My name is Lindsay Machin, I'm 39 years old. I been modeling since I was 8 years old; Since I been modeling I've come across some amazing models and photographers that have welcomed me into the modeling world even deeper. I love shooting any style and creating magical concepts. My goals in my modeling life is to achieve greatly and make it into every magazine type u can think of, turning my modeling into a career one day. One of my biggest things I love doing is once I get

new ink, I love to show it off and make a story out of my tattoos through my modeling. I have come across many challenges, One thing, I tell my self about challenges "There no challenge that I can't handle". As long as u do your best and practice, the better you'll feel accomplished with the challenge and yourself when they come your way

My goal is to own
my own gun range

I've always loved to photograph, to model , and to dance. It was amazing to find great photographers during my younger years that made me fall in love with photography . I've traveled to different countries to get the most beautiful pictures sometimes. It all started in Moldova, where I was

born, and now I continue to do what I love in the United States. Looking for many more photoshoots ahead with talented photographers.
