My name is Ava Fay and ever since I was a little girl I wanted to be some sort of model or actress. I wanted to be in magazines or billboards!! But I didn't have any confidence or beliefs in myself. This was soon to be back up by agents who rejected me for 20 years of my life saying I wasn't good enough to model. It was a blow, but to be honest, I felt like I wasn't! It wasn't until I reached my 40's when an agent decided to take me on as a model!!! A real model!! I couldn't believe it and was so excited. However my journey still wasn't to

be that easy. I didn't get any work for a year. I had to find where I fit into the industry. I'm not a typical model, so it took a while for me to find my niche. Then finally the work started to come. With hard work and perseverance. I've now achieved my dreams of being a skincare model, a fashion model and now appearing in tv commercials for the likes of FREEMANS! It's been a hard but amazing ride and I don't intend to stop here!!

I have been working with Monica for 3 years now. We have a great working relationship together. I met her through Model Mayhem where she contacted me wanting to work with me. I am so glad that I picked her. She has been in all of my Virtual Fashion Shows that I have put together including the one I had back in April of this year. She has also helped me to get my clothing sold in

the Consignment shop in her area. She has also been my buyer. She is also a Model Recruiter, Promoter and Graphic Designer. So you can say that she is multi-talented. There are more projects to come. So stay tuned.

My name is Makenzie Steele, I am 10 years old and from New Jersey. One of my dreams is to be a successful AllStar Cheerleader. My main goal is to be able to open a gym. I want to be able to provide classes for children at any skill level in hopes of them achieving their own goals. One of my achievements has been to compete as a level 2 Allstar cheerleader in Myrtle Beach. A challenge I am working on is confidence. Although I know my skills well, I have trouble walking in to the gym without crying. I am working on relaxing my nerves and making new friends.

My name is Destiny Pfeiffer, otherwise known as __dreamydestiny on IG. I am 25 years old and absolutely love what I do. I am a fashion model, and I model for multiple brands. Modeling has my heart and I put everything I have into it. I've worked really hard to get to where I'm at today, but I also enjoy every minute of it! My favorite thing about modeling would have to be trying out fun new poses and getting to meet so many new friendly people; photographers, other models, and stylists. I also love seeing the art that we

create in the camera after a shoot and being able to go reward myself with a yummy meal afterwards. The hardest part of what I do is coming up with something new and unique every time I shoot. I hope and plan to be published and eventually become a traveling model, but I'm happy with what I've done so far and am thankful for all the fans I already have ♡
