My name is Angella Renee, I live near Chicago in the United States. I've been modeling for 8 years. I love to travel and I'm always looking to try new ideas. I love fashion and being creative, I love pulling new looks together and collaborating with the photographer. I started out doing pin up, but quickly evolved into all genres. I do like to do pin

up still, I absolutely love rockabilly and old Hollywood glamor. I would love to do runway shows and travel the world as long as I'm able!

Hello! My name is Tete Sinoe. I'm a curvy model and brand ambassador from Minneapolis, MN. I've been modeling a little over a year. I've been featured in Fashion Week MN, Black Fashion Week MN, The Purple Ones Fashion Show V & VI where we won 2nd place and many more. What I love most about modeling is being able to express myself through fashion and I've inspired many to follow their modeling dreams. In 2022 I walked in 22 Fashion shows throughout the year. The experience has been extremely thrilling for me. The best part is being dolled up by the fashion crew! It's a great feeling from getting my hair done, to doing my makeup to being dressed by designers. I feel like a life size doll lol. There aren't really many challenges because you're willing to jump any hurdle to follow your dreams. One day I wish to be more of a commercial/print model so I can inspire even more people to do what they love. Whether it's runway, commercial, acting, taking photos or just being behind the scenes. Do what makes you feel happy in the industry. I know I have.

I am both passionate and skilled in the latest hair color, hair cut, and formal styling trends. With being both knowledgeable and comfortable in cutting, coloring, and styling all ethnic hair types I believe in the importance of discontinuing the stigma both stylists and clients have as well as, the intimidation and anxieties the stylists feel. Editorial work is another passion of mine, January 2021 was the first of 7 publications in both hair and makeup.

The ultimate goal of mine is to be credited in hair, makeup, and as model. In February 2022 for New York Fashion Week i was able to showcase my talents in hair and make up as I walked down the runway and will be doing the same for New York Fashion Week September 2023

Bustie Beaker, or otherwise known as the Boss Lady of CSW. I am co-owner of a Colorado based independent wrestling company as well as a burlesque dancer and aspiring model. My wrestling company is Colorado Springs Wrestling, if you can't find me there you'll always catch me performing at La Burla Bee in Colorado Springs with the Champagne Cabaret productions. I truly enjoy performing and I love showing everyone my many talents. I have competed in GLCC for burlesque and am starting to start my journey of performing in other states. You can actually find me in New Orleans August 25th/26th. My journey hasn't always been easy, I am a plus size performer so the doors haven't always opened for me. It's been my mission to break down those barriers with full force. All body types are absolutely gorgeous and should be celebrated. Just don't be an asshole and you're cool in my book. I am an Aries and truly believe you receive what you put out into the universe. I am fiery, bold and fierce to be reckoned with. A little quirky fact about me, my name Bustie Beaker. I got the bustie name for obvious reasons. But the Beaker, it has to do with my love for Muppets. I have loved the Muppets since I was a little girl and I thought there was no other fitting name than Beaker. I love what I do as a performer and I love showing off my many assets, it's my hope that you appreciate and celebrate the energy, love and beauty that I try to put out into the universe.
