Hello my name is Raphaella some people call me Raffy ❤️❤️ for short. I am 12 years old living in East Haven Connecticut. I am in the seventh grade at East Haven Academy. I am an honor roll student and I am a competition competitive dancer I have been dancing for 11 years now at The Dance Connection I really enjoy dancing and being able to be around different people from different states and being able to learn new and exciting things that the dance world has to offer in my free time I like to ice skate. I enjoy reading I enjoy being around my family, my cousin, I also enjoy traveling into New York City, and being able to go

to all the Broadway 🗽 Shows but the best part of NYC is the bright lights of time square & The Shopping district ❤️ I have dreams someday of being on Broadway either dancing or being in a Broadway show. I know I have to work hard towards my goals and I know that it takes a lot of hard work and dedication but I'm definitely up for the challenge. I am so glad that my mom has been such a positive influence in my life. I am glad that she's always been my number one supporter and my biggest cheerleader 🙌... ❤️ ❤️ ❤️

My name is Maddi, I am 6 years old. I started dancing at Debbie Rae Dancers when I was 3 years old.

I started doing solos in January 2022. I have been doing classes in Jazz, lyrical, Ballet, hip hop and acro. It's so hard to pick a favourite but I love lyrical because I can really play around with emotion but I also love hip hop as I love the feeling I get on stage performing this style.

My goal for the past 6months was to place at Nationals.

I have just returned home from Showcase

Nationals in QLD where I was awarded National Champion mini in all my sections, Jazz, Lyrical, Ballet and Student Choreography, I was also awarded the 2023 showcase mini most photogenic award and was in the top 3 highest scoring soloists.

I am starting at a new studio in February, I am so excited to take on this new journey with Wil Sabin Dance Academy and my biggest dream is to one day win Junior Dancer of the year

I am 13 years old and have been dancing since I was eight for the incredible Smith Jaques Dance Studio in Teesside, UK.

My aim is to become a professional dancer on Strictly Come Dancing and to inspire people around the world to do something that may be out of their comfort zone.

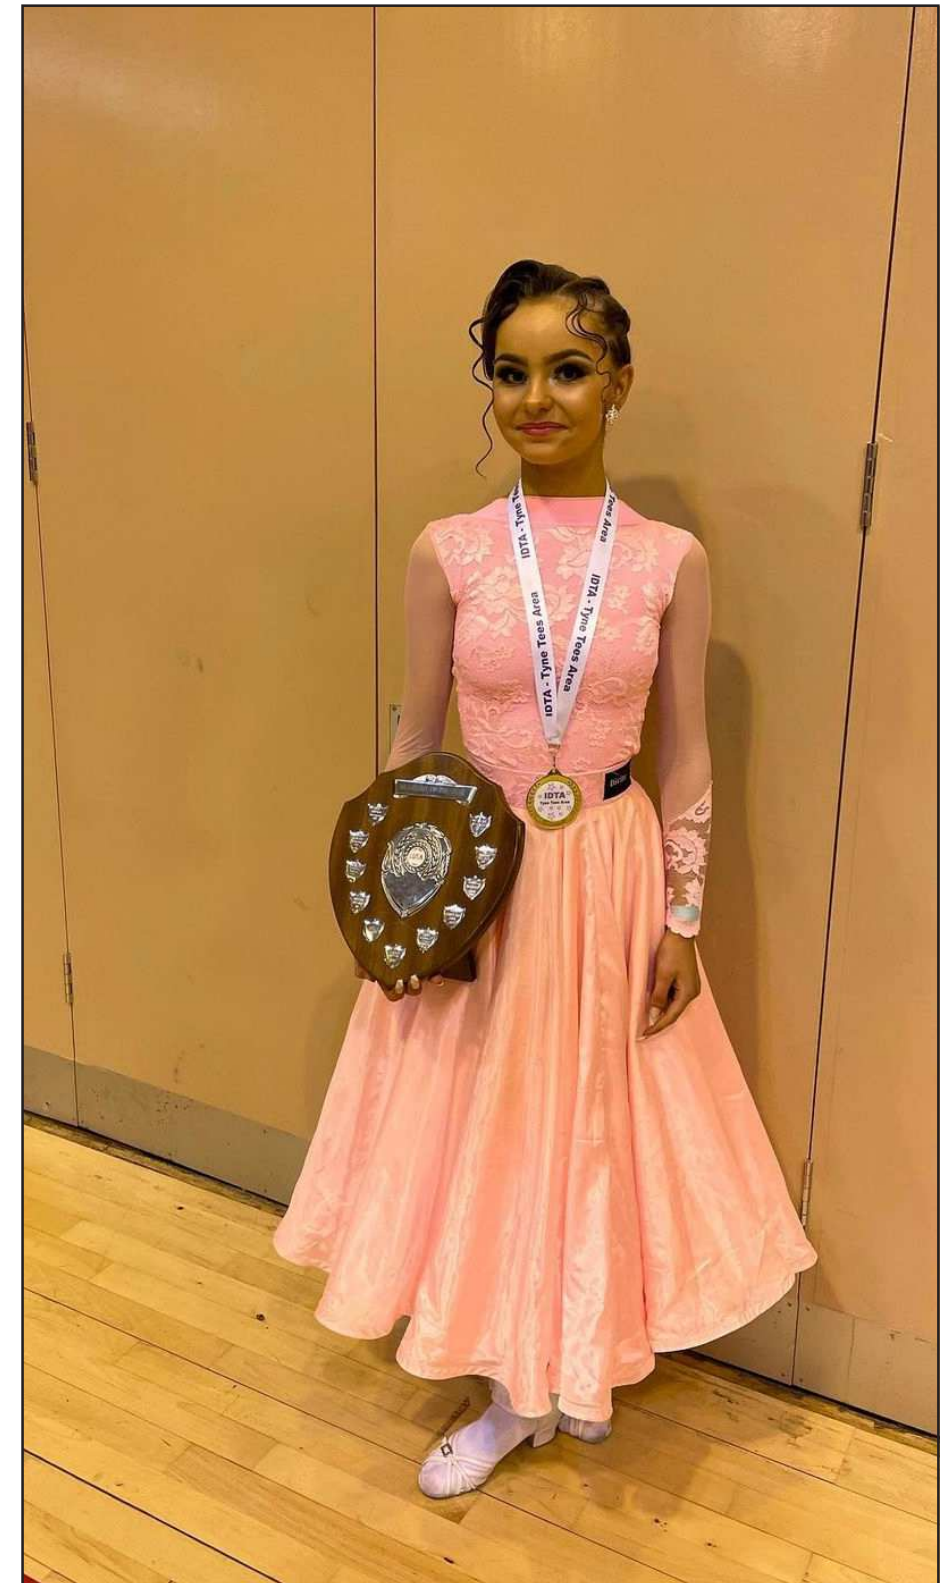

To achieve this dream, I train 3-4 days a week, putting in hard work towards the most important competition of the year: the Blackpool finals.

I have won this competition twice and they were the most joyful times of my life. I have also been runner up three times and third place once.

None of this could of been possible without the support and commitment of my loving dance school and coach, Danielle.

The next stage of my dance journey sees me moving up into under 16s competition. This does make me anxious but I feel it will push me harder and challenge me to be the best dancer I can be. To stay motivated, I always remember: practice doesn't make perfect, practice makes improvement.
