My name is Devin Gardner. I am duo sport player. By this I mean , I play two sports, basketball and football. I think I have enough time to decide between the two. So, I am enjoying every game i can. I am doing good in both the sports. Game days are always a blessing for me as I can miss my school then. I

am in third grade now and that's my biggest challenge to maintain both the training with the school. The excitement of ball time is increasing with every passing day now. My dream is to make my parents proud in whatever game i play and perform well there.

Mon nom est Gabriel, j'espère devenir un très bon footballeur en marquant encore plus de buts, faire plus de passes décisives et toujours prendre du plaisir sur le terrain. J'ai marqué 121 buts en match l'année dernière en U6-U7, seulement 23 cette année pour l'instant en U8-U9 mais beaucoup plus de

passes décisives et j'en suis très fier. J'espère continuer sur cette dynamique et prendre du plaisir sur le terrain avec mes coéquipiers pour un jour peut-être jouer dans un grand club @Manchester united 🥰😊.

My name is Henry Williams. I am 10 years old and a student of pro academy. My father also played football for around 20 years. Now, I am looking forward to carry his legacy. It's a great game of intent, physic and intellect. I also try to give my best but the game is not always fair and level. But that's how you grow and learn. I

like to start my day with some running, communication with my coach and fixing a goal. I do have to face some challenges in terms of dieting but when the dreams are bigger, these things barely matter. My dream is to represent my nation.
