Calirroe Stone

My name is Calirroe Stone, have been dancing since the age of 3 and rumbling since I was just over a year old. When I first started I did not realize the passion blooming inside of my soul. It's important to remember that competing in this lifestyle doesn't have to be faced alone, that every dancer that feels like they're not capable of facing their dreams needs to fight for them. Every day we are faced with challenges that come at us hard, being an athlete means you have to work hard to overcome many obstacles physically and

mentally. I found myself encouraging other dancers to find the strength and mindset to pick themselves up if they fall and telling them they matter when they felt they aren't seen. My goal is to continue excelling in this passion of mine and support and inspire other dancers to seize opportunities, find courage and believe in yourself. Only then, you'll open doors that may have felt locked before.

My name is Violetta Tucci and I am a 10 year old dancer at Moves Dance Company. I began my passion for dance at the age of 3 and have been a competitive dancer since the age of 4. I currently train 15-20 hours per week in all genres of dance along with additional tumbling, gymnastics and vocal training. I love all styles of dance but Jazz, Hip Hop and Contemporary are my favorites. I have had many accomplishments over the years and one of my most recent includes being crowned Miss Junior Inferno National Title Winner 2023. I have trained at the Joffrey Ballet in New York and assist at various dance conventions such as Refresh Squad, Addicted Protege and Junior Heat Force. I am also an ambassador for Stretch It Out Stretch Ladders and Blue Shutters Dance Photography. I believe in brands that promote inclusivity, positivity and that allow me to be the unique individual that I am. I am living my dream as a dancer and my goals are to continue to work hard and achieve many more opportunities. I would love to pursue dance as a career and become a choreographer and perform for other talented artists someday. I am honored for what I have already achieved and I look forward to what the future holds for me in the world of dance. -Violetta.

Danses Bulgare Les Voïvodes

Je m'appelle Sergiu Borș, j'ai 38 ans.

Je pratique la danse depuis l'âge de huit ans

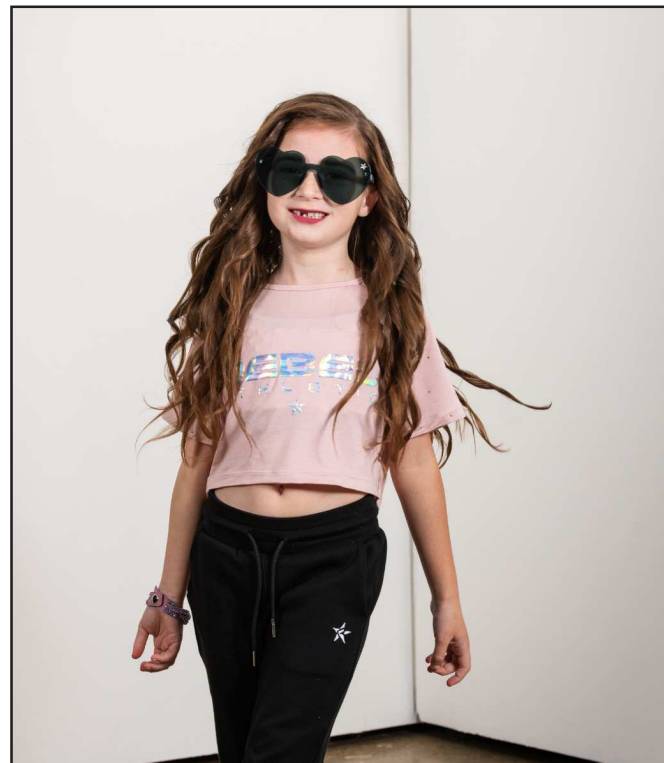

Les qualités que j'ai peuvent m'apporter de meilleures et plus grandes réalisations et possibilités d'obtenir un rôle dans un projet où toutes mes qualités artistiques seront promues et utiles

J'ai pu atteindre une performance de niveau professionnel en danse car je pratique la danse depuis l'enfance. Chaque jour est un défi pour être meilleur sur scène, j'ai participé à divers concours et festivals internationaux, j'ai accumulé beaucoup d'expérience, j'aime la danse de rôle, j'arrive à jouer un personnage.

Mon plus grand défi serait de participer à un projet d'acteur. En danse, l'accent est aussi mis sur les émotions, le regard, le sourire, le mouvement, la passion.

Emily Williams

My name is Sawyer Lay, I'm 7 years old and I have been dancing since I was 2. I have been a competitive dancer for the last two years. I dance at MD Studios in Thomasville North Carolina. My passion for dance began instantly. I train in all styles including jazz, hip hop and lyrical. I will be competing my very first solo in my upcoming competition. I love how dance gives you so much freedom to express yourself. Some achievements that I have made is my jazz group placed first overall in our category. I have been challenging

myself to practice my technique and bettering my skills to help me become a better dancer. My goals are simple, I want to keep pushing myself to become all that I can be to better myself as a dancer and as a person. I have such a wonderful dance family. I'm grateful for my teachers who push me to my best potential even on the hard days. I will continue to chase my dreams one dance at a time.

Lola Bryant

Hello my name is Harlynn. I turned 11 in February, I will be starting the 6th grade this fall and I have been dancing with Perfect Pointe Productions since I was 2 1/2. Dance has been my passion since my mom put me in classes. I can remember my first time on stage and how much fun it was. Being on stage brings me so much joy. I love being up there with my team and sharing what we have worked so hard on with our audience. Recently I visited NYC with my family. I saw Wicked and Aladdin on Broadway for the first time and I just fell more in love with dance, music, and acting. My dream is to be on Broadway or a famous dancer. I really love Alex Wong. I was able to take class with him and it was so amazing. My mom and aunt were professional dancers and I definitely want to follow in their footsteps. There is nothing like the rush and adrenaline you get from performing and I love how happy it makes people and it's just something I know I want to do when I grow up. My goals are very simple. I want to train harder so that I can get better. I have been working hard this year in preparation for pointe shoes. Being in class teaches me so much, not just in dance but life in general. Some of my achievements over the years, and those I'm most proud of, is receiving the kindness award at StarQuest. It was given to me by the backstage manager. I was crowned Miss Premier Petite Imagine 2022 in Daytona at their National finals. Lastly when I was chosen to be an ambassador for New World Dance Competition. Challenges are in my everyday life, whether it's school, dance, or just in life. Some people look at challenges as discouraging, but I look at them as small bumps in the road that are there to make me better. Challenges make us better humans. They provide us with opportunities to get better, think harder and become stronger. Just like Martha Graham said "Dancers are not great because of their technique, they're great because of their passion". My passion and love for dance is what gets me through any challenges that come my way!
