Hi there! I'm Ale! I started dancing at the age of 4 and have been dancing for 6 years. I love reading, hanging out with friends and family. When I grow up I wish to be on Broadway or to be a professional dancer. My biggest challenges were getting my dive cartwheel and front limber. I thank my family, friends and my dance studio TK DANCEWORX, for always being by my side. -Ale

# Ava Mellor & Lily Scott

Hi we're Ava and Lily and we are ballroom and latin dancers! We are age 12 and 13 and absolutley love to dance! We compete in the Supadance league and we dance for Merralls dance centre on the Wirral. Our latest positions were 6th place in the UK for our Waltz and 5th place in the North West overall. Our biggest goal we want to achieve is 1st place in the UK and become Champions! We have been dancing together since we were 5 and 6 years old and have been best friends ever since! One of our highlights of dancing together is that we were selected to dance in front of the Mayor of Wirral for a youth

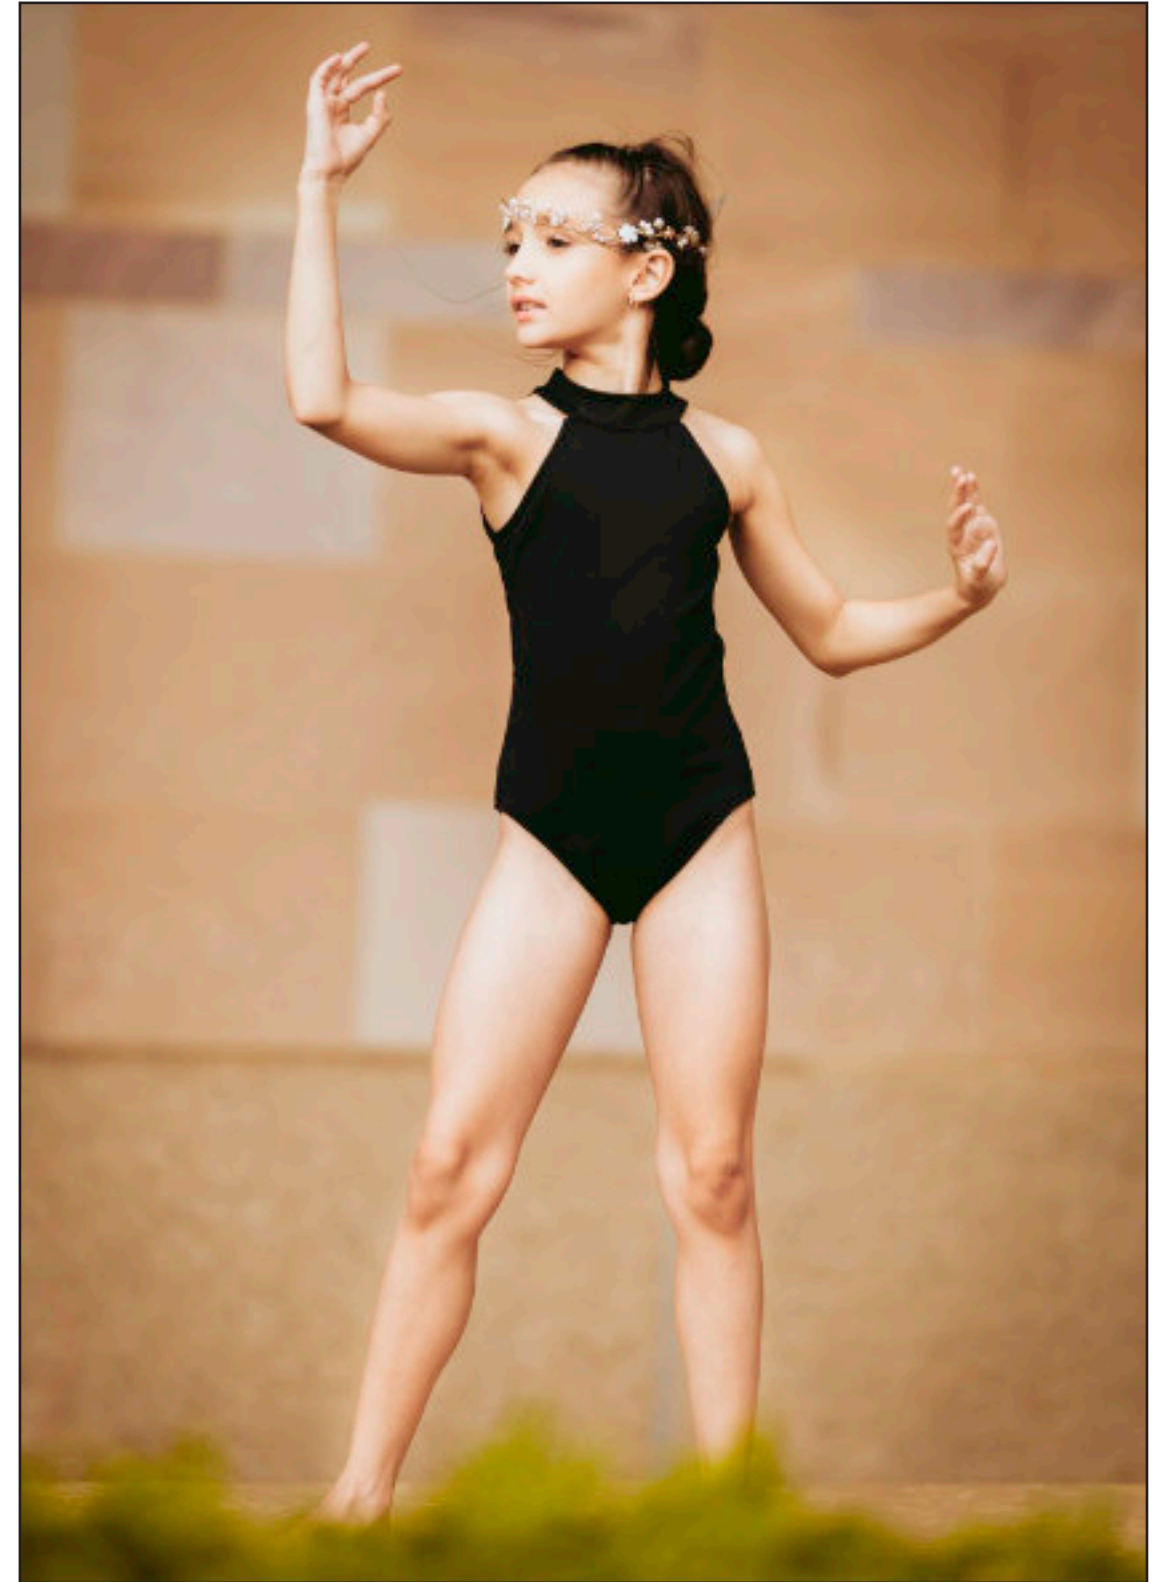

talent show! A challenge that we faced was that we missed out on our last year of Juvenilles (U12's) due to Covid-19. We were at the top of the league and was a very disapointing time for us as we could have had many opportunities to finish 1st place at this time. Since Covid restrictions have lifted, this is our first full season in Juniors (U16's), we have made a great start and we are hoping to move further up the position table and secure a 1st place!

# Coco Juliette

Coco-Juliette started dancing at the age of one. As she grew older she really started to grow a passion for Ballet and Contemporary. She does enjoy all the other genres and does multiple classes five days a week but is most focused on her technique classes. The challenges in this industry can be disheartening because it is a highly competitive sport with incredible dancers. The only way to thrive is to truly love it and dance from within.

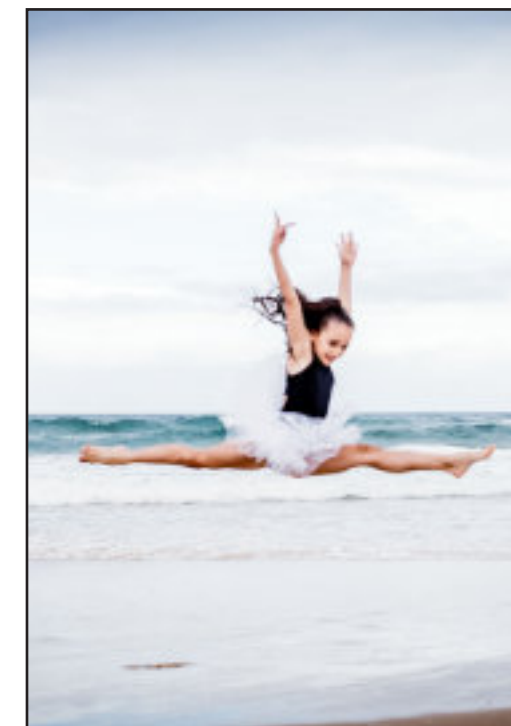

Her dream is to dance in the ballet and all she talks about is being on the stage.

"No body can dance for you. Love it from your heart and have your dreams at the front of your mind. This will lead you to your goals"

# Gracelyn Dunlop

Hi, my name is Gracelyn and I just turned 9.

I love to dance, it's my passion, rock and outlet in life.

I started dance at 3yrs old with pre dance.

I also enjoyed gymnastics from the early age of 2 1/2 until I was 5.

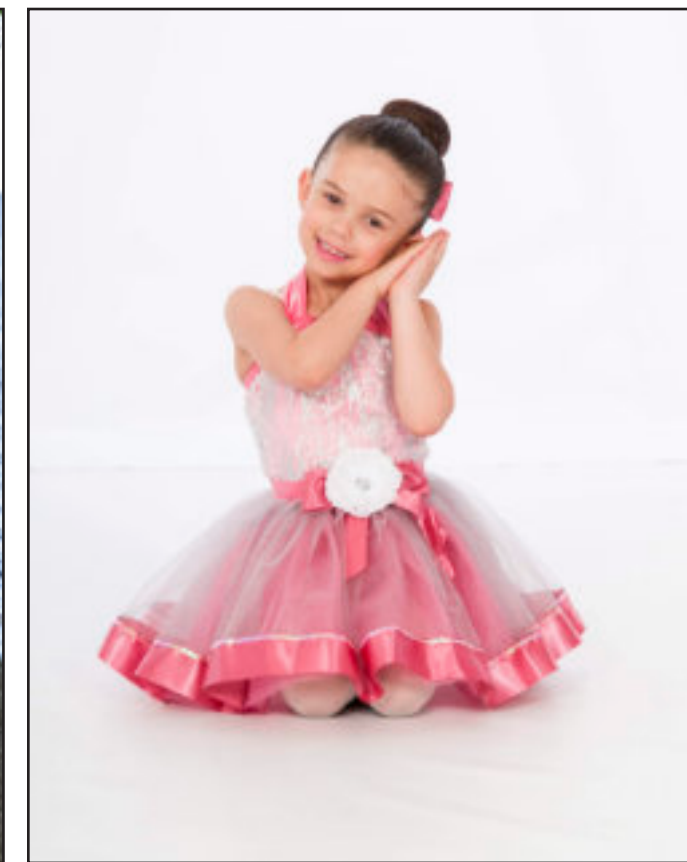

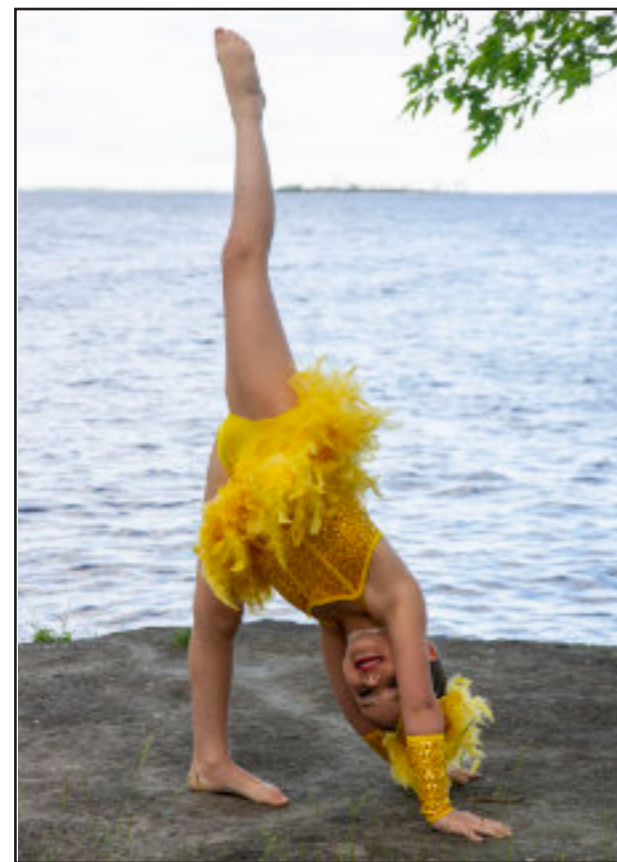

At age 4 I received an invitation to join the competitive dance team at Tk Danceworx in my home town and have never looked back!

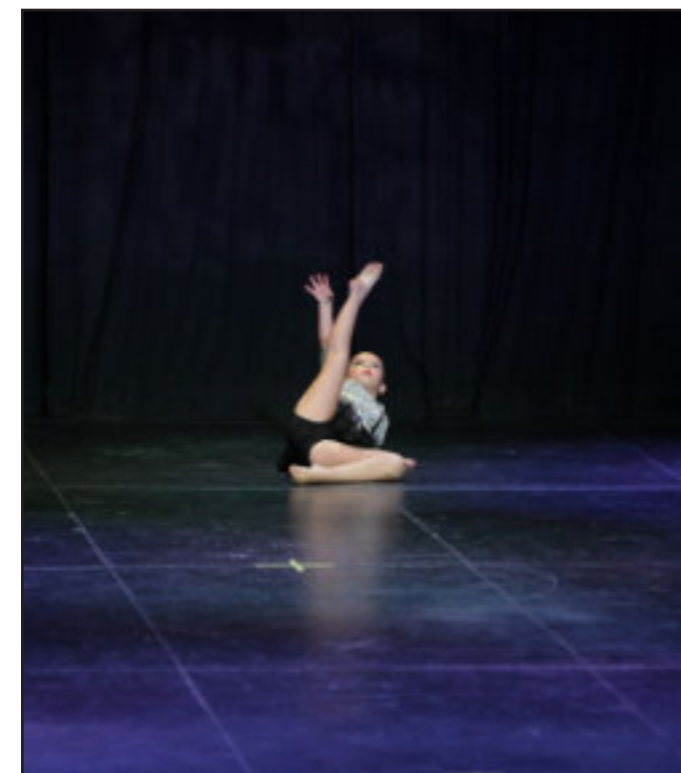

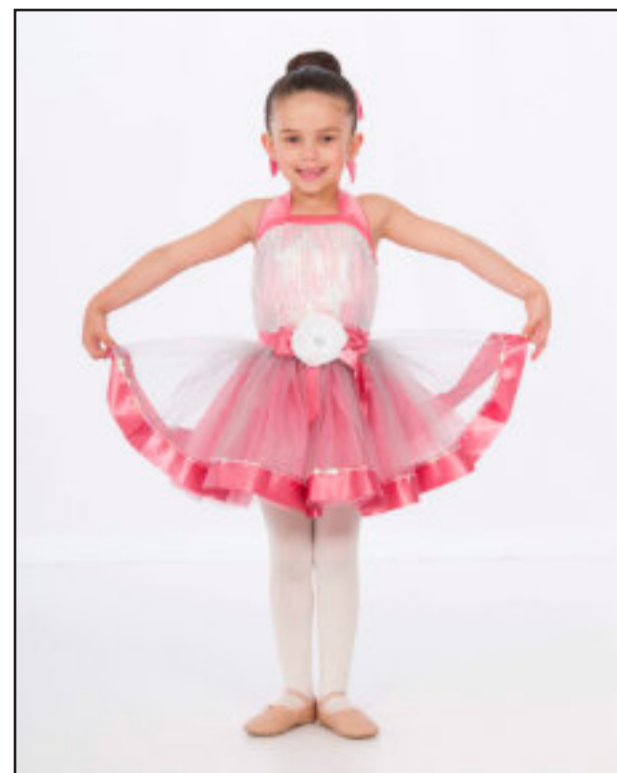

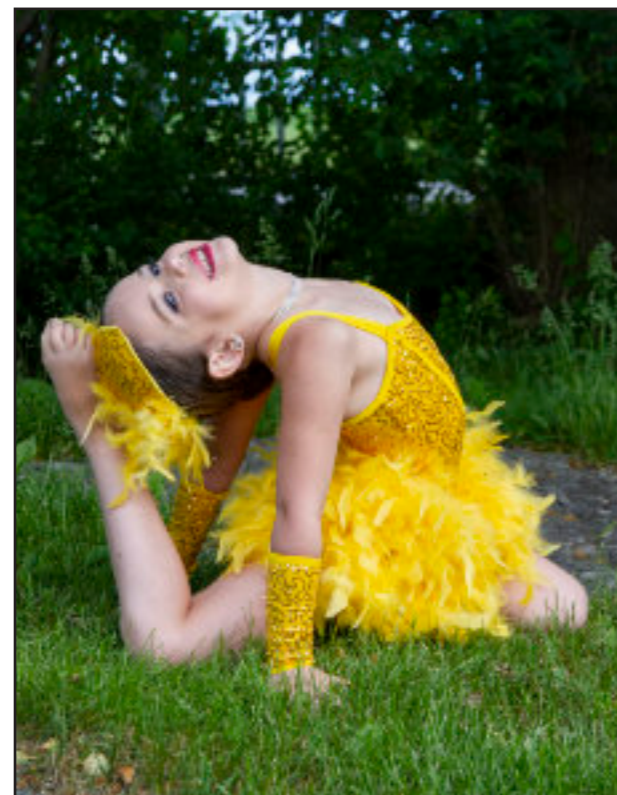

My favorite style of dance is acrobatics with a contortion and tumbling flare!

I have multiple accomplishments in dance, won multiple awards, had a small part in a music video, recently became a brand ambassador for Limelight Teamwear, won scholarships including trips to New York City, Orlando Florida and Blue Mountain Ontario to name a few.

I love to dream BIG! and will be on Broadway one day!

Hello, my name is Nina. I'm a 15 year old junior Ballroom and Latin dancer. I train with Damien Hey Dance Academy and Bedazzled Dance Centre. I am currently a solo dancer in the open circuit but my dream is to find the right boy dance partner to share my hobby and passion with. In the future, I would really like to continue and develop my dance journey and compete as much as I can. I'm proud of myself for getting sponsored by Go Bronze for my tan for competitions and becoming an ambassador for Pretty Minks Lashes. My goal for the future is to becoming some sort of champion one day. I work hard, take lots of dance lessons with teachers who will take me far in my dance journey and do lots of workshops. I had the pleasure to learn from some of the best champions and I travel all around the country to dance and compete. All the hard work I put in every week, always pays off on the competition floor. I am a regular semi-finalist and finalist among some really good dancers in the open circuit and I can't wait to see where my future takes me.

love working with my acting coach every week. Getting to work on all different script styles, improve, and character analysis is one of the many highlights of my week.

I dream of becoming a professional model, actress, and dancer and getting the chance to continue sharing my love and passion with the world. I hope to inspire others to follow their

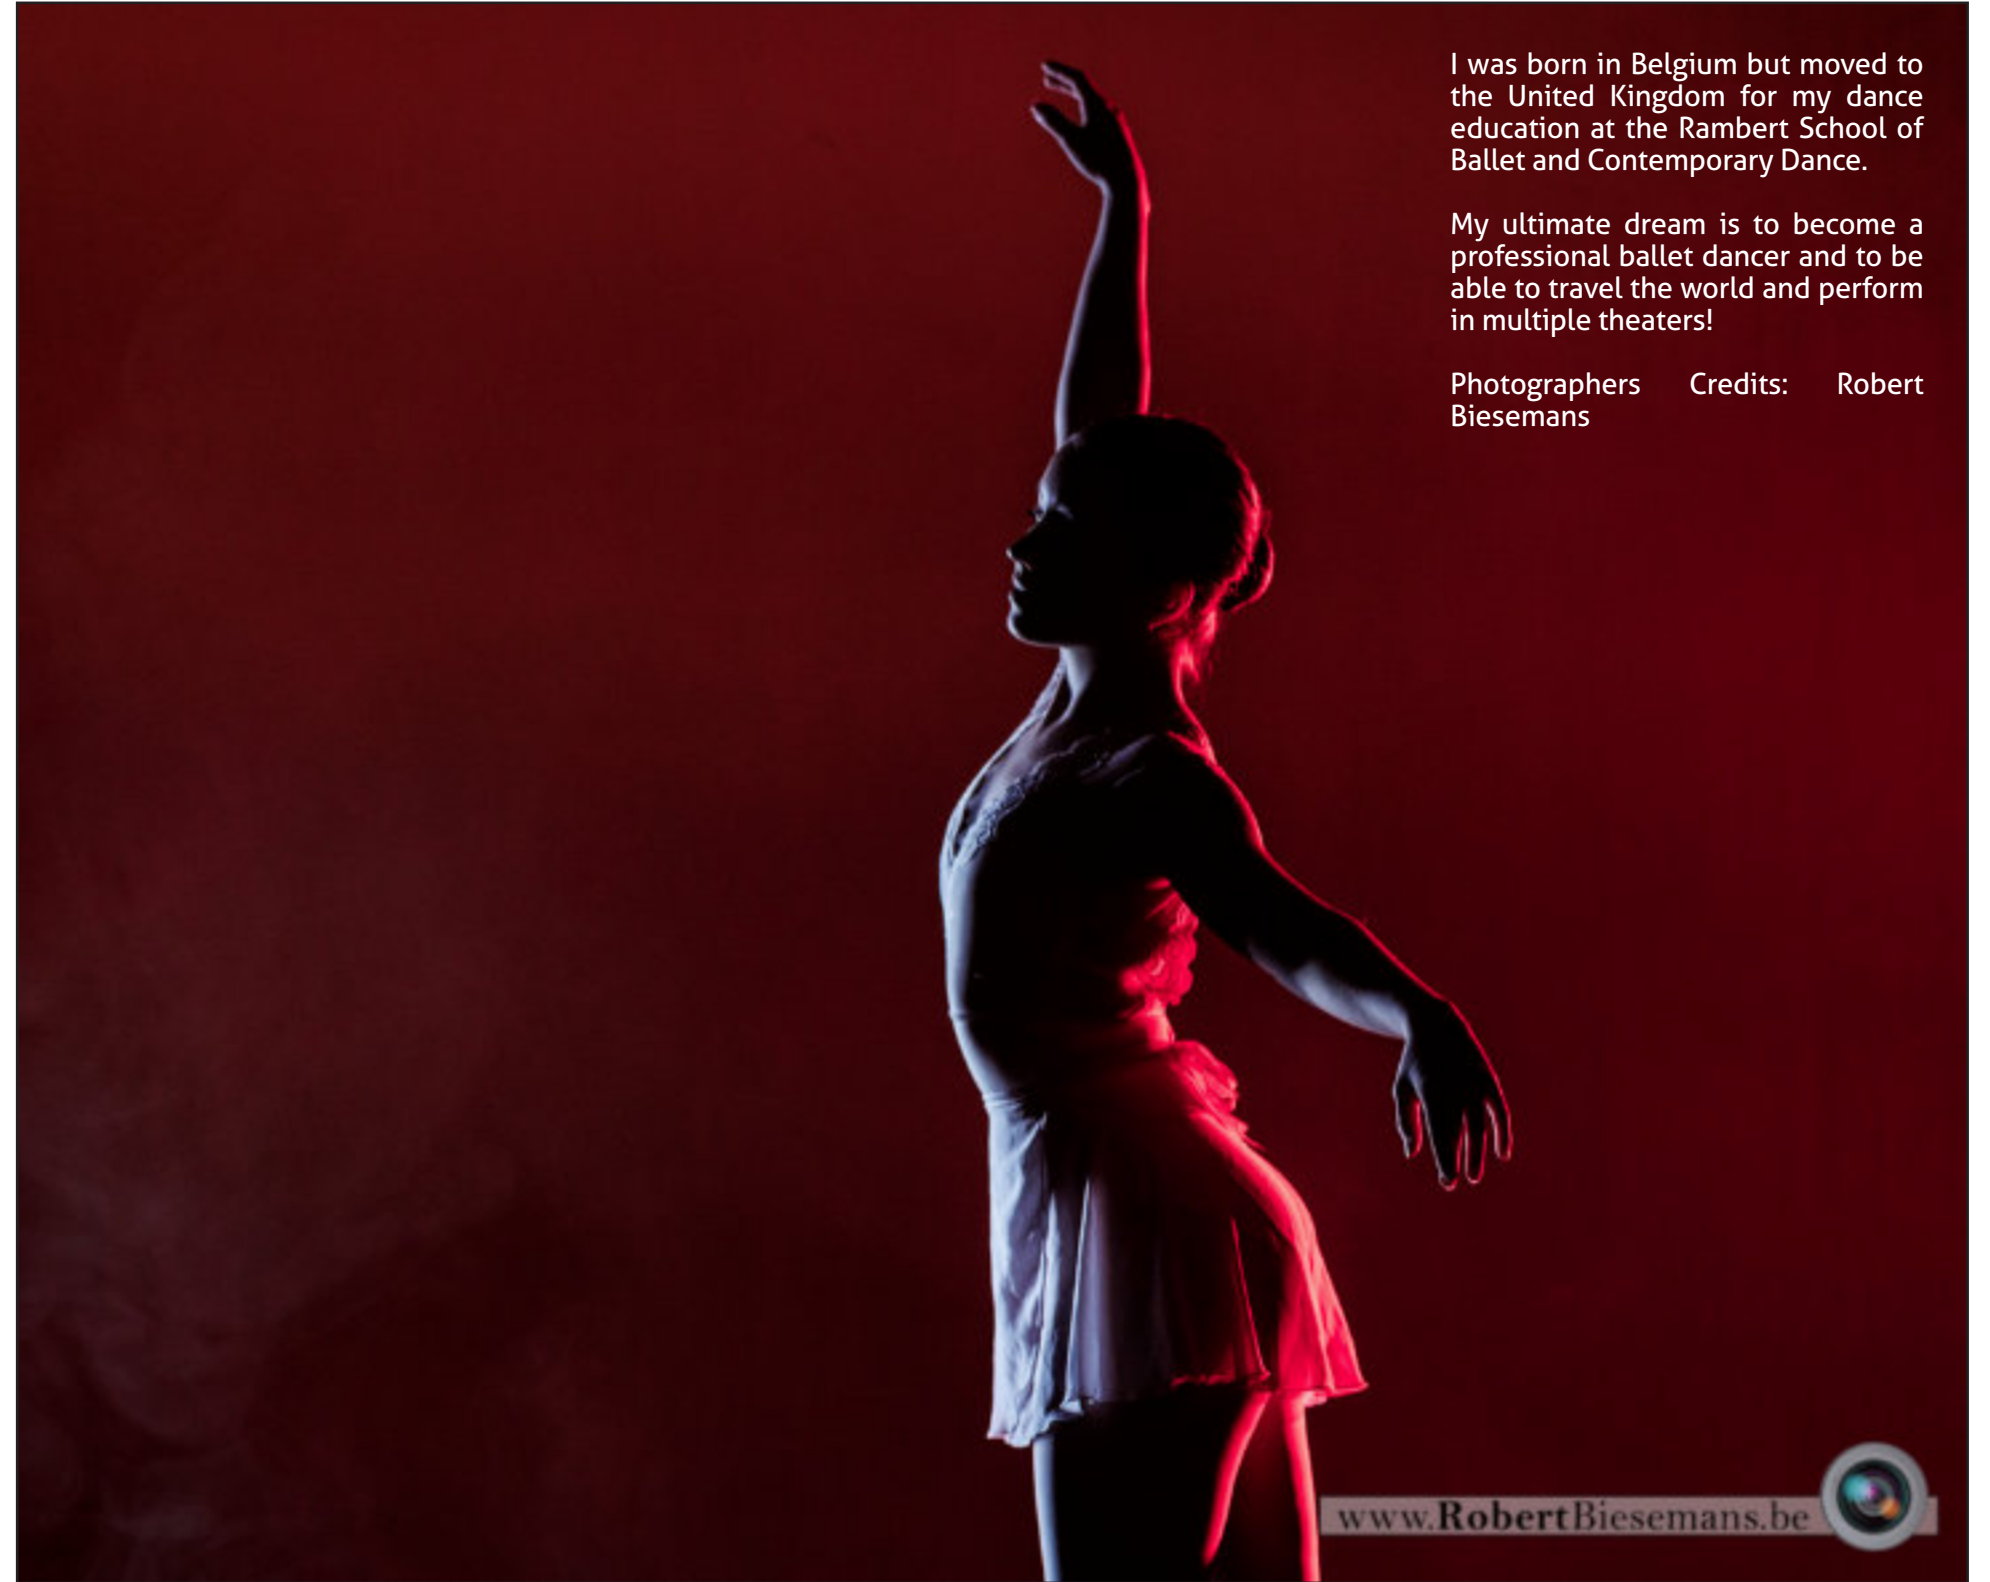

dreams no matter how big and to know that with hard work and dedication anyone can achieve any goal. I would also love to get the chance to teach other kids how to dance and watch them develop their passion.
