My biggest dream is to play in the NHL! Once I get there, I want to be like Marc-André Fleury.

The reason I love him so much is because of all his big saves and his personality. I would love to meet him one day!

I do have a lot of things to work on, such as keeping control and working on the positioning of

my glove and my stick.

Some of my outstanding achievements include making it to The Brick Invitational Hockey Tournament. It's one of the biggest tournaments in the world!

# Teddy Hadlow

My name is Teddy Hadlow, I'm 10 years old.

My passion is football and like many others the dream is to go as far as my legs will take me.

My grassroots team is Rusthall FC, I also take extra training with Chelsea FC Foundation and Kent Elite Scouting Academy, so I'm training at least 4 times a week currently.

I suffer with ADHD and find that football really gives me something to focus on, and uses all the energy I have in a positive way especially as I struggle to keep still! I think this is my secret weapon 😊

Through and through Chelsea Fc fan 🏆

Hi, I'm Zuzanna Wowra. I was born on 2015. I'm playing football since I was 1 year old. I love it! I'm training with older boys and girls. I'm taking part in many football tournaments also in U9. Often I'm taking an awards for the best player. It's the best confirmation for me that I'm training well. I have 5 trainings per week which including technical trainings and trainings with my 2 football clubs - only for girls and for girls and boys.

The most important tournament was Silesia Cup U9 where I was the youngest silesia-district representative because I had only 6 years then. And you know what? I scored a goal and my team won this tournament! That was really big for me because I was playing on Silesia Stadium in Chorzów where many times were playing football stars from all over the world... In 2021 I was having a title of Chorzów's Sport Talent 2020.

My last big achievement is a winning match on eliminations to Tymbark U8 - from the field to the stadium. I scored 2 goals then. The final of this tournament will be on Match probably.

I'm small football girl right now but I have a big heart to play football and I know that I will be the best Women's football player in the world in the future 🙌
