I have been dancing since the early age of 3 I dance for studio. x.dance academy in ashington Northumberland. I am a double starter in both fast and slow. When I dance I feel free like all my troubles are left behind and nothing else in the world matters but my time on that floor. My aim goal is to become

a champ. I train 4 days a week. This year I became a dance ambassador for the amazing channy Thompson who is a vocal singer here in the North East I have had the most amazing opportunities this year the experience has been out of this world and I can not wait to see what 2023 has in store for

me and the other dance ambassador. My dance teachers tasha and jess have been my best supporters and have encouraged all of my achievements but without there amazing time and commitment none of this would be possible at all and for that I am truly grateful.

Mon nom est Alycia Allard, je suis une jeune danseuse de 10 ans. Je danse depuis que j'ai 6 ans mais j'en suis à ma deuxième année dans l'équipe de danse compétitive. Je suis passionnée, expressive et motivée. Danser me permet

de m'exprimer, d'extérioriser mes sentiments, c'est une liberté d'expression! J'adore ce sport et j'espère pouvoir danser encore de nombreuses années.

My names Faye Delune, and I'm A Professional Model, Promoter and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Photography, Modeling, Promoting and Marketing at The Professional Level and really enjoying the artistic aspect of it all. In 10 years, as a model, photographer, and Promoter, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, photographer or promoter, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

I'm a dancer from JuiceBox Dance Academy LLC. Our Hip hop crew finished first place at Groove competition last season. I'm a member of AZDEO and strive to do my best in every endeavor. I love teaching the little ones hip hop and creating my own choreography. I dabble in modeling from time to time and have been featured in over thirty publications. My dream is to one day be an award winning choreographer and inspire future generations to express themselves through dance the same way I found release to my stress and

anxiety. I attend and three to four hours of dance practice everyday after attending high school. Balancing school and a rigorous dance life with my type 1 diabetes isn't easy but with the help of my family and God I persevere. For now I'll focus on my solo in this competition season. The trophies and accolades will come, doing my personal best is the main goal!
