Bustie Beaker, or otherwise known as the Boss Lady of CSW. I am co-owner of a Colorado based independent wrestling company as well as a burlesque dancer and aspiring model. My wrestling company is Colorado Springs Wrestling, if you can't find me there you'll always catch me performing at La Burla Bee in Colorado Springs with the Champagne Cabaret productions. I truly enjoy performing and I love showing everyone my many talents. I have competed in GLCC for burlesque and am starting to start my journey of performing in other states. You can actually find me in New Orleans August 25th/26th. My journey hasn't always been easy, I am a plus size performer so the doors haven't always opened for me. It's been my mission to break down those barriers with full force. All body types are absolutely gorgeous and should be celebrated. Just don't be an asshole and you're cool in my book. I am an Aries and truly believe you receive what you put out into the universe. I am fiery, bold and fierce to be reckoned with. A little quirky fact about me, my name Bustie Beaker. I got the bustie name for obvious reasons. But the Beaker, it has to do with my love for Muppets. I have loved the Muppets since I was a little girl and I thought there was no other fitting name than Beaker. I love what I do as a performer and I love showing off my many assets, it's my hope that you appreciate and celebrate the energy, love and beauty that I try to put out into the universe.

Hi there! My name is Gianna Brenord, and I'm an 11-year-old aspiring fashion model and actress from Brooklyn, New York. I was born into a family of two which grew into four, and I learned how to speak Creole and some French growing up, which I still use to communicate with my loved ones. My passion for acting and modeling started at a young age of three, when I participated in plays at church and school. I'm an active member of my community and a proud ambassador for my school's student council. During lunchtime, I volunteer to help other students with their behavior skills and even teach them how to zip their jackets independently. My ultimate goal is to help students build foundational literacy skills that will enable them to become fluent readers by the time they reach the age of five.

Besides acting and modeling, I'm also an altar server in my church. Over the past year, I've participated in several auditions, runway fashion week shows, photo shoots, and pageant shows. I'm proud to say that I won the title of Miss Junior Teen Nation Universe after winning both my state and US Nation pageants. My confidence and composure make me exceptional as I continue to pursue my passion for acting and modeling. I also enjoy learning how to code and create short animation films.

With a strong belief that everyone deserves a chance to find their distinctiveness and be loved, I'm determined to make a difference in the world with the right support, guidance, and love.

I'm a southern, redneck, country model, that dreams of going as far as I can not only in modeling, but in beauty pageants as well.

I compete in beauty pageants, without covering my tattoos, and without hiding who I truly am.

I feel everyone that wants to pursue their dreams, should, without anything, or anyone holding them back. I'm very passionate about pageantry, and proving that even someone like me, can have the same chance as the ones that everyone pictures, when they think of a beauty queen.

I am the current titleholder, Crown of California Ms/Mrs 2023, and will be competing in the Crown of America Pageant on September 2nd.

I am also the former titleholder for the following:

Ms. Pardeeville 2019-United States Pageant

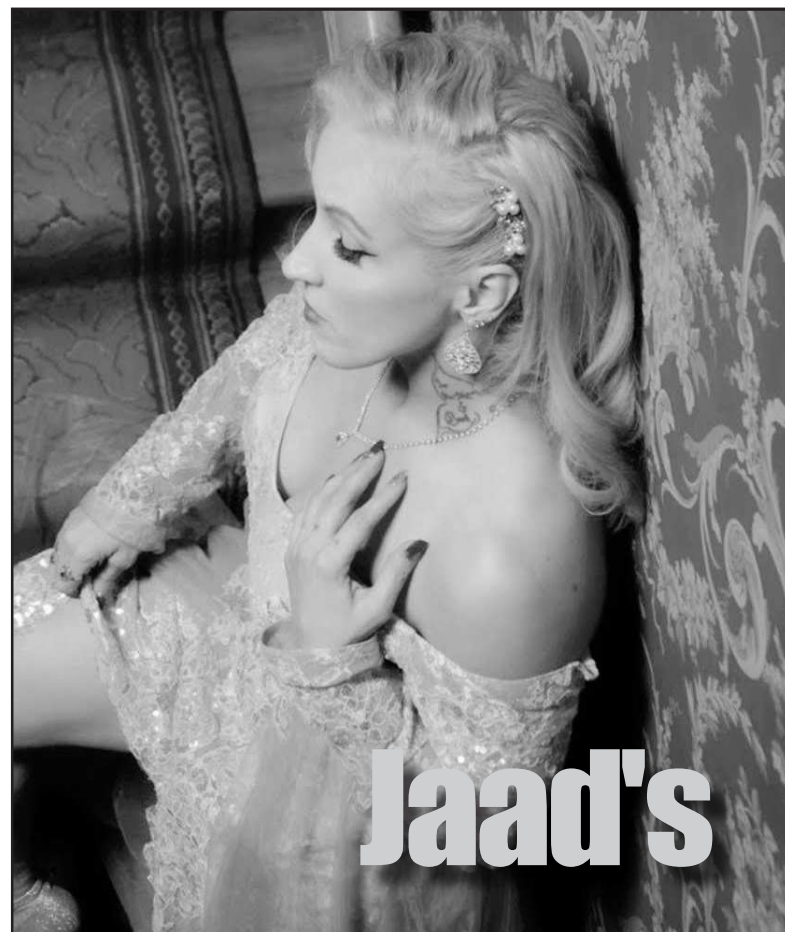

Ms. Wisconsin Petite 2019-2020-Petite USA Pageant

I'm also passionate about fishing, hunting(especially bow), mudding, ATVing, camping, boxing, MMA, and obnoxiously loud, lifted and big tired trucks.

I have had some major setbacks, the last 2 years, due to my health issues, that have escalated quite a bit.

I ended up with Lyme disease, for a second time, that's incurable now, and caused not only other health issues, but caused the ones I already had, to quickly worsen.

I have POTS (Postural Orthostatic Tachycardia Syndrome, HEDS (Hypermobility Ehler's Danlos Syndrome,

and a vascular disease, that I just recently had confirmed, but don't know the name of yet. Doctors also say that I may end up with more added to my already long list of issues.

These diseases have caused me to be unable to work, and I had to put my entire life and dreams on hold, but I've decided it's not going to stop me from living anymore.

I started modeling and competing in pageants again, and will be slowly trying to get back into hunting, amateur boxing and amateur MMA as well.

I don't want my health issues to stop me from being my authentic and true self, nor from chasing my dreams, and reaching for the stars anymore.

This is me, and I'm ok with it. I

am me, and I am not your paperdoll!
