Tete Sinoe

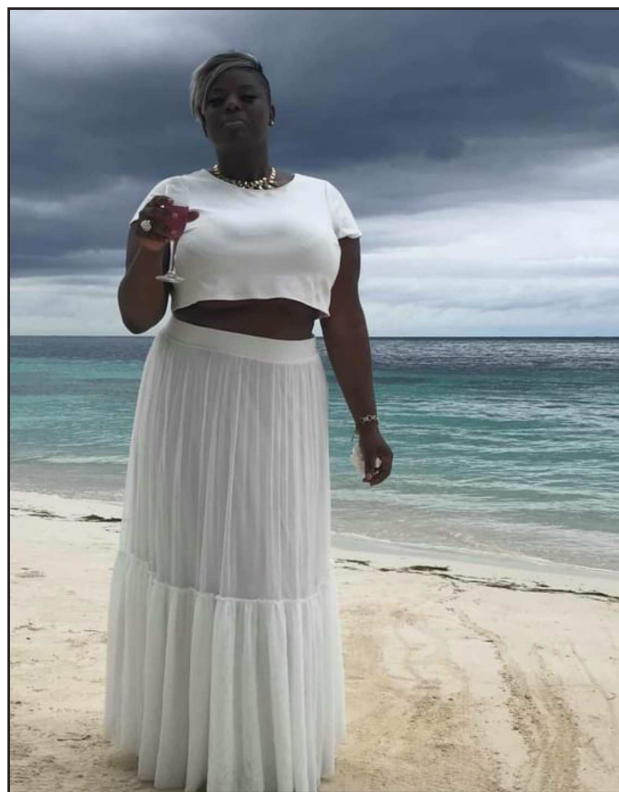

I am Adriana, I am 8 years old. I was born and grown up in Ukraine, then I moved with my mom to the UK. I speak Ukrainian , English and Russian fluently. My horoscope sign is Princes. I like animals and I like to help people and to care about them. I would like to be a veterinarian when I grow up. Now my dream is to be an actress and a model.

Adriana

Hello! My name is Tete Sinoe. I'm a curvy model and brand ambassador from Minneapolis, MN. I've been modeling a little over a year. I've been featured in Fashion Week MN, Black Fashion Week MN, The Purple Ones Fashion Show V & VI where we won 2nd place and many more. What I love most about modeling is being able to express myself through fashion and I've inspired many to follow their modeling dreams. In 2022 I walked in 22 Fashion shows throughout the year. The experience has been extremely thrilling for me. The best part is being dolled up by the fashion crew! It's a great feeling from getting my hair done, to doing my makeup to being dressed by designers. I feel like a life size doll lol. There aren't really many challenges because you're willing to jump any hurdle to follow your dreams. One day I wish to be more of a commercial/print model so I can inspire even more people to do what they love. Whether it's runway, commercial, acting, taking photos or just being behind the scenes. Do what makes you feel happy in the industry. I know I have.

Chanelle Bubb

My name is Chanelle. I have two pretty lofty goals. My goal for modeling is to model in Europe and to be apart of Miami fashion and swim week. I am also a patient care technician in the emergency department and my other goal is I want to be a nurse practitioner one day and to also have a PhD in something like Molecular and cellular biology.

Some achievements that I have is I've been published in multiple magazines in my career as a model and I also have a Biomedical/behavioral neuroscience major with a Buisness management minor. I also am going back to school this year to get my second bachelors degree for nursing in the accelerated nursing program to become a nurse then, a nurse practitioner. I also played division 1 college soccer while I was in university as well.

Some challenges I've had is my 3 major knee surgeries while I was playing college soccer but I pushed through and persevered to finally play soccer again for my university which was an amazing feeling that I will never forget.

being on Broadway either dancing or being in a Broadway show. I know I have to work hard towards my goals and I know that it takes a lot of hard work and dedication but I'm definitely up for the challenge. I am so glad that my mom has been such a positive influence in my life. I am glad that she's always been my number one supporter and my biggest cheerleader 🙌.. ❤️ ❤️
