Hi my name is Danten Kaheaku, 15 years old, I am a double sport athlete I was born and raised in Ewa Beach Hawaii on the south side of Oahu. I started Boxing at the age of 4 and had my 1st exhibition bout at the age of 5 on the King of the Cage Hawaii show, continued boxing and at the age of 8, became the youngest ever to win the National Junior Olympics Boxing Championship From Hawaii (Gold Medal) 2016 in Dallas Texas. 2 months later I went to Mesquite Nevada to compete in the Junior Golden Gloves Championship won the Championship Belt and became 2 X National Champion. Everything was going really well in boxing, until my dad and trainer got into a major car accident and couldn't walk for a while. I didn't want to box cause he couldn't be there with me. So he told me your not sitting here doing nothing, and he enrolled me in Football and started to play and do well in Hawaii, I played for the All Black Crusaders #1 youth team in our division in Hawaii. The years went on dad got better, I started to box again but loved football as well, Then Covid hit Hawaii really bad all sports was shut down. For a whole year we just trained in our back yard with my dad and Coach Mose Tuia. Dad training us in boxing and Coach Mose worked football and strength. Then my dad seen an opportunity in Las Vegas for me in sports, we moved and spent my 8th grade year attending Game Changers Sports Academy and got my self in the best shape of my life , This school is by far the best investment that my parents made for my future in athletics. I started playing for the nationally ranked 14U football Team Vegas Strong we placed 3rd in the country, I entered a couple boxing events winning and I continue to box and stay in boxing shape. My dream was to become a Gold Medalist in the Olympic Games , but due to a lot of corruption in amateur boxing they took out Olympic boxing for 2028 that would've been my year to represent The United States, but we will continue to work and see what God has planned for me, I am glad to say I will be attending Nationally Ranked Bishop Gorman next year as a

freshmen playing running back for Gorman. For now I will just put all my effort into becoming the best football player that I can be. Go Gaels.....Hopefully get a scholarship to college and maybe be able to play on Sundays (NFL) All

Glory to God!!!!!!
