My name is Ashton Jones and I am QB1 for the Colorado Springs Elite in the TNYFL league. I have been playing football since I was 6 yrs old and it is my passion. In 2021 and 2022, I was a part of the Pop Warner Colorado Vikings. We were state champions both years. I was also a member of the 2021 Southern Colorado All Star team and was invited to play for the 2022 Colorado Youth

Football Invitational. I dream of going to either The Ohio State or Alabama and eventually being drafted and being a quarterback in the NFL. My favorite NFL team is the Dallas Cowboys and I admire Dak Prescott, Joey Burrow, and Patrick Mahomes. I am currently in the 6th grade and have a 4.0 gpa.

My name is Bryson Wright . I am 12 years old. I participated in San Diego premier tournament this month and emerged as the champion there. It is great to play with my team mates, club mates and also the opponents. I would

like to thank my clun albiun for always giving a chance to represent them. I have also won second prize once in the copa loma tournament. I am comfortable to play not only with my age players but also with the

older ones. Along with this, I have won the surf cup as well. It was handed over to me by the tournament chief guest which is a great honour for me.

My name is Madison, and my dream is to be come a professional tennis player. My goal is to get straight A's in school so I can get a full ride scholarship to a good university, And hope someday I can play division 1 tennis and keep pursuing my dreams. One of my achievements is being number one in

girls 12 and unders for middle states. A challenge that I have faced is being short, in tennis that is a huge challenge that I face because everyone thinks that just because you are short you can't do the things that they are able to do.

Cole Watts

My name is Liam Hayes. I am 9 years old from California, US. I started playing ice hockey 3 years ago. Though the start was slow, I played my first tournament last week. I was waiting for this to get over so that I can share this with everyone. My next

tournament is coming next month. I don't have too many things to show as achievement. I just like to play games and try to win it. If there is something wrong, my coach always corrects me.

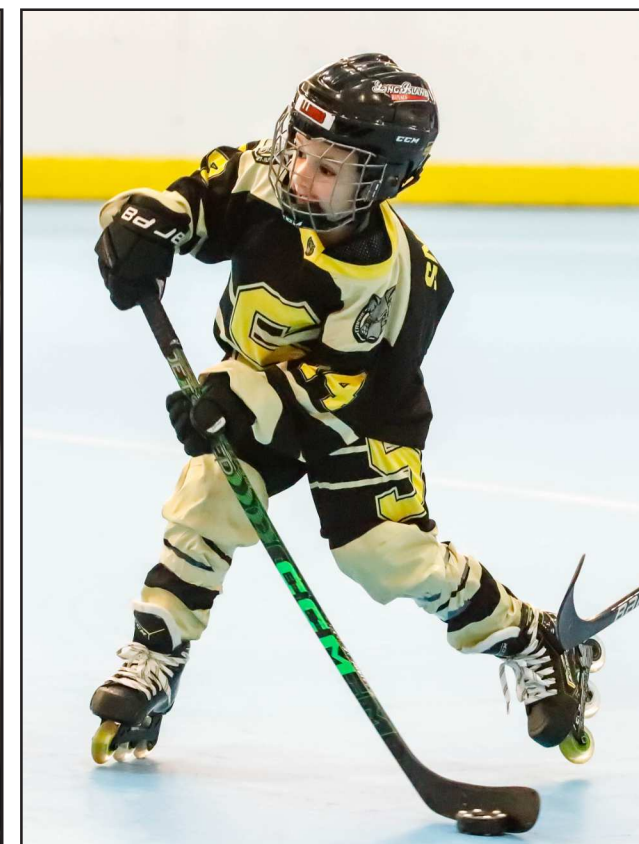

Liam Hayes

My name is Cole Watts. My biggest dream is to reach a point where I no longer need to worry about anything and I can continue with sports. I even work too hard for this without taking any day off. Winning a tournament feels great every time and it gives a different type of motivation to get back on field next time. My father was also a sportsman but he could not make it big because of circumstances. I hope to do it bigger and take the legacy forward.
