My goal is to become a plus size model and help others feel good about themselves

I've always loved to photograph, to model, and to dance. It was amazing to find great photographers during my younger years that made me fall in love with photography. I've traveled to different countries to get the most beautiful pictures sometimes. It all started in Moldova, where I was

born, and now I continue to do what I love in the United States. Looking for many more photoshoots ahead with talented photographers.

I have many, most importantly is for my children and I to live a comfortable stress free life...to own a forever home surrounded by nature, happy and healthy. I love the simple things in life...my greatest achievements being my kids first and foremost they are what keep me going and motivated. I have achieved many other things in life in Healthcare, childcare, and much more. Past couple years modeling is something I strive to

excel in! Hoping to one day not have to break my back and model full time! I love art and modeling is something helping me learn to break out of my shell and find my inner confidence that I know I have! Being a model is so rewarding in many ways! Art is life!

My names Faye Delune, and I'm A Professional Model, Musician, and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. Through the years, I've been studying and learning Modeling, Music and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world. ~ Faye Delune
