Hello! My name is Amari Hudson and I'm from Montevallo Alabama. I'm 6 year old, but i will be 7 on May 26. I play basketball, football and soccer. I love playing these sports. I train 3 to 4 times a week, every week because I want to be the best I can be. My daddy always tell me that I have to outwork

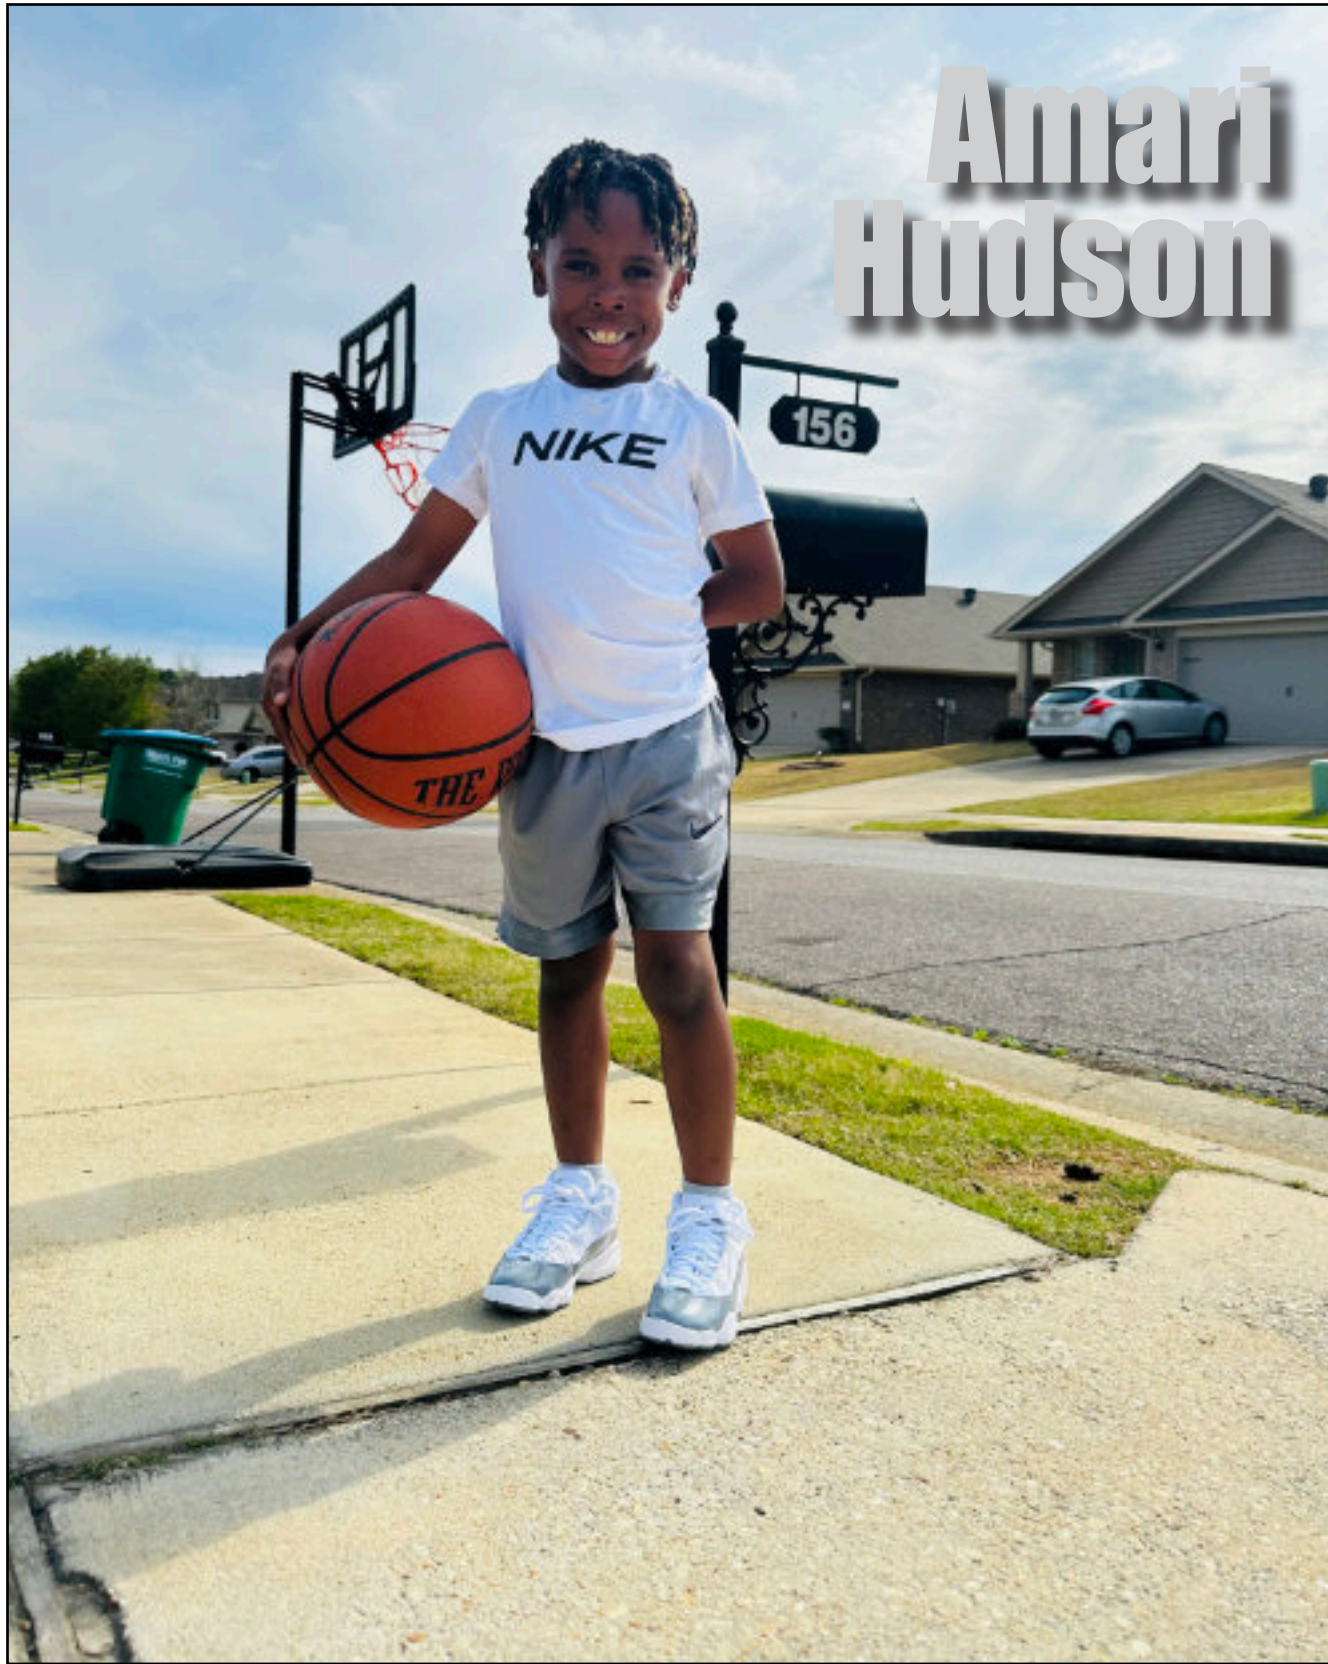

everybody and that's what I do. When I get old I want to be better than Labron Jame, Stephen Curry, Tyreek Hill and Justin Jefferson. I'm going to practice hard and never give up. Get use to my name. I'm just getting started..... #BigMari

My name is Ayden Falls and I am 9 year old student athlete. I play football, baseball, soccer, basketball and track. My dream is to play on the NFL Philadelphia Eagles. My goal is to play D1 college football. I am looking at Clemson and Georgia football. I have earned rookie of the year and MVP for two of the football teams I have played for so

far. My challenge is not being able to play all the sports that I enjoy. Practices and games start to overlap and it gets sticky when the teams really need you.

Jae  
Leen

My name is Jae'Leen I am 11 years old and I've been cheering for Schenectady Belmont Pop Warner since i was 6. I've been a flyer since I've started. I started off as a mascot for 12U then worked my way up to PeeWee. One of my biggest challenges was COVID season, we couldn't really do anything and there wasn't any competitions so i kind of got lazy but i managed to get myself out of that with the help of my coaches. Another challenge would be me vs myself, cheer became my home away from home. Schenectady Belmont Cheer is a place where i can decompress from those around me weather its my classmates or my siblings or everyday life issues. I have been lucky to have some amazing coaches to guide me not just through cheer but through every day life. Coach Pam, Coach Rhea, Coach Alissa, Coach Emoni, and Coach Kristin, I appreciate them all. It's all started with coach Pam though. There wasn't a team for my age but she allowed me to become a mascot and that's where I fell in love with cheerleading. Coach Alissa and Coach Emoni got us to win First Place in Locals and Regionals. My dream is to have every single athlete know that no matter what is happening around you ANYTHING is always still possible. Some Achievements I have is my team has placed first in Pop Warner Locals in the Capital District, First place for my division in Pop Warners Eastern Region. Schenectady Belmont Pop Warners PeeWee Cheerleading has made it all the way to Florida in the 2022 season to compete in nationals. My goal is to age out of Pop Warner, cheer for High School, and make a career out of cheerleading as an adult. I also want to become a cheerleading coach.

Hockey to me is life. I love everything about hockey - practices, drills, my team, tournaments & games. It teaches me discipline, focus & good sportsmanship.

When I'm playing hockey I feel so happy & know that hockey will always be a huge part of my life. I'm really excited for this season because I'm playing on a new team - the U13 North York Rangers. It's going to be awesome!

Lukah

Hi, my name is Lukah Henry. I'm a dedicated hockey and lacrosse player 7 days a week on multiple teams and have a drive for competition and strive to succeed. I live in Vancouver BC, Canada and born in 2013. I play hockey for a private club called the Burnaby Winter Club (B.W.C), as well as the Steelers Elite. Attached are a few photos from the All-Stars Tournament in Edmonton Alberta we recently flew to in December and took home the gold hardware. I

also play high level lacrosse Novice A1 for the Port Coquitlam Saints as well as the Junior NLL Warriors. Recently we travelled to Las Vegas to battle in the USBOX championship and won gold. I love hockey and lacrosse and cannot wait to see what my future brings me.

My name is Urijah Gerdes, but my family and friends call me Babyman. I am a 7 year old football athlete and I am extremely excited to say I will be playing in the 2023 Battle Youth National Football Championship with Wilder Sports Academy. I also just won a championship as the King of Spring 2023 with the Flagler Wildcats. I enjoy playing football but not more than spending time with my mom and dad, biking, playing games and going to the beach. Both my mom and my dad are my hero's because

my mom is a nurse and helps people everyday, and my dad is a retired police sergeant who served his community daily. Both my parents have always served their community and that is inspiring to me. I do want to go to college and hopefully play college football. After college I would eventually like to be a coach in the NFL.
