My dreams are to make my mama & daddy proud. I want to be a professional football player & a youtuber. I want to be the best at whatever I do, & make a name for myself. I have always been told that

hard work pays off. So that's what I'm going to do! I will never settle for less! I plan to be one of the best players in my class of 2032, if not the best! I love to have fun and play with my friends & family. My brothers & sister are my protectors. We are all one! Love Tyson.

My name is Braxton Button Boulton. I am a 5 year old keen golfer. I am from the midlands in the uk and play golf at my local club. I started having lessons about 13 months ago and playing in my clubs monthly competitions in March this year winning 3 of these and always coming in the top 3 being the youngest to play this is a great achievement. I have improved my game a lot and am looking forward to playing bigger competitions over the next year. My dream is work my way up to one day play in the DP tour and the PGA tour. I loved a day out at the British masters watching some great golf being played and meeting some of the top golfers in the world. I like to watch Rory mclroy and Ricky fowler and follow their game play.

ONeal**

I'm Shakai O'Neal, future ball player ..I love sports especially football and basketball ... I play for the Polk county mambas 6u , I'm class of 2033 I'm a running back / quarterback & I also play linebacker 🏈 football is my dream sport

My name is Caleb Levis, I am 9 years old and love all sports, but baseball is my main focus. Since I started walking, I had some sort of a ball in my hand, whether it be a small basketball, soccer ball or just a ball in general. I started playing baseball at Mira Mesa Pony when I was 3 years old, playing in a 6u tournament at just 4 years old, I was a born natural. I switched over to Lakeside National when I was 5 and continue to play there. In 2020, I joined the San Diego Stars for the 7u division. Since then, I have been a 3 Time selectee for Little League All Stars; winning 2 Golden Glove Awards (2021/2022). With San Diego Stars I won 2 MVP's, 8u World Series, 9 Championships and 8 Runners up.

My greatest challenge is to learn to patient when I am up to bat. I always want to hit the ball, so I tend to swing at bad pitches instead of waiting for my pitch and forcing it.

When I grow up, my dream goal is to be an MLB pitcher like Josh Hader.

Hello, My name is Chandler Floyd. I am a seven year old student athlete. I love sports: baseball, football, and basketball are my favorite. I started off playing baseball, which led to me playing football and basketball. Although I love them all and have a basketball championship early in my career. Football is my favorite sport! It's what brought me here! Football is so fun to play and I love it. Even though there are challenges such as weather, injuries, and other things I always do my best in whatever I do! I have scored many touchdowns and have created many highlights as

an athlete, but recently football has brought me so much success, such as my first sponsorship and viral content! When I grow up, I dream of having a successful life whether I'm playing sports or owning a business! My family teaches me a lot and I always work hard! One day it will all pay off as my coaches say! To all the athletes continue working hard and beating each challenge.
