My name is Ellieana Jensen. I am 9 years old. I have been dancing since I was 2 years old. In addition to dance I am bilingual (speaking Spanish and English) a National Pageant Queen, I sing, play the piano, model, and have started designing clothes and accessories. I love to read and write.

I have several goals, but my primary goal is to be on Broadway as a singer and dancer. I was able to see shows on Broadway this September and was inspired to pursue this dream.

As a competitive dancer I commit at least 20 hours per week to training. My solos have placed in the top 10 in several dance competitions including second place at The Dance Awards Nationals. I have also won dance scholarships at several competitions.

As a National Pageant Queen (Princess of America) I have had the opportunity to be involved in my school and community by promoting my platform, Live Kindness. I also had the privilege of walking in New York Fashion week September 2022. As a bonus I was recently published in Heartland Model Magazine. Before the end of my reign I would love to write a book with the help of my Mom.

My biggest challenge can be finding time to accomplish everything that I want to. When I feel challenged I reflect on my life and thank God for gifts.

My names Faye Delune, and I'm A Professional Model, Promoter and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from

my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Photography, Modeling, Promoting and Marketing at The Professional Level and really enjoying the artistic aspect of it all. In 10 years, as a model, photographer, and Promoter, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies,

Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, photographer or promoter, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

My name is Miyanna, most people call me by Mia. One of my biggest goals/dreams is to inspire other individuals to go after their dreams. I consider myself the underdog. People don't immediately think "model." Yet once I show them my work, and what I've been involved in. Their eyes light up and it's great to see the wheels in

their brain turning. I like being that person that no one suspects they can "do it" that they can achieve their dreams. Modeling, acting, and runway. Then other people who feel like it's too late, or don't fit the mold... will hopefully feel inspired to chase after whatever they want no matter what others tell them. My biggest

achievements have come from overcoming self doubt. I never thought I'd be on the cover of a magazine, yet it happened. Never thought I'd be part of a Netflix Production, but here I am celebrating. Some challenges are people you thought supported you are not always the people you thought they were. As soon as you get successful some people don't want to be around you or find you intimidating.
