Faritzzy Valenthynga Dominguez Villanueva

Mi nombre es Faritzzy Domínguez, tengo 12 años y soy de nacionalidad orgullosamente mexicana.

Actualmente formo parte de la academia Ballet Clásico Cancún y su grupo especial "Joven Ballet" lo que significa para mí un gran logro y una responsabilidad muy grande, por ello me esfuerzo a diario para cumplir con los objetivos planeados en cada momento.

Tengo un año de haber subido a puntas y práctico además jazz, contemporáneo y gimnasia.

Mi mayor sueño a futuro, es convertirme en bailarina profesional o solista en una compañía de ballet.

Se que estoy en la edad en la que muchos adolescentes se interesan por otras actividades, pero mi meta es fija y continuaré luchando por cumplirla... aunque a veces tenga que sacrificar muchas cosas, sobre todo, la convivencia con mi familia.

Los sueños se pueden cumplir, solo hay que ser constantes y no perder el objetivo.

I dream of dancing on Broadway and acting in movies. All I want to do is dance, sing and act. I have been blessed to be part of Dancin' Debbie's for years. Mrs. Debbie's niece, Ms. Suzanne Reider is taking over next year. I plan to dance for her for many years to come. I am currently Miss Junior Princess Ms. North

Carolina through AMM, Mini Miss Epic National Title holder of 2021, & I have received many awards since I have been dancing. Dancing is in my heart and soul and just in my whole body and spirit. I just love it.

Paula Marijuan

I am Paula and I have been dancing for almost 2 years. One of my biggest goals is to someday win the dance awards. Apart from dance competitions, participating in a movie is also something I would love to do. Lastly, I love to have photoshoots and model dance wear. One of my dreams would be to model for clothing brands. Right now, I also have some other goals. I'm working on my needle, my turns, and getting my backtub on the floor. As if

for my achievements, I am very proud of myself for doing good in all my latest competitions. I won first place twice and I was title winner once out of the three first competitions we have attended this year for now. I am very excited to keep working and growing as a dancer and in all the other things I mentioned.

I started my very first dance class when I was three, and I absolutely loved it. My parents originally signed me up because I was always dancing around the house, and they definitely made the right decision to sign me up. I started dancing competitively when I was 7 and have been dancing competitively ever since (6 years). My favorite style is a tie between jazz and contemporary since they both use so much energy and power. In my future, I would love to open my own dance studio. It makes me so happy to think that one day I could teach others something that brings me and many others so

much joy. Last year, I won second overall at a competition and this year I'm aiming to win first overall. But dance isn't only about winning, it's about having fun and enjoying what you're doing. I've met so many amazing people in the dance world, and I thank everyone so much that I've met. I especially thank my dance teachers for teaching me everything that I know today. I can't wait to see what the future brings for me in the dance world!

Hello everyone, My name is Sophia and I am 9 years old. I have been a competitive dancer at TK DANCEWORX since I was 2 years old. Throughout my journey, I have been awarded for my many accomplishments. Recently, I was named "Most Potential Mini Elite Dancer 2021" along with numerous first, second, and third place titles.

Dance is everything to me. It's where I met my best friends who became family. It's where I feel comfortable to be myself. It's a place that makes me feel safe, loved, and accepted. Dance is what makes me whole.
