My name is Erica Moss. I was born and raised in Georgia. My dreams are to become a print model in a magazine and a bestselling author someday.

My goals are to become an owner of an online clothing boutique someday and to submit to different agencies pursuing my modeling dreams.

Having to resign from my position of employment as a military spouse and having a new baby 2 years ago has been a big challenge for me, however I managed to keep my faith in the Lord Jesus. By doing so, he has given me the opportunity to pursue my modeling dreams and more.

In 2011, I graduated from John Casablanca modeling agency obtaining a TV print certification including other certifications such as Human Resources management, Medical front office and health records certification over the years. The Lord has also blessed me this 2023 year with a great lifetime modeling coach who has inspired me to fulfill my modeling dreams regardless of having a new baby and my age as a Christian. I've achieved a Christian modeling certification with Christian Modeling Association.

The Lord has also blessed me to be a published author of the book "Jesus is on the mainline, Tell him what you want" in September 2023.

I couldn't have achieved none of this without the Lord Jesus so I give him all the honor, glory and praise.

My dreams are to continue to be a psychic, medium in multiple cities, and to be able to travel more. My goals are to really take care of myself in a healthy manner and to get more involved in the arts.
