My goals for dance are to make sure I enjoy every moment of these next years competing. I'm so humbled and thankful for this opportunity with iDANCE MAGAZINE! ❤️

# Amyah Dawn

Hi! My name is Brynn Waitt and I am a dancer from New England. I have been dancing since I was 2 years old doing tap and jazz, but now I am doing all genres. My favorite genre of dance is musical theater and jazz fusion. I attend many competitions and conventions each year, I also work 15-20 hours at the studio. But more

importantly, my dreams and goals is to be a nurse here in Boston. And something I'm totally looking forward to is dancing at Disney springs for the first time at the end of this year. I have won nationals 3 times so far and I am still growing to be the best I can!

Hi I am a dancer from New England. And my name is Brynn. I have won dance nationals 3 times in my dancing career, and recently just scored 3rd at Groove dance competition. Something I am looking forward to is performing at Disney. I truly love my new dance team (the junior elites) and we truly match each others energy! When I grow up, I want to be a nurse here in Boston. I love taking care of my family and friends, and my dog muffin! But as of now, my number one hobby is dancing, I spend 15-20 hours a week at the studio and I'm still growing to be my best. I look up to all of my dance teachers and the seniors. Competitions are my favorite thing about dance and my favorite skill is my leg tilt. And I'm still growing currently. For the future I hope to be a better dancer and get successful in my career

# Kynlie Moore

My name is Kynlie and I have been a competitive dancer at Amanda's Dance Express for 7 years. I have extensive training in many styles including: Ballet, Tap, Jazz, Lyrical, Contemporary, and Acro.

My name is Lillian Wright and I am a competitive dancer at Legacy Dance Company. I have been dancing since I was 3 and plan to continue dancing into my college years. Although I

plan to peruse a dance related degree, I also want to attend Veterinary school at NC State! Some of my greatest dance achievements have been dancing with a professional and

international cast in the Nutcracker, winning 1st places in my solos a few times, and getting to compete with my amazing team at LDC.

My name is Madi Gibson and I am a New York City based artist who has been performing dance, music and creating choreography for the past 20 years. I first visited NYC at 15 years old to attend The Joffrey Ballet School's Summer intensive and I am proud to say that I have achieved my dream of becoming a professional dancer here in NYC.

Versatility is one of my greatest strengths as a dancer, and I have trained extensively in a myriad of different dance genres. While specializing in ballet, modern, contemporary, and jazz, I have also performed musical theatre, hip hop, jazz funk, West African, tap, and – most recently – burlesque.

I have become a featured dancer for an exciting dance company, Burlesque House. Inspired by the dancing and artistry of the 2010 film *Burlesque*, this company brings high value entertainment to audiences of the New York City's nightclub scene. Additionally, I hold an assistant teaching position for The Ailey School's Junior Division. As a teacher, I feel both honored and rewarded to play a pivotal part in bringing up the next generation of great dancers.

I have so many big and exciting goals for myself as a dancer, one of them being to be casted in musicals. I am a trained singer in addition to being a dancer and it's my dream to be involved in musical theatre productions.

Growing my artistry is my greatest passion. Creating my own original choreography is something that helps me learn a lot about myself as a person and delve deeper into my creativity. I am always eager to learn new dance disciplines and a few that I want to learn more about in the future include Vogueing and Swing.

In the future I look forward to choreographing new works, learning more about myself as an artist, and honing new and existing skills.

I enjoy spending time with my friends traveling meeting new people. I love the competition world where I'm able to put my art of dancing and modeling on stage. I had a lot of difficult challenges through my life that helped me get where I am today. I can't think my mom

enough for all that she does. She is my rock. She is my cheerleader and most of all she has been there for me through everything my mom always said at the end of the rainbow, 🌈 you will always find your Pot of Gold 🏆 and she also told me to always believe in myself.

My name is Rory Legg and I'm a 17 year old dancer living in Tokyo, Japan. I have loved dancing for longer than I can remember. My favorite styles are ; jazz, musical theater, salsa, and hip hop; but I am well versed in many other styles and I love experimenting with new styles of dance that aren't in my comfort zone. I have been competing in dance competitions since I was 6 years old, and have been pretty successful! I have been recognized for some of my more popular acts like, "Legally Blonde", "Run the World", and for group pieces I've participated in like, "Apocalypse". During the 2022 dance competition season I received awards like "13 and up high score", "Fusion Show Star", and had the opportunity to perform as a fusion star over summer at Fusion National Dance. I have also gained a vast amount of supporters after touring with IGNITE Dance Competition as a brand ambassador in 2022. I am a natural and charismatic performer that loves being in front of big audiences, but I also love all the other elements that go into putting on a performance! I work hard on my choreography, costumes, hair/makeup, and props to make sure that I put on the most fun and entertaining show I can for my audience.

My stage presence along with my outgoing personality has led me to receive a great support system in person and on social media over the years. I hope to eventually become as big as artists like Todrick Hall, Jojo Siwa, and Meghan Trainor. Along with these hopes I dream of becoming a pop star or dancing on Broadway someday. I also have a passion for fashion and

strive to have my own dancewear company when I'm older. I am so grateful to everyone who has supported me on my journey and for the opportunities I have been given. Performing is my favorite feeling in the world and it's something I want to continue doing for the rest of my life.
