Hello,

I started my fitness journey in 7th grade when my girl friend introduced me to cross country & track. I soon began bodybuilding as well.

Being an online entrepreneur I sit many hours behind a desk. I started to gain weight making me feel tired & depressed.

I hired several trainers to teach me bodybuilding & nutrition. After seeing results I got addicted. The past 3 years I have graced the covers of several fitness magazines including BarbellsFitness.com, Better Bodies & Winobel Athletic wear giving clients 50% off with code Cheryl50.

I have created my own workout videos & bodybuilding app

ShrediTraining with 5 other pro athlete which can be found on my Instagram at cheryljacobs_fitness.

I am living proof you can get in the best shape of your life over 40 naturally. If I can do it so can you.

Regards,

Cheryl Jacobs

Christian Payne, a standout Defensive End from Harvest, AL is doing what it takes to blast off his football career.

Located just outside of the Rocket City, Christian has grown on and off the field since relocating to Harvest.

Like many athletes, Christian's dream is to attend college and play for a Division 1 program. However, Christian has set some goals for himself to reach along the way.

The young defensive lineman began planting seeds in elementary schools while attending the Annual HIP Football camp from 2017-2019 in Youngstown, OH. But it was during this most

recent offseason where Payne began laying the groundwork to achieve his goal of playing in the All American 2028 game.

During the off season, Christian began working out with trainers at Body Creations Inc (BCI) in Madison, AL and Winning Edge Training in Birmingham, AL to improve his agility and defensive skills. The hard work paid off and Christian attended the Football University Camp in (Montgomery, AL) where he was able to sharpen his skills among some of the best players and coaches in the country.

After participating in Montgomery's camp, Christian is seemingly on a fast track to greatness. At a time when most kids are taking off for the

summer, Christian participated in 3 camps starting with the Nick Saban Football Camp and then the US National Middle School Training (USNFT) Camp in Ann Arbor, MI.

During the USNFT Michigan camp, hundreds of kids from all over the nation not only came to learn from Division I coaches but also cement their place in history along with All-Americans before them who also attended the same camp like Mac Jones, Dwayne Haskins, Jameis Winston, Trevon Diggs, Demerick Gary, Malcom Brown, and Chase Young.

Christian ended the summer in Naples, FL after receiving an invitation to the Football University (FBU) Top Gun Showcase. During the Top Gun showcase, the best Middle and High School players in the Nation participated in position-specific skills course to challenge their agility and learn what it takes to make it to the next level. Like FBU Alumnus Trevor Lawrence, Najee Harris, Christian Mccaffrey, Jordan Reed, Joey Bosa, and Johnathan Allen.

At the end of the summer 2022, Christian began his first middle school season and has experience some challenges while meeting new teammates and trying a new position, Center. In addition to short and long snapper position on special teams. Now placed on the other side of the ball, Christian has risen to the challenge and has a better understanding of the line of scrimmage and is able to allow the Offense to move the ball down the field to allow the team the chance to score and make better plays as a team.

Although, busy Christian is still your average preteen and loves to play Madden NFL 23 and NBA 2k23 with friends or spend time with his family but the young Payne is definitely doing what it takes to make his dreams reality.

My name is Kye Rhaon Buckley, 8 year-old, Korean Australian.

Since I was little, I have loved all sort of sports such as soccer, handball, basketball & beach sports, to name a few.

I have always been active and athletic.

During Australia's summer months I have been participating in Nippers for 3 years now and became the U8 male nipper champion in 2021. Nippers is a great sport for the fitness and confidence especially in the Surf conditions, However, most of all, soccer has been always my thing, my goal and my dream.

I joined a community soccer team in 2009 at age 5

and won the best and fairest award for the first year and the following year consecutively.

I then moved to Magic United for professional development training at age 7 and got an offer from Gold Coast Knights in the same year. It was a big change and a commitment but still so much fun and so many things to learn. I have been playing in every position but mostly at left-wing and midfield. It has been a great journey for me so far and I'm so looking forward to working hard and i'm excited to see what the future is going to bring.

You may see me in Brisbane Olympics in 2032!
