My names Faye Delune, and I'm A Professional Model, Musician, Writer, Artist and Photographer, of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art, but Online Content is my main form of art. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Modeling, Writing, Music, Art, and Photography at The Professional Level and really enjoying the artistic aspect of it all. In the 10+ years, as a model, musician, writer, artist and photographer, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Books, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Throughout My Career, I Have Also Been Awarded and Published Over 5 Thousand Times! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, musician, or photographer, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

My Journey in the Modeling Industry: Dreams, Goals, Achievements, and Challenges

As a model, I've learned that this industry is not just about physical appearance, but also about perseverance, hard work, and dedication. My journey has been a rollercoaster of dreams, goals, achievements, and challenges that have shaped me into the person I am today.

Dreams

My dream of becoming a model began when I was a teenager, flipping through fashion magazines and admiring the beauty and confidence of the models. I knew then that I wanted to be a part of this world.

Goals

I set specific goals for myself, such as booking a certain number of jobs per year, increasing my social media following, and landing a contract with a top modeling agency. These goals kept me focused and motivated.

Achievements

One of my greatest achievements was landing a major campaign with a well-known brand. It was a moment of pride and validation, knowing that my hard work had paid off.

Challenges

However, this industry also comes with challenges. I've faced rejection, pressure to maintain a certain physical appearance, and constant competition. There have been times when I felt like giving up, but I remembered why I started and kept pushing forward.

In conclusion, my journey in the modeling industry has been a personal and transformative experience. I've learned to embrace my uniqueness, take risks, and stay true to myself. I hope that my story can inspire others to chase their dreams, no matter how impossible they may seem.
