I play for Torquay United U13's playing a year up. I love being a goalkeeper and aspiring to be the best I can be. My idols are Peter Schmeichel, David Degea and my dad.

I started my football journey at age 3 at my local grassroots club WBB. At age 7 I joined Torquay United U8's and Plymouth Argyle Pre-academy. I then signed for Plymouth Argyle Academy at U9's. I left Argyle half way through my U11 season as I wasn't enjoying my football anymore. My confidence was low and I needed a break. I went back playing with my mates at grassroots to get the enjoyment back again. I'm still with WBB at U12's and loving it.

I got asked to try out for Torquay United U13's playing a year up. I got signed up on my first trial

training session.

I'm now loving my football again and am really enjoying playing on full size pitches. Can't wait to see where I'll be in a few years time.

I'd like to thank my glove sponsor Defiance Gloves, for always supporting and encouraging me to be my best. I love wearing these gloves.

First and foremost, I thank God for giving me the ability to play baseball. I've been pitching since I was 8 years old, and ever since my dream has been to be a starting pitcher for the MLB. I loved pitching from the start and am now a PO. I hope that I can make my MLB dream possible by working hard and getting better. I've been a PO for

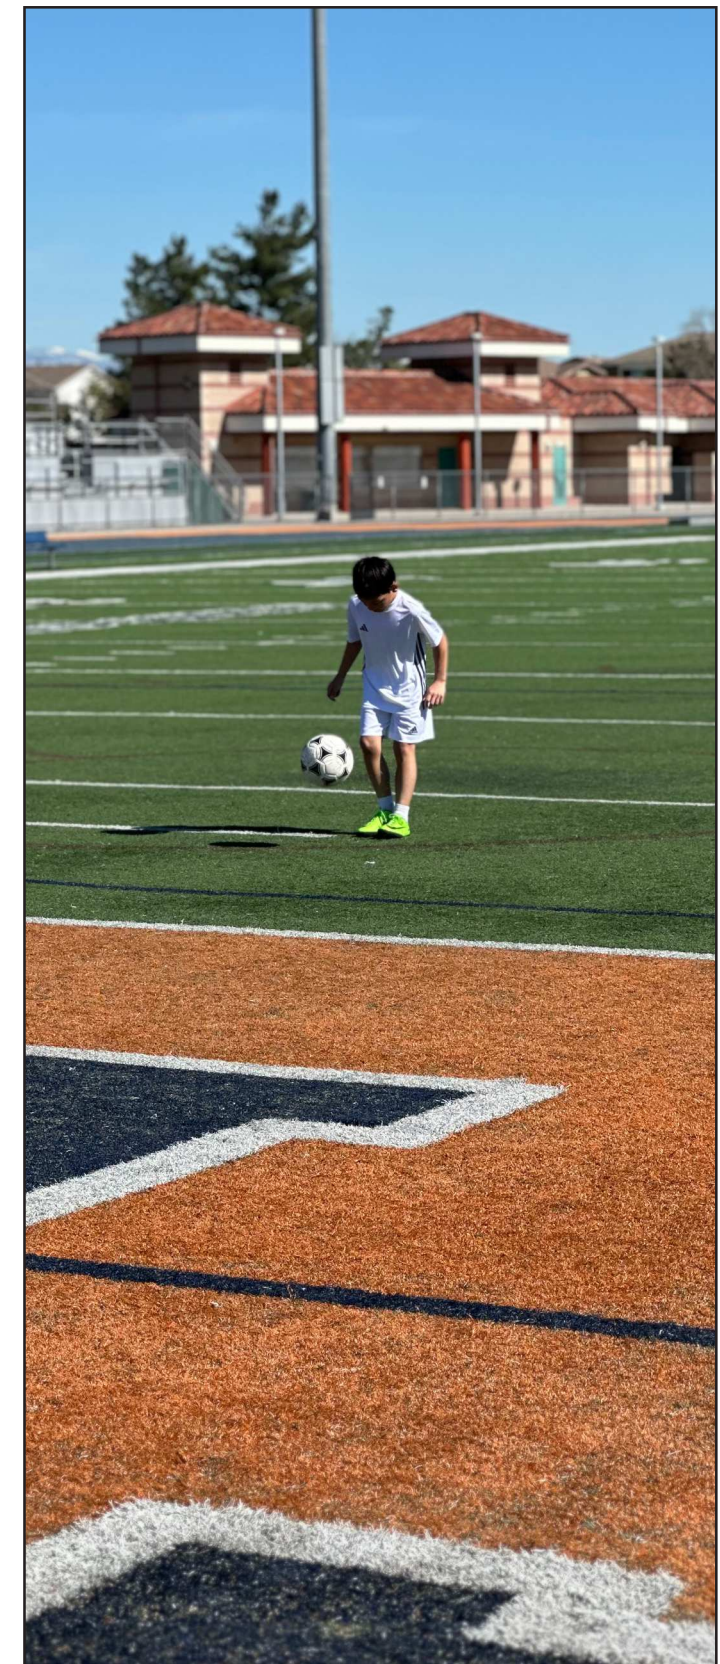

several travel ball teams, and I'm now on a great team with a great coaching staff. This team has helped me out so much and with every step I feel like I'm getting closer to my dream.
