I work full time during the week as a truck driver. I'm away from home all week. At weekends I am a burlesque performer and bellydancer. I've been fortunate to have met some wonderful people during the course of my work and travelled to amazing countries and got paid for that. I am educated to PhD level- which I funded myself

through truck driving.

I love working as a truck driver but I also love the creative side offered with burlesque and oriental dance.

Growing up in a small village where everyone knew everyone I was always eager to explore the world around me. I wanted to achieve more than what I had growing up and nothing was going to stop me. I have been modeling as a hobby for most of my adult life. Now I am the CEO and Co-Founder of The Charlotte Proctor Guardian Angel Foundation. We started it in loving memory of our grandmother Charlotte Proctor. I am also the CEO of my own private customer support software company. In my spare time I really enjoy cooking and traveling to warm ocean-front locations. I am an activist for The Clean Water Act as well as a representative for Save The Children. I love animals and consider myself an animal rights advocate too!
