Zailey Stoddard

My name is Zailey. I am about to be 11. I started Rec cheer at age 4 and now starting my third year of competitive cheer.

I have worked so hard to get to where I am today. I usually spend 6-7 days at the gym and would live there if I could. In my first year of competitive cheer learned up to level three tumbling skill. I spent this last year on a junior team as a flyer and

that has been my greatest joy this season. Not only do I work hard in cheer to be the best I can be but I ask make sure at school I am equally working hard. I am apart of the leadership team at school and have big dreams.

I am Zailey and I absolutely love cheer.

My name is Annie, I am 8 years old and I am an All-Star Cheer athlete for Magic Valley Elite All-Star Cheer. I started in gymnastics when I was 4 years old then my mom took me to a football game and I seen the cheerleaders and knew right away i wanted to be a cheerleader to. At 6 I moved on to football cheer, we were able to attend some competitions and I fell in love with competitive cheer. I loved watching the athletes do their amazing stunts and knew what I wanted to do next.

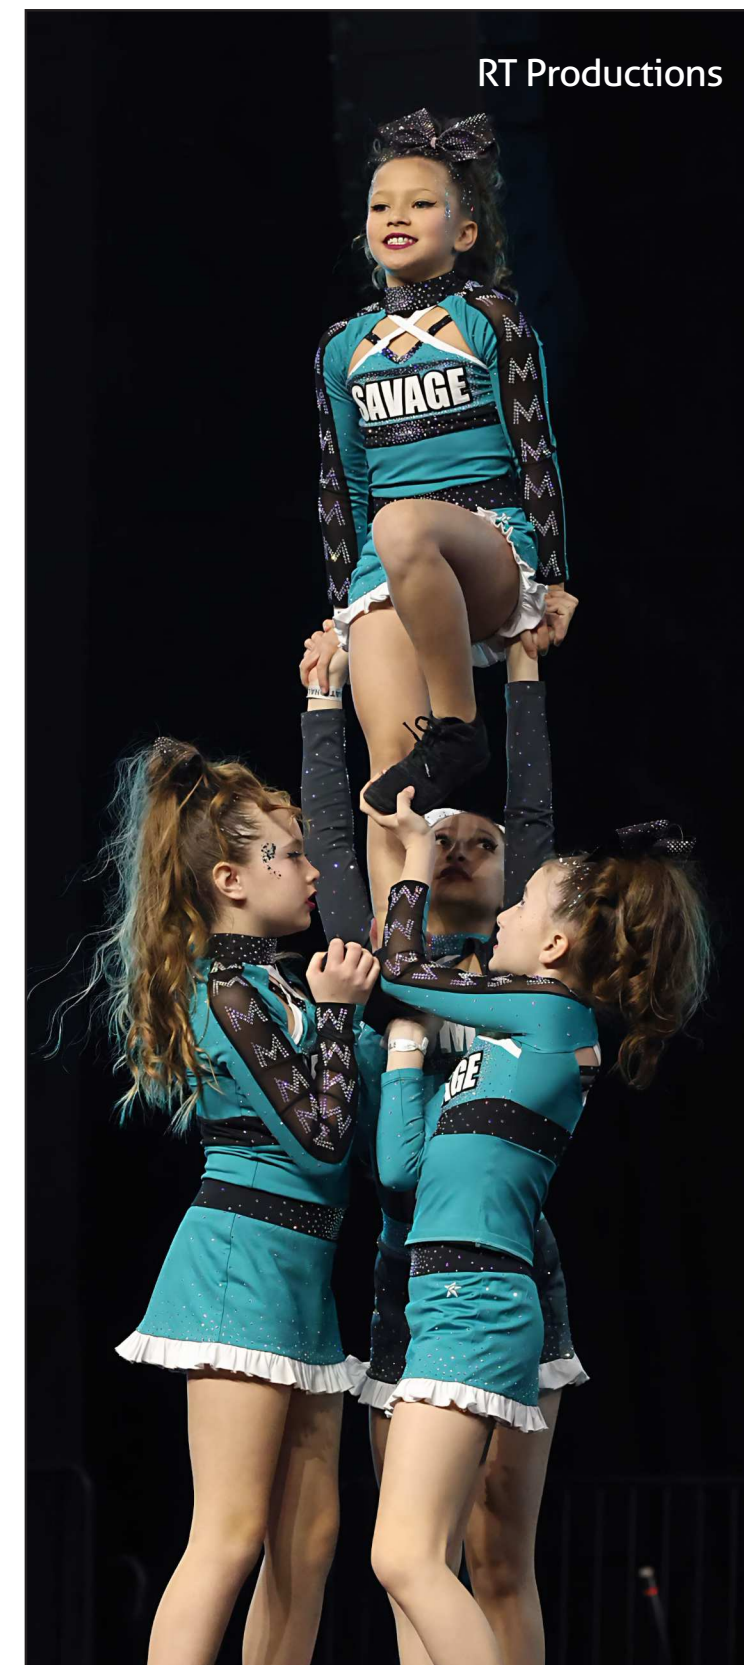

My tumbling instructor Joe and my coaches Nancy and Sara have taught me I am capable of anything they encouraged me to find the greatness inside myself, never give up and push through whatever mental or physical road block I come across.

I had a mental block a few months ago, I had a hard time doing my backhandspring without a spot, my coaches and tumbling instructor worked me through my mental block and I kept telling myself I got this. When I finally landed my backhandspring with no spot I knew I could accomplish anything I wanted and that it really matters what we tell ourselves. Now I can't stop its one of my favorite skills. I was proud of myself for not giving up and working hard daily to accomplish my goal.

I was on a youth level 1 team as a flyer last season and am currently working on level 2-3 stunts and skills heading into the '23-'24 cheer season. I am excited to continue learning and growing as an athlete, pouring my heart out on the mat everytime. Even when I go home I practice tumbling on my tumble track.

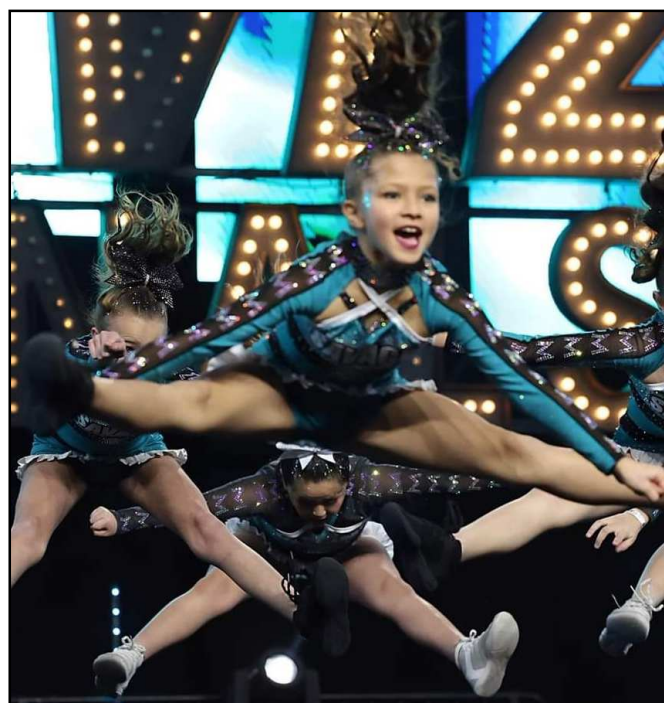

My favorite place to be is in the gym with my friends/teammates/coaches and I look forward to making it to collegiate level and then worlds.

Vincent Butler

**Antwan
Brown Jr**

My name is Vincent Butler. I am 8 years old and love to play the game of hockey. Hockey has always been in my life since day one since my dad played professionally. The biggest piece of advice my dad gives me is to shoot 100 pucks a day and to always have fun playing. I believe every little kid who plays hockey dreams of making it to the NHL. My dad since he was little worked towards that dream and it came true for him so I'm hoping one day I'll make it there too. My goal in hockey is

to always be better than the season before and play for a D1 college one day. There's always challenges in hockey. Some days I have a good game and show up and play like I know how or some games I know I could of done better. Just being consistent every game is what challenges me. I love the game of hockey and being surrounded by great coaches and my teammates!
