My desire is to be a not just a self employed small business owner that I am, but to also continue to excel in my modeling career, photoshoots, promo events, videos, and print model opportunities.

As a successful bikini model and promo model, I've always strived to embody the essence of beauty, allure, and confidence. My journey in the modeling industry has been nothing short of exhilarating, and I'm excited to share my passion for fashion and swimwear with the world.

With my toned physique and magnetic personality, I've captured the attention of many photographers, videographers, and other clients. My portfolio speaks for itself, showcasing my versatility, range, and ability to adapt to any project.

But beyond my accomplishments, I'm a down-to-earth and fun-loving individual who enjoys the outdoors, various recreational activities, trying new foods, working with all types of other professionals and sharing their views, and spending time with loved ones. I love to cut loose and enjoy my shoots and any of the events i work in. I think it's important to have fun with it. My positive attitude, dedication, and work ethic are traits that have helped me achieve my goals and will continue to drive me forward.

I'm always excited to collaborate with like-minded individuals and brands that share my vision, empowering women, and celebrating beauty in all forms. With my passion, talent, and drive, I'm confident that I can make a lasting impact in the industry and inspire others to chase their dreams.

I've always loved to photograph, to model, and to dance. It was amazing to find great photographers during my younger years that made me fall in love with photography . I've traveled to different countries to get the most beautiful pictures sometimes. It all started in Moldova, where I was

born, and now I continue to do what I love in the United States. Looking for many more photoshoots ahead with talented photographers.

Dawna Lee Heising

Hey there. My name is Krysti Sentz I am originally from Midland Michigan. I moved to Florida in 2018 to pursue my dream of becoming a bikini model. The shoots down here has been amazing especially with access to the beach 24/7. My new current goal is to make some trips to the Bahamian Islands and continue to work on my modeling. These days modeling is all inclusive. However I like to consider myself a classic model. I pay attention to my health and diet. I find inspiration from models such as Helena Christensen, Brooke Shields and Adriana Lima. If I could I would live in a bikini. Everything and anything tropical just

makes me happy. Modeling is a rough industry and I have had lots of disappointments and set backs. I learn from my experiences and have a positive attitude. I really really enjoy shooting with my photographer friends. I don't smile a lot in my photos which drives my mom nuts. When I do, I really feel like my personality shines through. Behind the scenes I'm constantly laughing and dancing and having a great time. If you would like to follow along my journey please follow me on instagram krystisentz

My names Faye Delune, and I'm A Professional Model, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Photography, and Modeling at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.
