My name is Aiden Ortiz. I am having an amazing tenure of basketball games. From starting to finishing, everything is so perfect in a match that

sometimes it's difficult to believe. My team white squad, has recently won the scrimmage and championship games, both. I like to meet new people and

make new friends. I hope to continue my performance and also want to thank my coach and friends for their support.

Samuel Britton III

My name is Samuel Britton III and playing football has been one of the most amazing experiences of my life as a kid. One day my dream is to play in the NFL so I can win games and make my family proud to see me on tv. I'm going to win championships every year and one day play in the NFL Super Bowl. One of the biggest challenges I face is staying focused to something I love and dedicated to my team while being a scholar student. Although my mind is always on football, I know and understand that education is my first priority. I'm always watching you tube and football games learning different ways to improve my skills. Last year my team won Nationals in the Battle Championship in Florida as D2 and I ended the year being DBOTY. I look forward to many more accomplishments as I exceed in each year being the best player I can be!
