# Alize Rodriguez

My name is Alize Rodriguez, I am 8 years old and I dance at Ultimate Dance on the Move. I love to dance because I feel so beautiful when I am dancing to music. I feel so amazing when I get the moves right. I feel on top of the world when my mom, my Mimi and Miss Cheyanne are proud of me. When I grow up I hope to be a famous dancer like Jennifer Lopez. I want to be a famous dancer so I can show

the little girls and boys who did not have a daddy like me or a mommy that we are beautiful. That we are special and dancing can help them feel beautiful like it does for me. I want to grow up and tell them I am proud of them and to keep dancing and doing a good job. I want to grow up and tell them I love them. I want to grow up and tell the single mommies like mine you are doing a great job and we all love you.

# Ava LeMian Martus

My name is Ava LeMian Martus. I've been dancing for 3 years. Dance has become a positive way to express my feelings. When I'm dancing, the world melts away while the music takes over. I am grateful for my studio family and friendships.

Many of my dreams include my passion for dance. I plan to dance throughout my childhood with the goal of studying dance in college. My biggest dream is to dance professionally one day. I also plan to open my own studio to help children foster a love for dance. My hope is to inspire others to keep dancing even through the hard times. I've always dreamed of dancing at Disney

or Universal. That dream will come true when I dance at Universal in 2023 with my teammates.

The 2021-2022 dance season was unforgettable. I was selected to appear on my studio's Christmas Spectacular poster. I was chosen for my talent, personality and passion for dance. I also began competing for the first time. I was extremely nervous but had a successful competition year. I'm proud of the 8 platinum and 2 high gold awards I received for my solo. I placed overall at 6 competitions and received two special judges' awards. My proudest moment was placing 10th overall out of 98 dancers at Nationals! Medals and

trophies are fun but being awarded the Dancer of the Year for my studio is my most memorable and special achievement so far. I received this award for my ambition for dance, focus, conduct, attendance record, and respect for my peers and teachers.

While I am proud of my achievements, I know I still have work to do. One of my goals is to continue assisting with classes. I love making a difference in little one's lives. This year I want to learn new tricks in Acro, tighten up my transitions, work on my turns, and take new classes such as

Tap and Hip Hop. I'd also like to meet my online friend Lex, whom I look up to.

Dance has helped me overcome many challenges. I battle anxiety. This anxiety and fear can make it difficult to push myself onto the stage. I've had to learn to settle myself and take control of my brain. I will not let anxiety or fear stop me from doing what I love. I take the challenge head on and dance my heart out! Being onstage is the best feeling in the world!
