My name is C.J. (Caden Jace) Richardson, I just turned 9 years old and I live in Mesa, Arizona in the United States. I am a big guy, 4'8 and 126 lbs. My parents said as soon as I could stand, I had a hockey stick in my hand. I hit the ice in full gear at age 3 and joined my first league at age 4. I've had the chance to play with so many teams like the AZ Bobcats, SoCal Hockey Factory, Anaheim Ice Dogs, Ontario Junior Reign, Monarchy Hockey, and the Western Selects. I've trained with amazing coaches like my strength and conditioning coach Michael Holloway, Skating Coaches Kiki Owens and Michael Hensdell, and hockey coaches like Mike Bickley, Brad Donaldson, Brad Perry, Darren of Monarchy Hockey, and Brandon Parra. My biggest dream is that one day I can play in the NHL like my heroes, Connor McDavid, Cam Fowler, Dustin Byfuglien, Ryan Reaves, and my favorite Trevor Zegras of the Anaheim ducks. I just finished my 4th year of 8U hockey and I am moving up to 10U. One of my biggest challenges right now is to find a team that appreciates my size and the way I play. I think my favorite thing is to watch cool edits and highlights of my games on tiktok, Instagram and youtube and travel with my teammates to play hockey in different states.

Liam Reimer

CHELSEA FOOTBALL CLUB
THE PRIDE OF LONDON

My Name is Jayden Stewart and I am 8 years old from Columbus, Ohio. I am in the 2nd grade and my favorite subject in school is Math.

I play a lot of sports but my favorites' are Football, Baseball, Basketball and wrestling. My favorite football players are Tyreek Hill, Justin Fields and Justin Jefferson. My favorite football team are The Miami Dolphins.

I have played about 3 years of flag football and 2 years of Tackle. I currently play for the Legacy Tar Heels. I normally play both ways on Offense RB and on Defense I'm either a OLB, LB or DE. Last year (2022) My Team (Columbus Ice) won the City, State and Regionals and went #3 D1 Nationals in the Country.

In Baseball I always played up except this year. I wanted to wait before I go to kid pitch. I currently play for the Ohio Thunder and I am there shortstop. I normally bat in the top 4 because of my speed and power. My teams and I have won several tournament and I was invited to participate in a all star game being the youngest player.

I have wrestled for for almost 3 years. I am a 2 x National Champion, 2 x All American, 2 x State Champion, 2 x All Ohio, Hellickson League Champion. I have won several tournaments to get me this far.

One of my main goals is to finish school and play football for The Ohio State Buckeyes just like my grandpa and my great grandpa did. My Dream would be to play in the NFL and be as fast as Tyreek Hill and try to make a name for myself.

The best part of playing sports is making new friends and becoming as a sports family whether I'm playing for a team in Ohio or picking up on a team in some other state.

Most importantly I want to thank my Parents, Team mates, Coaches and Friends for all the love and support you showed me and trying to make me the best I can be.

Liam Reimer

Liam Reimer

My name is Liam Reimer and I'm a hockey player. I currently play in the Hockey Super League (HSL) for the 2013 Spartans.

My dream is to play in the National Hockey League (NHL). If I could choose what team to play for I would choose my favorite team, the Calgary Flames.

I currently play for Spartan Hockey but my goal is to switch out of the HSL and make AAA Northstars when I'm 13. My team this year finished off the season with the most points in our league.

I have the most points on my team with 24 goals and 6 assists this season. I was the only one on my team awarded the "approved slapshot award" and got the opportunity to be an assistant captain. During my hockey career, I have played for some of the best teams in the province for my age and the teams are always at the top of their league.

A challenge I have faced during my hockey career was being cut from Sauce Hockey, another team in the HSL. My coaches now at Spartan were willing to give me a chance and I think it has bettered me as a hockey player. I'm going to continue training and doing all that I can to do my best in hockey and I can't wait to see where it takes me.
