When I was 4 yrs old I started golf and karate, sports has become a part of my life. My dreams are that sports provide a platform for people to come together. My goal doesn't need to be reached, only aimed for. In challenges, everyone gets knocked down, which is why all great athletes get up. Although I've won some tournaments, I met some great friends along

the way that I think will last a lifetime.

Being an athlete taught me about hard work and dedication. My parents would often tell me luck favors the prepared, and as a kid I always say. Don't count the days, make the days count..

une sortie récurrente pour des écoles. Nous avons du parascolaires avec Le Prélude, un partenariat important avec 2 écoles pour le moment. Dont une concentration sport pour la secondaire Georges-Vanier et au primaire et secondaire avec L'Académie Ste-Thérèse... Et tout ça n'est que le début!

Nous avons le privilège d'avoir un impact important auprès de nos jeunes et adultes qui s'entraînent chez nous, qui sont employés avec nous et qui font partie intégrante de notre équipe et de notre développement. Et personnellement, j'ai aussi la chance d'aider au développement du Ninja Warrior au Québec avec un ami et collègue, Pat St-Lo dans la Ligue Ninja Québec.

Au niveau mondial, nous recevons les plus grosses compétitions au Québec avec le plus d'athlètes inscrits! 343 participants au Motion de Granby en fin de semaine passée.

Voici enfin que le tout est médiatiser comme il le devrait! C'est un sport aussi en voie d'être aux Olympiques. Alors... il est maintenant temps pour toi de faire partie de cette vague de Ninja Warrior si c'est un sport qui t'appelle et te facine!

Puisque nos disciplines sont en pleine expansion au Québec, notre vision est simple; faire découvrir l'art du mouvement à notre communauté.

Que ce soit par le biais du Ninja Warrior, pour des propulsions incroyables du corps dans les airs, par l'imaginaire des circuits et mouvements du Parkour ou par le désir de bouger et d'apprendre à maîtriser des exercices tout en s'entraînant en NinjaFit avec son enfant, notre mission principale est de vous transmettre notre passion et nos connaissances pour le sport au travers de ces différentes disciplines.

De plus, nous voulons outiller et informer le plus possible nos traceurs et ninjas. Ainsi, ils pourront mettre en pratique leurs nouveaux savoirs lors des périodes moins encadrées et structurées, tels que le temps libre, une sortie dans un parc ou tout simplement en utilisant tout ce qui est autour d'eux dans un milieu urbain.

Chez Voltizone, c'est un endroit où l'on s'amuse, découvre et apprend;

Là où le mur n'est plus un obstacle;

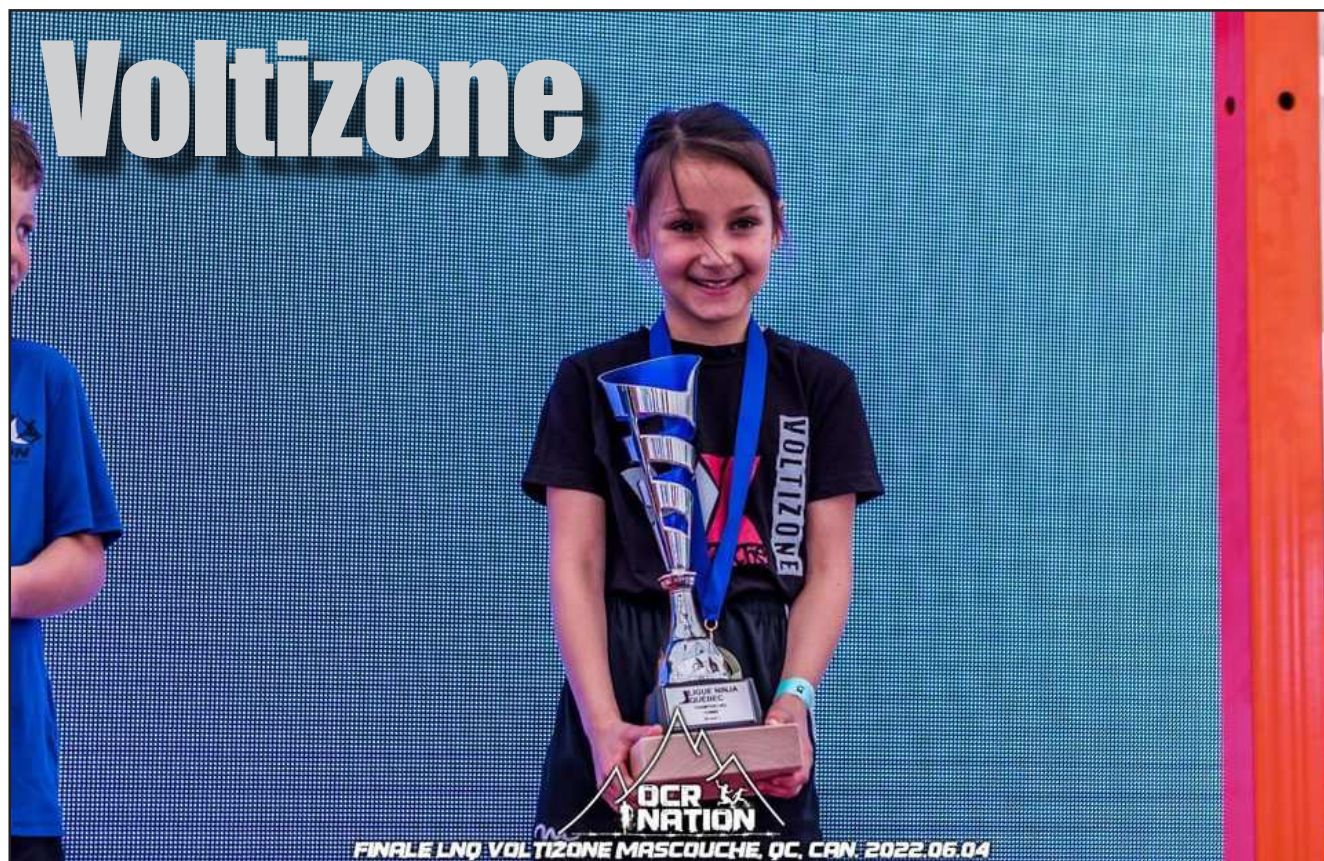

Un endroit de choix!

Cela va maintenant faire bientôt 4 ans que nous et nos partenaires des autres centres Motion, Centre MST Fitness, Le Crux - Centre d'escalade et Drummond parkour, DPK Parkour & Freerun travaillons d'arrache-pied afin de faire avancer et développer ce merveilleux sport au Québec!

Un sport grandissant et qui se fait connaître de façon exponentielle. Nous sommes rendu une dizaine de centres, il y a des concentrations sports qui se développent dans les écoles.

Chez Voltizone, nous sommes rendu
