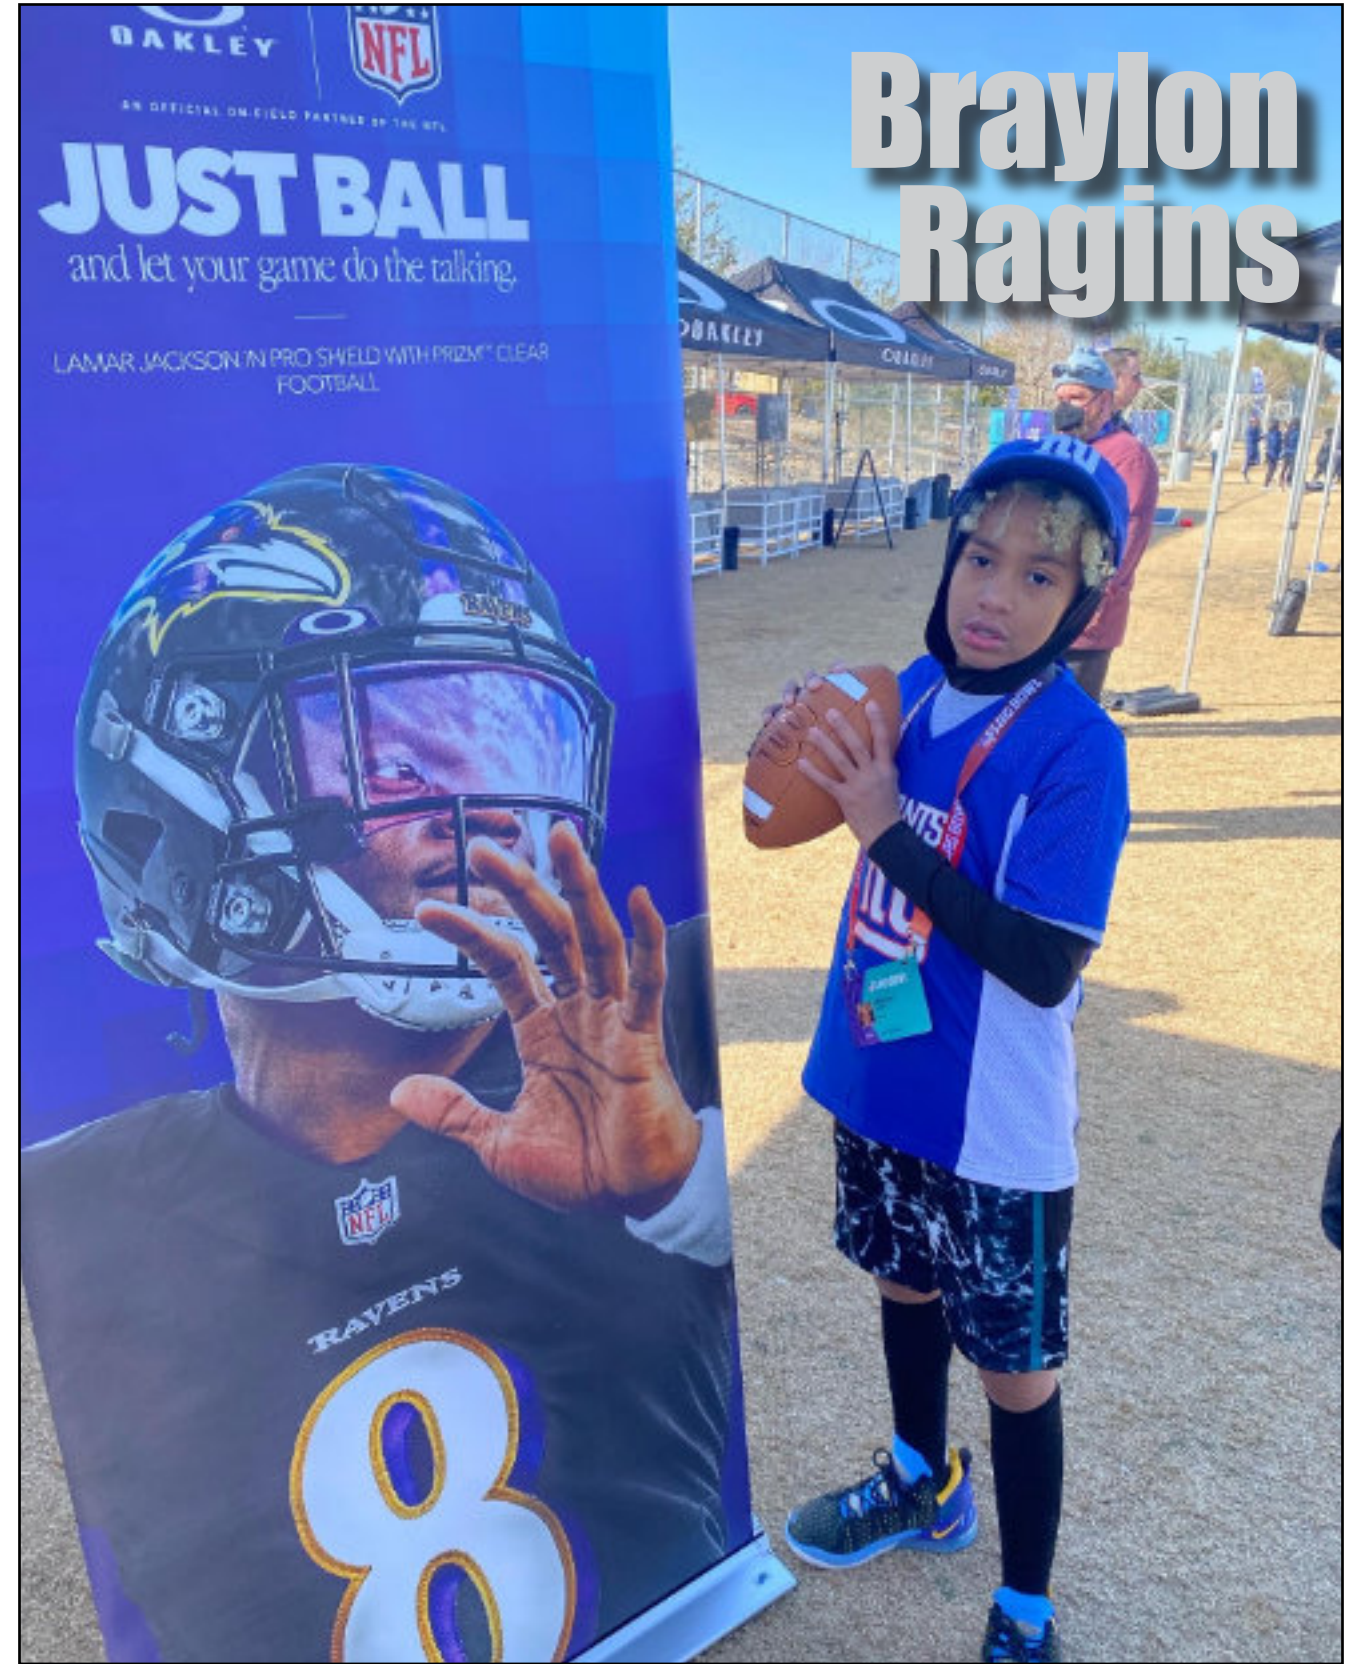

- Football State Champs in 2019
- finished 3rd in the Nations in flag on a National level. Had an opportunity to compete at last year Pro Bowl in Las Vegas, Nevada.
- 2021 State champs in Lacrosse.

**Challenges:** No real challenges, I'm just grateful I'm able to do what I love everyday. I am grateful for all my coaches who volunteer there time to teach me not just sports, but life lessons and how to hold myself accountable. I'm grateful for my school and all my teachers /staff who puts up with all my jokes. I'm grateful for my parents who always find a way.

# Dinara Yasser Omran

I am Dinara , 10 yrs old tennis player dream to be a famous tennis player and win all grand slam and be number 1 in WTA . My favorite tennis player Dinara

Safina and Maria sharabova My father and mother support me all time my father is my tennis coach .

**Jean Imperiali  
De Francavilla**

A little French prodigy to follow ...Jean Imperiali de Francavilla, this young player, spotted by the French Golf Federation at 6 years old. Jean discovered the joys of having a Golf Club in hand and hitting the little white ball at 2 years old in Portugal and then in Marrakech where he definitely became passionate about this atypical sport for these children, at such a young age. Very quickly Jean was spotted wherever he played, whether in France or in the United States. He had the natural swing according to those who observed him and we, as parents, are there to allow him to progress and satisfy his passion, here and elsewhere.

Jean won his first competition in Portugal at Pine Cliffs at the age of 5 and then he chained a number of victories or podiums in France and abroad. A fifth place at the World Championship in Ireland in 2021 (organized by COC Irish Open), a victory at the Brazil Invitational, numerous victories in France in the championship (alone or as a team), and during this summer 2022, a qualification for the final the Haribo Kids Cup which will take place in September, a fourth place at the Canadian Invitational, a 19th place at the World Championship organized in Palm Desert (FCG)...

A young talent to follow, like many others, who appreciates and who has the pleasure of finding himself everywhere on the circuits. This creates beautiful friendships, based on the values of sport, interculturality and on this passion for this little white ball, which it is necessary to position in a small hole, a few hundred meters away sometimes with the fewest shots possible while thwarting the characteristics of each course. What a challenge for Jean and for all these young golf hopefuls.

Smith**

# Oliver Turner

evo-so

# Oliver Turner

I've been playing football since I could walk.

My dream is to be a premier league footballer, and play for Manchester united one day.

My favourite footballer is Ronaldo!

I play for Denton Youth U8's and since we began playing together 12 months ago we have won cups and trophies together and are in the highest division for our age group.

I play striker mostly, and sometimes on the right wing. I love training, and learning new skills 🙌

my name is Santiago Florez, I practice Bicicross, it is a sport that I love and I dream of being the best bicyclist, that is why I train with a lot of commitment, my goal is to be in world competitions and in the Olympics in the short time that I have been practicing the sport. semi-finals and finals and have won several medals. Every day I organize

practice and study time to have high performance in my two activities even with fatigue and falls I have not allowed myself to be overwhelmed because I like what I do
