My names Faye Delune, and I'm A Professional Model, Promoter and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Photography, Modeling, Promoting and Marketing at The Professional Level and really enjoying the artistic aspect of it all. In 10 years, as a model, photographer, and Promoter, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, photographer or promoter, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

Bambi

My name is Bambi and I've recently broken into the modelling industry. I model fashion all the way up to content for subscription pages. I've successfully shot with a variety of photographers and helped to express a story with my modelling.

My current goals are to explore more areas of the industry, I want to get as much experience as possible to get more paid modelling gigs as most of my work now is TFP or collaborations. My ultimate dream would be to own and run my own BBW bdsm / lingerie / clothing brand as there just isn't enough out there for people over a size 18!

My biggest challenge so far has been finding photographers willing to work with a bbw model as we are very different to slimmer models! Luckily I've found some amazing guys that have really captured how good I am.

Hello! My name is Lily Takata and am interested in being considered for publication. Pics enclosed.

Story:
Lily Takata has been acting, modeling, dancing and performing in some capacity since they were a toddler. From ballet and a beauty pageant, to being in plays and fashion shows, to tantalizing cameras, entertaining and competing all over the country, they've done it all. Takata is also a SAG-E actor. They own a talent agency, PHX Entertainers, which is the

first of it's kind specializing in pole dancers, aerialists, yogis, and fitness models and actors. They're the first and only queer/SWer friendly agency in the country. Lily hopes their authentic work will continue to inspire others to love and be themselves.

My name is Miss Pink Tink, I dream to live a simple healthy life no matter how modified. For every negative that might come my way I will always look for a positive. My goal in this life is to be the best of who I am and embrace all of my imperfections for I am just me. In the past 12 months I started my Retro Pinup journey now having over 30 publications, 4 covers and 3

calendars I am very humbled and honored to share pages with my fellow retro gal pals. After losing 160 pounds at 54 I've been challenged but not beaten and giving up is not an option. Going in sideways with my tutu on!
