# Carmen Fernandez Hockaday

Hello. My name is Carmen Fernandez-Hockaday. I was born in Vega Baja, Puerto Rico. I was raised in NYC and moved to Florida in 2004. I am the Mother of three Children. Boy. Girl, boy. My children are all professionals. My oldest son, Cory is a Comedian/Actor. My daughter Xiomara is a Physician Assistant. My youngest son CJ is a Photographer, Model and works for Apple.

I started this Journey when I got an inbox from a promoter asking me to compete in a bodybuilding show in 2019. I had no idea what I needed to do and he assured me that he would guide me and get me the proper help. I accepted the offer and began my journey into the bodybuilding world. I trained really hard and began a good diet plan. It was amazing to see how many people were willing to help me. I was happy when my friend Keni offered to train me for free. The exchange was to Model his new clothing line. He asked me to take pictures wearing his gear and send them to him to use for promotion. I got clothes from him to Model and came out in his video as an Instructor. It was a great experience. Soon after I began to do several photoshoots and finally came out with my very own Calendar. I started to post professional pictures from the photoshoot and immediately got the attention of several photographers. One day, I decided to go to a casting call for runway Models and got Casted to "The Black Mistique" Models. This is when I was taught how to walk a runway. I did that for over a year. Later on I answered another casting call for Wendell's Models and learned to perfect my walk. It

was hard to transition from walking as a bodybuilder to walking as a runway model because one is rough and tough and the other, was Feminine, Soft and sophisticated. At times it became very difficult. I felt isolated, not confident and didn't fit in, but my passion and determination made me stick to my plan. I was there at every rehearsal. Never missed a day. I finally did my first runway show and it felt fantastic! My friends and family were there to cheer me on. I was able to wear named brand clothing from all types of Designers. I felt like I was on top of the world. I decided that my goal would be to appear in a Magazine. I honestly didn't think that at my age, I would get that far, but left it up to God to see how far I can go with my new career.

Soon after, I was published in my first Magazine!! The feeling I got from seeing my name written in a Magazine was incredible! Not to mention my biography to be included. This was just a little over a year from starting my career as a Model. Since then, I've done many runway shows, photoshoots and published several times. I recently did a major photoshoot with "Publica International", which consisted of fifteen Models, three Muscle Cars and three motorcycles. We had five photographers, a videographer, promoters, and several production staffing. What an experience! I have been very fortunate in my journey. It is allowing me to travel, meet new people, get fabulous photos, walk the Runway and even get casted for a short film. You're never too old to live your dream. I always wanted to be a Runway model since I was a teenager. At that time, the requirements were tough. You had to be 5'9 or taller to walk a runway. Now, the demand is not as bad and so, I am able to live my dream. I would like to thank all the people that follow me, support me and made this happen. I also want to be an example to my children. Is never too late to start a career or reach your dreams. I am living proof!

# Faye Delune

My names Faye Delune, and I'm A Professional Model, Promoter and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Photography, Modeling, Promoting and Marketing at The Professional Level and really enjoying the artistic aspect of it all. In 10 years, as a model, photographer, and Promoter, I have had the honor of being featured in/on countless of Magazines,

Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, photographer or promoter, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

# Peyton Hanko

Gosh, where do i begin. I first modeled at 4 years old my first time for a magazine for my county. Ever since then i felt happiest and most confident in front of a camera. My dream from then was when i grew older, i was gonna pick this up and try to make that little 4 year old girls lifelong dreams come true of being a published model signed one day with an agency. The challenges i've faced these past 7 years have been the hardest yet. I've dealt with depression, anxiety, and dark dark

times. When i started shooting with photographers recently, all of that has tremendously decreased. I feel I can be myself in front of a camera at my happiest, i feel confident and more myself than i ever have. It's truly my happy place when i'm shooting, and following my dreams to make that little me happy.
