# Cole Belizor

My name is Cole Belizor, I am a 7 year old football player from Lake Wylie, SC, with aspirations of one day being drafted into the NFL. I train 3-5 times a week honing my skills, practicing throws, and studying the intricacies of the game. My passion for the game began to shine after overcoming fierce competition from older and more experienced players and finding myself in their shadows. I didn't let these challenges stop me from chasing my dreams, instead I used them to fuel my determination by developing my mental game and resilience. All of my hard work took me beyond local competition when I became the youngest starting quarterback at the prestigious Offense-Defense Pro-Bowl, a showcase of the best young football talent across the country. The event took place at the illustrious AT&T Stadium, home of the Dallas Cowboys, in December 2022. This added an extra layer of significance to my goal of becoming a professional quarterback in the NFL. It is my hope to leave a lasting impact on the game and inspire other young athletes around the world to chase their dreams.
