I enjoy spending time with my friends traveling meeting new people. I love the competition world where I'm able to put my art of dancing and modeling on stage. enough for all that she does. She is my rock. She is my cheerleader and most of all she has been there for me through everything my mom always said at the end of the rainbow, 🌈 you will always find your Pot of Gold 🏆 and she also told me to always believe in myself.

My name is Jared Baraja. I live in San Pedro, California with my dad Jaime and my two older brothers James and Jake. I am a freshman at San Pedro High School. I'm having fun this year specially when it comes time to competing in swim meets for my school. Traveling, swimming, rock climbing and surfing are my passions along with cooking Ecuadorian foods with my grandma Golita and spending time with my girlfriend.

I am also a Teen Fashion Model. I've been eyeing modeling since last year. My vision became a reality last August 2022 when my dad's girlfriend Astrid encouraged me to have a photo session. It took off since then. I enjoy walking fashion show runways and photo shoots. Recently I did Orange County Fashion Week and walked for the Oscar's Gala Fashion Show. Being interviewed on the Red Carpet before the Gala show was an experience I'll never forget.

I've met a lot of good friends and mentors while modeling. And I'm learning about the importance of Networking which is key anywhere you go. I encourage everyone to follow their dreams with discipline, encouragement and determination. Give it your best at whatever you do to accomplish your goals.

Here I am at Dos Lagos in Corona, California with the talented Anamika Sinha. Thanks to other teen models and caring parents we meet and had an awesome photo shoot. More to come from us!
